This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Violence Against Women Act – Danvers Housing Authority

The Danvers Housing Authority Adopted the Following Policy at its Regular Meeting on December 19, 2007. A copy of the Policy was mailed to all Family Tenants in February of 2008. The statement is included as part of our application for housing. The DHA has posters with hotline numbers and resources for victims on its common area bulletin boards and also makes this information available during our annual recertifications. The DHA has also set up a Community Watch group at our Family Development at Rand Circle with the local Police Department. The program has been very well received, the neighborhood has Community Watch signs and the occupants are reporting any suspicious activity to the Police and this office. We have quarterly meeting with the families and representatives of the Police Department.

Violence Against Women Act Policy

The Danvers Housing Authority will not tolerate any acts of Domestic Violence and will make every effort to ensure that victims of domestic violence, dating violence or stalking will not be denied access to housing.

No applicant for housing who has been a victim of domestic violence, dating violence or stalking shall be denied admission into the program if they are otherwise qualified.

Any incident or incidents of actual or threatened domestic violence, dating violence or stalking will not be considered a violation of the lease on the victim's part. Nor shall the victim's occupancy rights, tenancy or assistance be terminated as a result of violent acts or the threat of violent acts against them.

The DHA may terminate the assistance, occupancy rights and/or tenancy to remove a lawful occupant or tenant who engages in criminal or threatened acts of violence or stalking of family members or others without terminating the assistance, occupancy rights and/or tenancy of the victimized lawful occupants.

The DHA will honor court orders regarding the rights and access or control of the property and other orders issued to protect the victim and address the distribution of possession or property among household members where the family, "breaks up."

The DHA may evict for other good cause unrelated to the incident of domestic violence.

Any protections provided under the current law protecting the rights of victims of domestic violence superseded the policy of the DHA.

The DHA may require certification by the victim of victim status on an HUD approved form that will be provided to the victim by DHA staff.

Adopted December 2007.
