STATEMENT OF POLICIES ON PET OWNERSHIP

Any tenant who wishes to have a pet must abide with all terms of this pet policy **BEFORE** obtaining a pet.

For the purposes of this statement, household pets are defined as dogs, cats, birds, fish, gerbils, and hamsters. Only one pet per household shall be allowed, and the maximum weight for the pet shall not exceed 25 pounds at maturity.

The following will not be allowed in the housing unit at any time: ferrets, snakes, ant farms, reptiles, arachnids, or rodents. Any pet not listed will have its eligibility determined by the public housing manager **prior** to moving it into the household.

The Pet Owner shall pay a Pet Security Deposit of \$200.00 in addition to the Security Deposit for the unit. If the Security Deposit is less than \$200.00, the pet deposit shall be \$300.00.

1. Pets may be exercised only in the area set aside for such activity. Pet wastes deposited in the area must be picked up by the Owner and placed in a plastic bag, sealed and deposited in the garbage container. Dogs and cats must be leashed.
2. Litter boxes must be emptied of waste daily by the owner, and the litter changed on a weekly basis and disposed of in the garbage container.
3. Pets must be controlled in such a manner that they do not interfere with the maintenance staff while working in the unit or yard.
4. Pets at the GreenTrees and SilverTrees complexes shall not be allowed in the community room nor laundry room.
5. All pets must be properly licensed and inoculated against all diseases common to the pet, such as: distemper, rabies and heartworm prevention for dogs; and distemper and rabies inoculations for cats. Owners must present proof of such inoculations and prevention measures.
6. Pets must be neutered or spayed, and proof of such measures furnished the Housing Authority.
7. Pet Owners must designate the person who will be responsible in the event of Owner's illness or incapacity to care for the pet. If the designated person is not available, the Owner agrees that Management may place the animal with the proper animal control agency or boarding kennel. The Owner will thereafter be solely responsible for reclaiming the animal

and for all expenses thus incurred.

8. In consideration of pet owner being allowed to keep a pet on the premises within the guidelines of this policy, pet owner hereby agrees to hold harmless and indemnify the McHenry County Housing Authority against any and all claims, demands, lawsuits, costs and expenses, including reasonable attorney's fees for the defense thereof, arising from any damage done to person or property by reason of pet owner's pet.  - b. Evidence of untreated illness;
 - c. Pet behavior that constitutes immediate threat to health or safety to residents;
 - d. Excessive pet noises, for example: barking, crying, howling;
 - e. Excessive pet odors or damage to McHenry County Housing Authority property.

The rules contained herein are incorporated in your Dwelling Lease by reference and shall be made a part thereof, whether or not you are or intend to be a pet owner.

McHENRY COUNTY HOUSING AUTHORITY
PEST CONTROL POLICY

As our Public Housing Program is composed of scattered site, single family and duplex units, it is not advantageous or necessary to have a monthly contract for pest control. During inspections, if pest problems are noted, appropriate pest control services will be procured from outside contractors. Likewise, tenants are instructed to report pest problems as they occur, and maintenance personnel are trained to note signs of infestation during routine maintenance.

NARRATIVE

The public housing program was started in McHenry County to add affordable housing units because there were very few 3 bedroom single family or duplex units available in the rental market. This situation has not improved, and there is a low vacancy rate in McHenry County for any rental housing, but particularly housing for large families. As a result it was determined that conversion to tenant based assistance will not only be of no benefit to our clients, but it might be a detriment. Therefore, the McHenry County Housing Authority's initial assessment is that conversion would adversely affect the availability of affordable housing and would not be in the best interest of our clients.

Implementation of Public Housing Resident Community Service Requirements

Community service is defined as “the performance of voluntary work or duties that are a public benefit and that serve to improve the quality of life, enhance resident self-sufficiency or increase resident self-responsibility in the community” Community Service is not employment and may not include political activities (24CFR#960.601).

McHenry County Housing Authority’s lease Part II Section VII, paragraph (e) page 4 requires that all non-exempt public housing adult residents (18 or older) contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes or other activities that help an individual toward self-sufficiency and economic independence.

On July 16, 2003 a letter was sent to all public housing tenants informing them of the requirement to perform community service. At yearly re-exam the adult members of the unit signs a Community Service Compliance Certification. If the adult is exempt, they will sign an Exemption Certification stating how they are exempt. (Definitions for exempt adults can be found in the policy).

Non-exempt tenants are given a copy of the Community Service and Self-Sufficiency Policy that clearly explains what activities meet the requirements along with a monthly time sheet. If tenants have difficulty finding places to volunteer, the Housing Authority will provide them with a list of agencies.

**McHENRY COUNTY HOUSING AUTHORITY
VIOLENCE AGAINST WOMEN ACT (VAWA) POLICY**

The McHenry County Housing Authority (MCHA) has adopted a policy (the “MCHA VAWA Policy”) to implement applicable provisions of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162) (VAWA). MCHA’s goals, objectives and policies to enable MCHA to serve the needs of child and adult victims of domestic violence, dating violence and stalking, as defined in VAWA, are stated in the MCHA VAWA Policy, available for public review. In addition, MCHA shall operate programs to serve the needs of child and adult victims of domestic violence, dating violence and stalking as and to the extent such programs are described from time to time in MCHA’s Annual Public Housing Agency Plan.

Implementation of Carbon Monoxide Alarm Detector Act

The McHenry County Housing Authority has incorporated the Illinois Law: Public Act 094-0741, Carbon Monoxide Alarm Detector Act, effective January 1, 2007, into its Section 8 Administrative Plan and Public Housing Admissions and Occupancy Policy. Additionally, every Section 8 landlord was mailed a copy of the law twice, and a copy of the law has been made part of the landlord/tenant information packets. All Section 8 and Public Housing inspections include a Carbon Monoxide Alarm Detector Act compliance check.
