ATTACHMENT “K” – Deconcentration Policy

It is Morgan City Housing Authority’s Policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Morgan City Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income families will not be steered towards higher income developments.

Prior to the beginning of each fiscal year, the PHA will analyze the income levels of families residing in each of its developments, the income levels of census tracts in which its developments are located and the income levels of the families on the waiting list. Based in this analysis, the PHA will determine the level of marketing strategies and deconcentration incentives to implement.

DECONCENTRATION INCENTIVES:

The Morgan City Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development

Various incentives may be used at different times or under different conditions, but will always be provided in a consistent and non-discriminatory manner.

ATTACHMENT “C”: MORGAN CITY HOUSING AUTHORITY PET POLICY

1. General

In compliance with Section 526 of the Quality Housing and Work Responsibility Act of 1998, the PHA has adopted a policy to permit residents to own and keep one or more common household pets; the number being limited by type and size. Animals that are an auxiliary for persons with a disability are excluded from this policy. This policy is in the form of an agreement that must be signed between the resident and PHA hereafter, which sets out all rules and requirements for keeping a pet. The ownership of common household pets are subject to the following rules and limitations:

2. Types of Pets

Common household pets shall be defined as “domesticated animals such as a dog, cat, bird, rodent, fish or turtle. Birds include Canary, Parakeet, Finch and other species that are normally kept caged; birds of prey are not permitted. Fish in tanks or aquariums, not to exceed 20 gallons in capacity; poisonous or dangerous fish are not permitted. Dogs are not to exceed 25 lbs. weight, or 15 inches in height at full growth. Dogs must be spayed or neutered. Pit Bulls, Dobermans, German Shepherds, Rottweiler, or similar type dogs are not permitted. Cats must be spayed or neutered and be de-clawed or have scratching post, and should not exceed 15 pounds. Rodents other than hamsters, gerbils, and Guinea pigs are not considered common household pets – and are not allowed. Hamsters, gerbils, and Guinea pigs must be kept in appropriate cages. Reptiles other than small lizards such as chameleons are not considered common household pets. Exotic pets such as iguanas, monkeys, game pets, snakes, alligators, turtles, and other reptiles are prohibited.

3. Miscellaneous Provisions

All dogs and cats will need to be on a leash, tied up, or otherwise restrained at all times when they are outside. Neither dogs nor cats shall be permitted to run loose. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner’s apartment for the purpose of handling, but shall not generally be unrestrained. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the management office. Improper disposal of pet waste is a lease violation and may be grounds for termination. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live. The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, PHA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.

All pets shall be inoculated and licensed in accordance with the applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.).

All pets shall be registered with the Management Office immediately or no longer than ten (10) days following their introduction to the community. Registration shall consist of payment of an additional security deposit of \$100.00 for dogs or cats, plus basic information about the pet (type, age, description, name, etc.), proof of inoculation and licensing, and proof of neutering or spaying.

Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. The pet owner agrees to indemnify and hold harmless the PHA from all claims, causes of action damages or expenses, including attorney’s fees, resulting from the action or the activities of his or her pet.

Executive Summary of the Annual PHA Plan

Morgan City Housing Authority Executive Summary

On October 30, 2006 the City of Morgan City Housing Authority submitted a 2006 PHA Plan, Revision 2 with the corrected deficiencies recommended by HUD. The Plan was approved for use by both MCHA Board of Commissioners and the Department of Housing and Urban Development. In less than ninety (90) days, the Executive Director resigned and left the Authority with a new Plan and direction – but no one to carry out any portion of the Turnaround and Rehab Plans.

A new Executive Director, who was hired April 17, 2007, has reviewed the Annual Plan as well as the Revision 2 Plan and has determined them to be feasible with some modifications.

First, the Modification Plan has been divided into two sections: (a) The Unit needing to be turned, which consists of approximately fifty (50) units. These units have first priority to be turned and place back on the market. (b) The second group is known as the MOD List. There are approximately one hundred (100) units on this list. These units are in need of major repairs and replacements in order to make them livable. Bids will be requested from contractors to renovate these units. The estimated cost for renovation will only allow MCHA to fund approximately 20 units per year. The average cost to renovate per unit is between \$16,000.00 and \$75,000.00. It is estimated to take several years to turn these units back over to Housing Management for rentals.

See Attachment “D1” showing the timeline for tentative dates of completing the Unit Turnaround List.

See Attachment “D2” showing the timeline for tentative dates of completing the MOD List.

