Statement of progress in meeting 5 year Plan missions and goals

The Dodge City Housing Authority continues to promote adequate and affordable housing, economic opportunity and a suitable living environment, free from discrimination. Modernization efforts continue to move in the direction of asset management/protection and resident comfort and pride.

Membership of the Resident Advisory Board

The Dodge City Housing Authority has a unique blend of residents, which to-date has not lent itself to the formation of any organized resident participation. We have done everything short of appointment against ones will, to no avail. Our elderly residents say "I just want to live peacefully and do not want any time commitments". Our family residents rarely stay with our Agency long enough to think of us as anything

more than a stopping point on their life journey. As we have never made any changes to our PHA Plan or CFP plan following our resident meetings, I believe it safe to say our residents are comfortable with the way we take care of their needs, or their apathy has gotten the better of them. I prefer to think they believe we are doing a good job of taking care of their needs! All residents shall be notified that they are our RAB collectively. We will continue our efforts to form a RAB.

Substantial Deviations to the PHA Plan

Should the Dodge City Housing Authority have to amend any of its' policies and/or procedures, it shall do so at the time of Annual PHA Plan meetings/submission. It is very time consuming to attempt to make changes mid-year due to Public meetings, resident involvement, etc.. If possible, all changes will be made in the manner described above.

If any major changes are necessary mid-year, we will go through the process as defined in 24CFR 903.13 through 903.23 prior to adoption and implementation.

In-house/local changes made are not considered substantial deviations to the plan and we adopt them regularly (i.e. Community Room policies, inclement weather plans, etc.). The DCHA will adhere to the 5 year plan for Capital Fund expenditures. All residents and interested Community Members are aware that we make full use of fungibility within each 5 year plan.

On Emergency Capital Fund expenditures, we will only conduct resident and Public meetings if the project cost is so great that other work items on the 5 year plan must be pushed back in excess of one year.

Violence Against Women Act

The DCHA adopted, through Board Resolution, language protecting applicants and residents of the Public Housing and Section 8 Programs in FY2007 as per the VAWA (Violence Against Women Act). We will always advocate for those who are victimized by others. Upon adoption of the VAWA language, all landlords and residents of the Section 8 Program were notified by mail, as were all Public Housing residents. We currently post our VAWA policy on bulletin boards at both of our Business Offices for current residents and applicants perusal. The Dodge City Housing Authority works in conjunction with the Dodge City Police Department and all Social Service Providers in our locality to insure that the rights of those victimized through domestic violence, dating violence, sexual assault or stalking are protected and services remain uninterrupted as a result (upon full verification of events surrounding the claims of our residents/applicants).

Student Rules

The DCHA also adopted the Student Rules for Section 8 and Public Housing in FY2007 as per HUD Directive.

Project Based Accounting – Opt Out

The DCHA has elected to opt out of Asset Management for FY2008-09 as per Resolution #04-08-467.

Resident Involvement in structuring the CFP 5 year Plan

We held meetings at each of our four housing complexes during the week of June 18, 2007. As we usually find, the turn-out at each meeting was relatively low. We have always attributed The low turn-out to the fact that our residents feel we take pretty good care of each of our complexes.

The following is a listing of the resident turn-out at each meeting held in planning for our 2007 – 2011 Capital Fund expenditures:

<u>Complex</u>	<u>Units Occupied</u>	<u>Tenant Involvement</u>	<u>Percent</u>
South Hi-Rise	113	9	8
Comanche Terraces	46	2	4
North Hi-Rise	56	14	25
George-N-Courts	<u>58</u>	<u>3</u>	<u>5</u>
Totals	273	28	10

Our Staff received no negative comments from residents from any of our complexes regarding our plans for renovating over the five year period of 2008 through 2012. All in attendance thought our agency is very fair to all complexes.

At our Community-wide meeting held on June 6, 2008, we had no Community members in attendance. This has pretty well become the norm rather than the exception for our Capital Fund Community-wide meetings. We have always looked upon this as a positive for our Agency. We would like to believe that our Community members have faith in our Organization to be responsible in our spending of modernization dollars.
