HOUSING AUTHORITY OF THE COUNTY OF JACKSON, IL

DECONCENTRATION POLICY

As required by Section 513 of the quality Housing and work Responsibility Act (QHWRA), the Housing Authority's Admission Policy must be designed to provide for poverty and income mixing by bringing higher income tenants into lower income developments and lower income tenants into higher income developments. This policy is developed in accordance with QHWRA Section 513.

In order to comply with this regulation, the Housing Authority will take steps to analyze its public housing stock and tenant incomes. The Authority will compare the relative tenant incomes and occupancy characteristics of each development as they relate to the census tracts where the developments are located and make adjustments to deconcentrate those areas if necessary based on the following plan:

Rent Incentives:

In order to encourage higher income applicants into lower income areas and thereby help to achieve a deconcentration of poverty, the Authority has adopted and will continue to utilize ceiling rents. Ceiling rents have and will continue to encourage many working families to move into public housing. Ceiling rents also help to keep residents who obtain a job to remain in public housing instead of being forced to move out. The Housing Authority will also work with Senior Citizen agencies, rehabilitation agencies, and other social agencies to encourage lower income applicants to move into any developments that may be designated as high income developments.

Preferences:

Working families are given preferences over non-working families to encourage them to move into public housing. Since most of our developments consist of residents in the lower income category, this will allow the Authority to place more working families in our developments.

Other:

The Housing Authority will determine annually whether there exists a severe concentration of higher income or lower income families within a development as it relates to census tracts in which the developments are located. If severe concentration is found to exist, and there are available units in those developments, the following

actions may be taken: the Housing Authority may choose to first offer the units at developments with the most severe concentration of higher/lower income families to qualified applicants whose incomes will help to balance the incomes of the development to achieve proper income mixing. If there is no concentration problem, the Authority will offer the available apartment to the next qualified applicant in accordance with the Admissions and Continued Occupancy Policy.

Community Service and Self Sufficiency Policy

The Quality Housing and Work Responsibility Act of 1998 sets forth certain stipulations that residents of Public Housing (18 years or older) must meet in order to reside in subsidized housing. One of the stipulations is the performance of eight (8) hours per month of community service, by residents not exempt as defined below. If the leaseholder and every other eligible household member do not meet the eight (8) hours a month community service requirement they will be subject to termination of their lease.

Community Service Exemption Codes

1. I am 62 years of age or older.
2. I have a disability which prevents me from working (Certification of Disability as defined by HUD guidelines required.)
3. I am working (Employment Verification required. Minimum 20 hours work per week and annual income of \$5,980.00)
4. I am participating in a Welfare to Work Program (Verification letter from agency required).
5. I am receiving TANF and am participating in a required economic self-sufficiency program or work activity (Verification from the funding agency that you are complying with job training or work requirements required).
6. I am a full time student.
99. I am a live in aide

The community service self sufficiency requirement is intended to assist adult public housing residents in improving their own economic and social well-being and give these residents a greater stake in their communities. The community service and self sufficiency requirement allows residents an opportunity to “give something back” to their communities and facilitates upward mobility.

Community Service volunteer work includes, but is not limited to:

Work at a local institution but not limited to: school, child care center, hospital, hospice, recreation center, senior center, adult day care center, homeless shelter, indigent feeding program, cooperative food bank, etc.

Work with a non-profit organization that serves the PHA residents or their children such as: Boy Scouts, Girl Scouts, Boys or Girls Clubs, 4-H program, Community Clean-up and Beautification programs, other Young or senior organizations.

Work at the Authority to help improve physical conditions.

Working through resident organization to help other residents with problems, serving as an officer in a resident organization, serving on the Resident

Advisory Board; and caring for the children of other residents so they may volunteer.

The Housing Authority will provide names and contacts of agencies that are willing to provide opportunities for residents, including the disabled, to fulfill their community service obligation (a). The Housing Authority will also consider recommendations and suggestions made by residents as to where they may be able to fulfill their Community Service obligations. In addition, the Housing Authority will provide families with exemption verification forms (c) and recording/certification documentation forms (c1) and a copy of this policy at initial application and at lease execution.

Residents may use the Authority's grievance procedure if they disagree with the Authority's determination.

Attachment F

POLICY PROHIBITING DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING

The Violence against Women Reauthorization Act of 2005 (VAWA) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Specifically, Section 607(2) of VAWA adds the following provision to Section 6 of the U.S. Housing Act of 1937, which lists contract provisions and requirements for the public housing program:

Every contract for contributions shall provide that . . . the public housing agency shall not deny admission to the project to any applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission, and that nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

Definitions

As used in VAWA:

- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship
 - The type of relationship
 - The frequency of interaction between the persons involved in the relationship
- The term *stalking* means:
 - To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or
 - To place under surveillance with the intent to kill, injure, harass, or intimidate another person; and

In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

- The term *immediate family member* means, with respect to a person –
 - A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or
 - Any other person living in the household of that person and related to that person by blood and marriage.

Notification and Victim Documentation

PHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history that would warrant denial under the PHA's policies. Therefore, if the PHA makes a determination to deny admission to an applicant family on the basis of an unfavorable history, the PHA will include in its notice of denial a statement of the protection against denial provided by VAWA and will offer the applicant the opportunity to provide documentation affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking. The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking

One of the following:

A police or court record documenting the actual or threatened abuse

A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The applicant must submit the required documentation with her or his request for an informal hearing or must request an extension in writing at that time. If the applicant so requests, the PHA will grant an extension of 10 business days, and will postpone scheduling the applicant's informal hearing until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the PHA determines the family is eligible for assistance, no informal hearing will be scheduled and the PHA will proceed with admission of the applicant family.