All units being renovated or turnaround performed will be under the new “AMP” funding designations.

Required Attachment B: Violence Against Women

The PHA will protect certain victims of criminal domestic violence, dating violence, sexual assault, or stalking; as well as members of the victims’ immediate families from losing their HUD assisted housing as a consequence of the abuse of which they were the victim.

7. “Resident Organization” means an organized body of residents with an adopted set of by-laws, a democratic body, and elected officers. It shall include a resident management corporation.

C. Procedure Prior to Hearing

Any grievance shall be personally presented, either orally or in writing to the PHA office or to the office of the development in which the complainant resides so that the grievance may be discussed informally and settled without a hearing. In cases of the PHA's failure to act, the grievance or complaint must be submitted within a reasonable time, not in excess of 30 days of the PHA's failure to act which is the basis of the grievance. In cases of PHA's action, the grievance or complaint must be submitted within a reasonable time, not in excess of 30 days of the PHA's action or not in excess of the number of days stated in a letter of adverse action which is the basis for the grievance. A summary of such discussion shall be prepared within a reasonable time, not in excess of 5 working days. One copy shall be given to the complainant and one copy retained in the PHA resident file. The summary shall specify the names of the participants, dates of meetings, the nature of the proposed disposition of the complaint and the specific reasons therefore, and shall specify the procedures by which a hearing under this policy may be obtained if the complainant is not satisfied. The summary shall be delivered to the complainant in accordance with Section 17 of the lease.

D. Procedure to Obtain a Hearing

1. The complainant shall submit a written request for a hearing to the PHA or the development office within a reasonable time after receipt of the summary, not in excess of 7 calendar days. The written request shall specify:
 - (a) The reasons for the grievance, and;
 - (b) The action of relief sought.

2. A grievance hearing shall be conducted by an impartial person or persons appointed in accordance with this policy. The Hearing Officer or Hearing Panel shall consist of a person or persons other than a person who made or approved the PHA action under review or a subordinate of such person. The Hearing Officer or Hearing Panel may consist of a person or persons who may be an officer or employee of the PHA.

The Executive Director of the PHA shall select a Hearing Officer or Hearing Panel. It shall be the Executive Director's decision, based on facts and circumstances of the grievance, whether to select a single Hearing Officer or a Hearing Panel consisting of three persons. Careful consideration should be given in the selection of the Hearing Officer or Hearing Panel. The Executive Director is not prohibited from selecting himself/herself provided that he/she is impartial and was not the person who made the approved PHA action.

Prior to final selection of the Hearing Officer or Hearing Panel, the Executive Director shall notify the resident organizations, when and if one exists, of his/her decision and allow for comment. Resident organizations shall have 7 calendar days from the date of the notice to submit comments. Any recommendations or comments received shall be considered by the Executive Director in making the final decision.

The Executive Director shall have 15 calendar days after receipt of a request for a hearing in which to make a final selection of a Hearing Officer or Hearing Panel.

3. If the complainant does not request a hearing in accordance with D (1) above, then the PHA's disposition of the grievance under this policy shall become final.
4. All grievances, except those identified under the Expedited Grievance Procedure outlined below, shall be personally presented orally or in writing pursuant to the informal procedure prescribed in Section C above as a condition precedent to a hearing under this section. However, if the complainant shall show good cause why he failed to proceed in accordance with Section C to the Hearing Officer or Hearing Panel, the provisions of this subsection may be waived by the Hearing Officer or Hearing Panel.
5. Before a hearing is scheduled in any grievance involving the amount of rent which the PHA claims is due, the complainant shall pay to the PHA, to be held in escrow, an amount equal to the amount of the rent due and payable as on the first of month preceding the month in which the act or failure to act took place. The complainant shall thereafter deposit the same amount of the monthly rent in an escrow account, held by the PHA, monthly until the complaint is resolved by decision of the Hearing Officer or Hearing Panel. The PHA shall hold in escrow all deposits, on behalf of the resident, pending resolution of the complaint. These requirements may be waived, by the PHA in extenuating circumstances. Unless so waived, the failure to make such payment shall result in a termination of the grievance procedure.
6. Upon complainants compliance with subsections 1, 3, 4 and 5 of this section, a hearing shall be scheduled by the Hearing Officer or Hearing panel promptly for a time and place reasonably convenient to both the complainant and the PHA. A written notification specifying the time, place and procedures governing the hearing shall be delivered to the complainant and the appropriate PHA official in accordance. The proposed services will be performed in two distinct phases.

