PHA FISCAL YEARS 2005 - 2009
[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)
- To provide affordable housing to the community;
 - To maintain safe, quality housing for our residents;
 - To provide rental assistance and other related services;
 - To promote self-sufficiency;
 - To operate in a non-discriminatory, economically responsible, and professional manner; and
 - To create and/or maintain partnerships with our residents and appropriate community agencies in order to accomplish this mission.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing
- Objectives:
- Apply for additional rental vouchers:
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:
 - Acquire or build units or developments
 - Other (list below)

The WCHA continues to refrain from applying for additional rental vouchers due to the declining numbers on our waiting list. The WCHA continues to be able to rent vacant units quickly thus keeping vacancies to a minimum.

- PHA Goal: Improve the quality of assisted housing
Objectives:
 - Improve public housing management: (PHAS score)
 - Improve voucher management: (SEMAP score)
 - Increase customer satisfaction:
 - Concentrate on efforts to improve specific management functions: (list; e.g., public housing finance; voucher unit inspections)

 - Demolish or dispose of obsolete public housing:
 - Provide replacement public housing:
 - Provide replacement vouchers:
 - Other: (list below)

The WCHA continues to strive to improve all aspects of management and finance. The WCHA continues to improve employee training, via the internet and seminars, for better job performance and continues to strive for a more open communication with the residents to improve customer service and continuation of modernization through the Capital Fund.

 - Conduct outreach efforts to potential voucher landlords
 - Increase voucher payment standards

 - Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
 - Implement public housing security improvements:
 - Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
 - Other: (list below)

The WCHA has the policies in place for deconcentration, but the evaluation of income mixes in the developments continue to indicate that there is not a need to implement these strategies at this time. The WCHA continues to lease apartments based on date and time and does not attempt to steer any family for whatever reason toward any certain development, unless the development is designated as elderly and/or disabled only. The WCHA is continuously striving to assure improved security by working with law enforcement, residents, WCHA Social Service Coordinator and through communication and action.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

- PHA Goal: Promote self-sufficiency and asset development of assisted households

The staff continues to work with a local junior college, providing facilities to its staff in order to assist the WCHA with this goal.

The WCHA has both a Resident Services Coordinator and a Social Service Coordinator to promote services and various programs throughout the year. Both staff members continue to work as liaisons between our elderly and family residents and local agencies as well.

The WCHA continues to increase its waiting list. At times the list becomes exhausted. Although there have been no major problems with excessive vacancies, the waiting list is still comparable to previous years. The WCHA continuously strives to increase the percentage of rents collected. The WCHA continues a more pro-active approach in collecting rents and has dedicated more staff hours to accomplish this. The WCHA has seen a reduction in tenant's accounts receivables but they continue to be too high.

PHA Goal: Promote a safe and secure environment in the WCHA's public housing developments.

Objectives:

1. The WCHA shall provide resident with safety awareness programs.
2. The WCHA shall attempt to reduce crime rates in public housing developments and the surrounding areas and reduce its evictions due to violations of criminal laws through aggressive screening procedures, cooperation with local law enforcement agencies and the enforcement of HUD's "One Strike and Your Out Policy."
3. The WCHA has provided more additional lighting in developments and continues to do so, to both its elderly and family developments.

The WCHA is always striving to increase communication with law enforcement agencies and residents in order to provide safety awareness programs. The WCHA has improved participation between residents by providing a Social Service Coordinator liaison. The WCHA screen applicants as aggressively with a more thorough background check being conducted in occupancy prior to lease-up and continues to strictly enforce the lease.

PHA Goal: Ensure full compliance with all applicable standards and HUD regulations, including the Generally Accepted Accounting Principles.

Objectives:

1. The WCHA shall work to maintain its current level of operating reserves between now and the end of the fiscal year 2008.
2. The WCHA continues to review its fraud policy.

The WCHA is in full compliance with applicable standards, including GAAP.

PHA Goal: Improve access of public housing residents to services that support economic opportunity and quality of life.

Objectives:

2. The WCHA will assist its resident organizations in strengthening their organizations and help develop their own mission statements, goals and objectives.
3. The WCHA shall aggressively search and apply to appropriate foundations for future grant funding pertaining to opportunities for resident support services.

The WCHA has continuously attempted to increase communication with local school districts in order to decrease truancy and the schools have become more receptive. The WCHA has increased communication with its resident councils and has been supportive of their ideas and plans. The WCHA has searched for and requested information on grant opportunities and will attempt to apply for funding if available.

PHA GOAL: Maintain the WCHA's real estate in a decent condition and delivery timely and high quality maintenance service to its residents.

Objectives:

1. The WCHA shall implement a preventive maintenance plan.
2. The WCHA shall continue to create an appealing up-to-date environment in its developments.
3. The WCHA continues to make assessments/improvements for additional lighting, sidewalks and tree removal.

The WCHA has implemented a preventive maintenance plan and through the Capital Fund, it is striving to reach the goal of an appealing up-to-date environment in its developments.

The WCHA will increase communication with its residents by developing resident survey to indicate residents' needs. Once completed the WCHA will evaluate the indicators and determine

the overall needs of the residents. The WCHA shall increase the number of Resident Advisory Board meetings per year. The WCHA shall continue to publish its quarterly newsletter.

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Williamson County Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The WCHA adopted the mission statement and goals and objectives stated above. The annual Plan is based on the premise that accomplishing the goals and objectives is important to work towards our mission.

The WCHA believes that it already has achieved this mission but needs to maintain its high level of performance. The plans, statements, budget summary, policies, etc. set forth all lead toward the accomplishment of our goals and objectives and are consistent with the State's Consolidated Plan.

The WCHA believes that the housing needs of Williamson County are being met. One sign of this is the relatively short waiting list for public housing.

As projected by the analysis of the WCHA waiting lists, the targeted amounts for extremely low income families should be exceeded in both public housing and Section 8 housing. Also, the analysis shows a fairly low amount of elderly or disabled on the waiting list, which indicates that the housing needs of these groups appear to be met in Williamson County. The statement of financial resources indicates that the WCHA has a strong operating fund and a fair amount of financial resources. The WCHA's eligibility, selection, admissions and rent policies are outlined for public housing and Section 8. The WCHA has included its Capital Fund Program Annual Statement and the 5-Year Action Plan.

The WCHA will continue to evolve as needed to continue to meet the housing needs of Williamson County. The WCHA will continue to evaluate its policies and strategies and make the needed changes to continue to meet its mission.

It is the policy of the Williamson County Housing Authority to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, families may be skipped on the waiting list in order to reach other families with a lower or higher income as needed. This will be accomplished in a uniform and non-discriminating manner.

Prior to the beginning of the fiscal year, an analysis of income levels of families residing in the WCHA’s developments, the income level of census tracts in which our developments are located and the income levels of families of the waiting list will be performed.