Perpetrator Removal or Documentation of Rehabilitation

PHA Policy

In cases where an applicant family includes the perpetrator as well as the victim of domestic violence, dating violence, or stalking, the PHA will proceed as above but will require, in addition, either (a) that the perpetrator be removed from the applicant household and not reside in the public housing unit or (b) that the family provide documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment.

If the family elects the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

This additional documentation must be submitted within the same time frame as the documentation required above from the victim.

PHA Confidentiality Requirements

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

NOTICE OF ELIGIBILITY OR DENIAL

The PHA will notify an applicant family of its final determination of eligibility in accordance with the PHA's policies.

If a PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)].

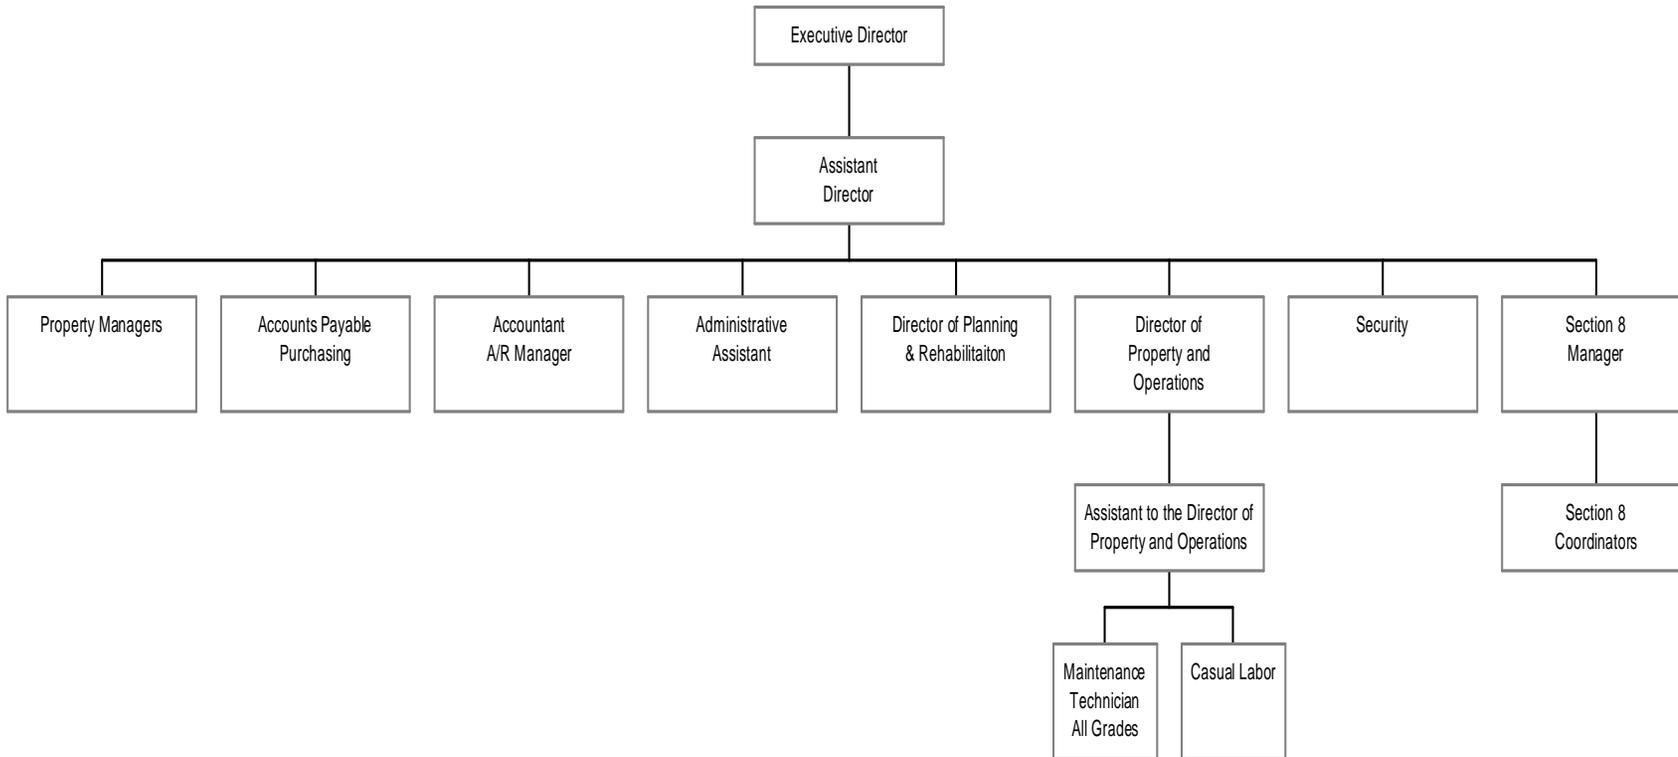

PHA Policy

If, based on a criminal record or sex offender registration information an applicant family appears to be ineligible, the PHA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 business days to dispute the accuracy and relevance of the information. If the family does not contact the PHA to dispute the information within that 10 day period, the PHA will proceed with issuing the notice of denial of admission. A family that does not exercise their

right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal hearing process.
Notice requirements related to denying admission to noncitizens are contained in PHA Policy.
Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, or stalking are contained in PHA Policy.
