The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Housing Authority of the City of Iola

Certification of Compliance with the Violence Against Women Act (VAWA)

The Housing Authority of the City of Iola's Admission and Continued Occupancy Policy was amended to include the provisions as set forth by the Violence Against Women Act signed into law January 6, 2006. We work carefully in conjunction with local organizations such as the local police department, Hope Unlimited, Social Rehabilitation Services, Adult and Child Abuse Hotline, church groups, etc. to assist those victims of such violence to obtain and/or maintain housing. Current residents who might find themselves in such a situation are encouraged to inform this agency so that steps may be taken to enhance their safety in the home.
