B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Needs Assessment of the housing needs of their jurisdiction and their waiting list. It is also required to state how the Housing Authority intends to address these needs.

Housing needs analysis for the Housing Authority of Cynthiana was taken from the 2004 Kentucky Action Plan developed to reflect the needs and priorities established in the 2004-2008 Consolidated Plan for the Commonwealth of Kentucky.

Needs assessment taken from the Consolidated Plan for 2000, indicated 626 units of subsidized rental housing available in Harrison County. With a median gross rent of \$403.00 in 2000, there continued to be 467 families paying more than 30% of their income for housing. This data indicates an obvious need for affordable housing within the jurisdiction of the Housing Authority of Cynthiana.

Based on this information, the Housing Authority of Cynthiana reaffirms its five-year goals and objectives.

The Housing Authority of Cynthiana is part of the entire effort undertaken by the state to address the jurisdiction's affordable housing needs. As stated above, the need for housing includes Section 8 Rental Assisted units. The availability of "quality" affordable housing units remains somewhat scarce. While the Housing Authority alone cannot meet the entire need identified here, in accordance with the goals included in this Plan, the Housing Authority will try to address some of the identified needs by using appropriate resources to maintain and preserve its existing housing stock while concentrating on raising the overall quality of all housing. When appropriate and feasible, the Housing Authority will apply for additional grants and loans from federal, state and local sources, including private sources to help add to the affordable housing available within the jurisdiction of the Housing Authority.

It is the intention of the Housing Authority of Cynthiana to work with local partners and C.H.A. Housing Ventures, Inc. to successfully meet these identified needs.

Anticipated resources for the coming fiscal year can be found in the **Statement of Financial Resources**. The Housing Authority of Cynthiana will continue to use those resources to house families. At this time, the Housing Authority does not intend to apply for additional units. Priorities and guidelines for programs often change from year to year and decisions to pursue certain opportunities and resources may also change, over the coming year, if there are program changes beyond the Housing Authority's control.