E. Expedited Grievance Procedure

1. The expedited grievance procedure shall apply only to those grievances concerning a termination of tenancy or eviction that involves:
 - (a) Any criminal activity that threatens the health, safety, or right of peaceful enjoyment other residents or employees of the PHA or
 - (b) Any drug-related criminal activity on or near the PHA premises or
 - (c) Any alcohol abuse that the PHA determines interferes with the health, safety or right to peaceful enjoyment of the premises by other residents.
2. When the PHA notifies the resident of a termination of tenancy or eviction that involves the above referenced violations, the PHA shall also include in that notice that any grievance hearing requests shall be in accordance with the expedited grievance procedure.
3. The complainant shall have seven (7) calendar days from the date of the notice in which to file a written request for a hearing to the PHA or the development office. The written request shall specify:
 - (a) The reasons for the grievance, and;
 - (b) The action or relief sought.
4. The complainant shall NOT have the grievance informally discussed as outlined in Section C of this policy.
5. Within 24 hours of receipt by the PHA of the complainant's request for a hearing, the Executive Director or his designee shall notify the resident organizations of his/her selection of a Hearing Officer or Hearing Panel. The resident organizations shall have 5 calendar days from the date of the notice to submit comments as to the selection of the Hearing Officer or Hearing Panel. Upon expiration of the 5 days comment period, the Executive Director or his designee shall have one (1) working day to review the comments and make a final selection as to the member(s) of the Hearing Panel or Hearing Officer.
6. Upon complainant's compliance with subsection 3 of this section, a hearing shall be scheduled by the Hearing Officer or Hearing Panel promptly for a time and place reasonably convenient to both the complainant and the PHA, not in excess of five (5) working days of the selection of the Hearing Officer or Hearing Panel. A written notification specifying the time, place and the procedures governing the hearing shall be delivered to the complainant and the appropriate PHA staff.

F. Procedure Governing the Hearing

1. The hearing shall be held before a Hearing Officer or Hearing Panel, as determined by the Executive Director.
2. The complainant shall be afforded a fair hearing, which shall include:
 - (a) The opportunity to examine before the grievance hearing any PHA documents, including records and regulations that are directly relevant to the hearing. The complainant shall be allowed to copy any such document at the complainant's expense. If the PHA does not make the document available for examination upon such request by the complainant, the PHA may not rely on such document at the grievance hearing;
 - (b) The right to be represented by counsel or other person chosen as the complainant's representative and to have such person make statements on the complainants behalf;
 - (c) The right to a private hearing unless the complainant requests a public hearing;
 - (d) The right to present evidence and arguments in support of the complainant's complaint, to controvert evidence relied on by the PHA or development management, and to confront and cross-examine all witnesses upon whose testimony or information the PHA or development management relies; and
 - (e) A decision based solely and exclusively upon the facts presented at the hearing.
3. The Hearing Officer or Hearing Panel may render a decision without proceeding with the hearing if the Hearing Officer or Hearing Panel determines that the issue has been previously decided in another proceeding.
4. If the complainant or the PHA fails to appear at a scheduled hearing, the Hearing Officer or Hearing Panel may make a determination to postpone the hearing for not more than 5 business days or make a determination that the party has waived his right to a hearing. Both the complainant and the PHA shall be notified of the determination by the Hearing Officer or Hearing Panel.
5. At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter the PHA must sustain the burden of justifying the PHA action or failure to act against which the complainant is directed.
6. The hearing shall be conducted informally by the Hearing Officer or Hearing Panel and oral or documentary evidence pertinent to the facts and issues raised by the complainant may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings. The Hearing Officer or Hearing Panel shall require the PHA, the complainant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the

Hearing Officer or Hearing Panel to obtain an order may result in exclusion from the proceedings or in a decision adverse to the interest of the disorderly part and granting or denial of the relief sought, as appropriate.

7. The complainant or the PHA may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of the transcript.
8. The PHA must provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodations may include qualified sign language interpreters, readers, accessible locations, or attendants. If the complainant is visually impaired, any notice to the complainant which is required under this section must be in a accessible format.

