This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

1. Consolidated Plan jurisdiction: City of Newton
2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

- The PHA has based its statement of needs of families on its waiting lists on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

As is expressed in the City of Newton Consolidated Plan, the Newton Housing Authority recognizes that there is a lack of affordable rental and purchase housing in the City of Newton for low and lower income families. Inclusive in this is the lack of affordable housing for seniors, especially seniors with need of supportive services. The Newton Housing Authority will continue to address these needs through its various programs in general, and more specifically with programming that targets some of these issues.

1. The Newton Housing Authority will continue its relationship with Habitat For Humanities in the development of 2 affordable 1<sup>st</sup> time homebuyer units. One 3 bedroom rental unit for low income families, located on the same site, has been occupied.
2. The Newton Housing Authority has, through the use of local linkage funds, purchased a total of seventeen 2 and 3 bedroom apartments over the past 3 ½ years. These apartments are to remain as part of the affordable rental stock for perpetuity. The Newton Housing Authority will continue to use the funds generated through the linkage ordinance to create and purchase additional housing units for low income individuals and families.
3. The Consolidated Plan also points out that there have been a number of local initiatives aimed at assisting seniors in need of services. The Newton Housing Authority has been involved with support in the creation of the Nonantum Village Place and continues to work with local elder care agencies regarding the care of seniors in our developments and the community at large.

The Newton Housing Authority is presently involved in a pilot program regarding the use of one of our Senior Congregate units. The Newton Housing Authority and Springwell, the local elder care service provider, are working jointly to manage a four bedroom supportive unit for people either at imminent risk of nursing home placement or in a nursing home and seeking to return to the community.

4. In addition to our 30 modified apartments for those with physical disabilities, the Newton Housing Authority manages 6 additional apartments with modified baths for 1 bedroom tenants who may need to use walkers. Within our 1 bedroom population in both our HUD and State sponsored public housing units we presently have 64 non-elderly disabled individuals in addition to those residents in modified apartments. The Newton Housing Authority through subsidy assists 70 units listed in the Consolidated Plan, which are occupied by individuals with non-physical disabilities, ie. Individuals with Developmental or Mental Disabilities.
5. As sited in item # 4 of the Annual PHA Plan, the Newton Housing Authority will continue its obligation to those existing project-based contracts using our vouchers. These include 12 of the 20 Set-a-Side vouchers for Victims of Domestic Violence, and 6 Vouchers for a Project-based Single Room Occupancy Program at the Webster Street Residence, a residential home established for the housing and care of developmentally disabled individuals. In addition to these programs, the Newton Housing Authority is considering the use of project-based vouchers at some of our existing management units and the use of project-based vouchers as a tool to assist NHA in increasing the feasibility of additional management units, thereby increasing the number of affordable units in the City,
6. For our tenant selection to our 1 bedroom public housing the Newton Housing Authority will continue to maintain those priority and preference criteria such as assisting elderly, disabled, and displaced individuals before singles, as a means of addressing the needs of the elderly and non-elderly disabled as expressed in the Consolidated Plan.

Other:

The Newton Housing Authority has included as attachment a Statement of Housing Needs to coincide with the 2006-2010 City of Newton Consolidated Plan

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

2008 PHA Plan Report on Newton Housing Authority Activities regarding  
Violence Against Women and Justice Department Reauthorization Act

The Newton Housing Authority has actively pursued a number of avenues of assistance for individuals and families who are victims of domestic violence.

The Newton Housing Authority has sent to all participants in our Section 8 Housing Choice Voucher Program and our Federally Funded Senior Housing units a summation of the Violence Against Women and Justice Department Reauthorization Act, along with a notice that emphasizes the need for a victim to be careful in their communication with the Newton Housing Authority or a landlord via mail and supporting the concept of the victim working in concert with the Newton Housing Authority in their interactions. The Newton Housing Authority will continue to make available a copy of this information to all future participants of these programs. The Newton Housing Authority has implemented with landlords the use HUD Form 52641 part C which includes in Section 8E Protections for Victims of Abuse.

In addition to the above, The Newton Housing Authority has had as part of its Section 8 Voucher program, a Section 8 Set-a-Side for Victims of Domestic Violence. Through this program the Newton Housing Authority works with local and other Domestic Violence Shelters in seeking applicants for this set-a-side waiting list. Two local organizations have established residences with project-based assistance that are tenanted with applicants who have applied to this program.

In the Section 8 Set-a-Side for Victims of Domestic Violence Program, there are twenty (20) vouchers, four (4) of which are to be used as project-based vouchers at the Crescent Field Condominiums, permanent residences for victims of domestic violence, three (3) of which are to be used as project-based vouchers at the Louis Garfield House, a transitional living facility for victims of domestic violence, and five (5) of which are to be used as project-based vouchers at the 90 Christina Street Young Parents Program, are made available as set-a-side for families Victimized by Domestic Violence. The remaining vouchers are used as mobility vouchers.

Although the initial set-a-side was for 20 vouchers, through the mobility of the Project-Based vouchers after the 1<sup>st</sup> year of use, many of the voucher-holders have moved on to other rental situations both in Newton and outside the City, as the availability of vouchers has occurred.

With respect to our owned and managed properties such as the Federal Public Housing program, and also to the Section 8 Voucher Program, NHA has had a longstanding policy regarding entitlement to an apartment in the event of divorce, legal separation, or restraining order pursuant to M.G.L., CHAPTER 209A. This policy clearly delineates the entitlement to a Unit under the auspices of the Newton Housing Authority or Certificate/Voucher pursuant to the Housing and Urban Development Section 8 Program, should divorce, legal separation, or restraining order pursuant to M.G.L., CHAPTER 209A occur.

The Newton Housing Authority continues to have an ongoing dialogue with the local VDV Shelter staff with respect to application, tenant selection and resident counseling.
