The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

ATTACHMENT A Section 603 of the Violence Against Women Act

When we brief tenants entering our program we include material and information about VAWA, confidentiality, and state and local laws. The SHA works closely with our local Police Department and State Representative in placing victims of domestic violence in our available programs. The SHA has worked with HUD Special Agents to place individuals in to the Section 8 program for purposes of witness protection. Additionally my email address is posted with shelters state wide so that residents of these shelters can request assistance. The following includes agencies the SHA works with:

Daybreak (Shelter) Worcester, MA
New Hope (Shelter) Oxford, MA Attleboro, MA
Central Mass Housing Alliance Worcester, MA

As we receive requests for assistance, especially in our Section 8 program, we process those applications, ensuring that the preference for victims of domestic violence is included in their application. The SHA participates in the Centralized Section 8 Waiting List, which ensures that our list is always open and clients have a greater change of receiving assistance.