G. Decision of the Hearing Officer or Hearing Panel

1. The Hearing Officer or Hearing Panel shall prepare a written decision, together with the reasons therefore, within a reasonable time after the hearing, but not in excess of 7 business days for a standard hearing and not in excess of 3 business days in the case of an expedited grievance hearing. A copy of such decision, with all names and identifying references deleted, shall also be maintained on file by the PHA and made available for inspection by a prospective complainant, his representative, or the Hearing Officer or Hearing Panel.
2. The decision of the Hearing Officer or Hearing Panel shall be binding on the PHA which shall take all actions, or refrain from any actions, necessary to carry out the decision unless the PHA Board of Commissioners determines within a reasonable time, not to exceed 30 days, and promptly notifies the complainant of its determination, that:
 - (a) The grievance does not concern PHA action or failure to act in accordance with or involving the complainant's lease or PHA regulations, which adversely affect the complainant's rights, duties, welfare or status;
 - (b) The decision of the Hearing Officer or Hearing Panel is contrary to applicable Federal, State or Local law, HUD regulations or requirements of the annual contributions contract between HUD and the PHA.
3. A decision by the Hearing Officer or Hearing Panel, or Board of Commissioners in favor of the PHA or which denies the relief requested by the complainant in whole or in part shall not constitute a waiver of, nor affect in any manner whatever, any rights the complainant may have to a trial de novo or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

H. Eviction Actions Upon Decision of Hearing Officer or Hearing Panel

If a resident has requested a hearing in accordance with Section C of this policy, on a complaint involving a PHA Notice of Termination of the tenancy and the Hearing Officer or Hearing Panel upholds the PHA's action to terminate the tenancy, the PHA shall not commence an eviction action in a State or local court until it has served a notice to vacate on the resident, and in no event shall the notice to vacate be issued prior to the decision of the Hearing Officer or Hearing Panel having been mailed or delivered to the complainant.

Such notice to vacate must be in writing and specify that if the resident fails to quit the premises within the applicable statutory period or on the termination date stated in the Notice of Termination, whichever is later, appropriate action will be brought against the resident and he/she may be required to pay court costs and attorney fees.

I. Actions Not a Waiver of Right to Appropriate Judicial Proceedings

Any action or failure to act by the complainant in any part of this policy shall not constitute a waiver by the complainant of his right thereafter to contest the PHA's actions in disposing of the complaint in an appropriate judicial proceeding.

J. Amendments

Any amendments that need to be made to these procedures shall only be made after a 30-day comment period is allowed for residents and then only after the PHA has considered the comments received.

Required Attachment I: Community Service Requirements

The Morgan City Housing Authority (PHA) has modified its Admission and Continued Occupancy Policy and added a Section H which includes the statutory provisions for continued occupancy that require each adult family member who is not employed and otherwise exempt, must comply with the Community Service Requirements (CSR) or QHWRA, which states that such persons must contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located. Participation in an economic self-sufficiency program is considered fulfillment of this requirement.

When required to contribute community service, it is the residents' responsibility to find a place to serve the hours of community service, and to provide documentation that the service was performed. The housing authority has canvassed its rent rolls to determine which of its existing resident families that the HA believes has one or more members who fall under the CSR. Those persons that are responsible to participate in the CSR program are asked to come into the office to have the requirements explained to them and to provide them with the reporting form. Newly admitted families have the program explained to them at orientation. Those residents that fall into CSR category may be assigned to one staff member to track their progress in meeting their responsibilities.

The CSR resident family must bring in the completed form on a monthly basis and present the form at the time of payment of rent. If the HA has a reason to question the truthfulness of the information provided on the form it will take steps to confirm the information.

Areas that have been identified as acceptable for CSR service includes but are not limited to the following:

*Lakewood Hospital
Council of Aging Center
St. Mary Outreach
Welfare to Work Training Programs*

*St. Mary Guest Home
City Recreation Department
Schools
Qualified Training Programs*

*CAA Headstart Centers
Church Child Summer Programs
St. Mary Comm Action Agency*

If a resident cannot find an opportunity to volunteer with one of the above agencies, then the residents will be assigned to work at one of the HA's resident programs as a volunteer.

Programs that the MCHA conducts that can accommodate a limited number of volunteers:

*After school Tutoring Programs
Mentoring Program*

*GED Tutoring Programs
Resident's Work Program*

*Summer Enrichment Programs
Vacant Apartment Cleaning Team*

The MCHA will notify any family found to be in noncompliance of the CSR program:

- 1) That they are in non-compliance with their CSR Requirements*
- 2) That the determination is subject to the grievance procedure; and*
- 3) That unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated.*

The MCHA has entered into a TANF agreement dated 7/14/2003.
