This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

SALE OF VACATED MAINTENANCE BUILDING

The PCHA has recently completed the construction of a new, modern maintenance facility to replace the existing structure.

It is PCHA's intention to sell the building and property. PCHA has contacted the Illinois Historic Preservation Agency regarding its intention to sell the old maintenance building. The IHPA has submitted to us the guidelines by which said property may be disposed.

We will under separate cover provide a Disposition Application in support of our intent.
