The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. ### **VIOLENCE AGAINST WOMEN ACT POLICY**

PROHIBITION AGAINST TERMINATING TENANCY OF VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING [Pub.L. 109-162 and 109-271]

The Violence Against Women Reauthorization Act of 2005 (VAWA), provides that “criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate family member of the tenant’s family is the victim or threatened victim of that abuse.” VAWA further states that incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed either as serious or repeated violations of the lease by the victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence.

No applicant for public housing assistance who has been a victim, but not a perpetrator, of domestic violence, dating violence, or stalking shall be denied public housing assistance by the Newburyport Housing Authority if the household is otherwise qualified to receive such assistance.

A domestic violence incident, a dating violence incident, or a stalking event shall not be construed as a serious violation of the lease by the victim and shall not be cause for termination of housing assistance, tenancy, or occupancy rights of the victim of such violence unless the victim is also a perpetrator.

When a tenant family is facing lease termination because of actions related to domestic violence, dating violence, or stalking, the Authority will require the individual victim(s) to submit documentation affirming said claim. The documentation must include a signed statement by the victim that provides the name of the perpetrator and certifies that he or she has been victimized by domestic violence, dating violence, or stalking and that said victim is not also a perpetrator.

The Newburyport Housing Authority may terminate assistance to a tenant who engages in criminal or threatened acts of violence or stalking of family members or others without terminating housing assistance to victims living in a unit. The Newburyport Housing Authority shall honor court orders regarding the rights of the victim(s).

The Newburyport Housing Authority shall reserve the right to evict if there is a serious threat to other tenants and/or employees should the tenancy not be terminated.

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

VAWA does not limit the Newburyport Housing Authority’s right to terminate the tenancy of any tenant if the Authority can demonstrate an actual and imminent threat to other tenants or those employed by or providing services at the Housing Authority property.

Adopted by the Newburyport Housing Authority’s Board of Commissioners on January 17, 2008.
