14. RESERVED FOR PET POLICY

[24 CFR Part 903.7 9 (n)]

PET POLICY

PURPOSE

Residents of Government Assisted Housing for the elderly and disabled may own common household pets, in compliance with Section 227 of the Housing and Urban-Rural Recovery Act of 1983. Additionally, in accordance with Section 504 of the The Rehabilitation Act of 1973, all communities including those designed for families may be required to make a reasonable accommodation for an assistive animal, see "Exclusion for Assistive Animals" in this policy.

DEFINITIONS

Common Household Pets:

The term "common household pet" means a domesticated animal, such as a dog, cat, bird, rodent (including a rabbit), fish or turtle, that is traditionally kept in the home for pleasure rather than for commercial purposes. Common household pet does not include reptiles (except turtles). If this

definition conflicts with any applicable state or local laws or regulations defining the pets that may be owned or kept in dwelling accommodations, the state or local laws or regulations must be applied.

Elderly Family:

Elderly family is as defined by the U.S. Department of Housing and Urban Development. Currently, that definition is that at least one member of the household will have been at least 62 years of age at the time the family initially took occupancy.

Community for the Elderly or Disabled:

This means any community assisted under the United States Housing Act of 1937, including any building within a mixed-use community that was designated for occupancy by the elderly or disabled at its inception. All elderly family buildings within a mixed-use community will conduct a vote of all elderly residents to determine if pets will be allowed. For further information on which communities may be eligible for pet ownership, please refer to 24 CFR Part 5.

PET OWNERSHIP

Management will allow for reasonable pet ownership. Ownership of pets requires pre-approval by Management, and execution of **Pet Addendum to the Lease Agreement**. Resident/Pet Owner is responsible for cleaning up any soil or mess created by the pet immediately. Resident/Pet Owner is also responsible for repairing any damage caused by the pet. Pets will not be allowed to disturb the health, safety, rights or quiet enjoyment of other residents. Resident/Pet Owner cannot allow the pet to create excessive noise, become a nuisance or otherwise annoy any residents or visitors to the building, community or surrounding neighborhood. Resident agrees to pay for any damages or injury to person or property, which is caused by the pet, or by the negligent supervision of the pet where imposed by state or local laws or regulations.

EXCLUSIONS

This policy does not apply to animals that are used to assist, support or provide service to persons with disabilities except as herein noted. Assistive animals are allowed in all communities with no restrictions other than those imposed on all residents and guests to maintain their apartments and associated common areas in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors and for licensing in accordance with City animal control regulations.

APPROVAL

Residents must have the prior approval of Management before moving a pet into their apartment. Residents must request approval in writing and pay a \$300.00 pet deposit. This deposit only applies to cats and dogs. The Pet Addendum must be fully executed and the pet deposit paid before Management will approve the request. In the event this causes a financial hardship for the residents, residents may make an initial minimum deposit of \$50.00 and pay the balance in gradual accumulative payments as low as \$10.00 per month until the full deposit of \$300.00 is reached. Residents must have an established record of good housekeeping practices and rent payments, including charges for services as a pre-condition of pet ownership. Management reserves the right to periodically inspect the apartment to insure proper housekeeping standards are maintained after a pet request has been approved.

TYPES AND NUMBERS OF PETS

Management will allow only one pet per apartment. All dogs and cats must be licensed by the City, neutered/spayed and inoculated as required by local and state law. Licenses must be attached to collars worn by pets at all times. Evidence of annual license renewal must be provided each year at the family's annual re-certification.

- A. Caged birds such as canaries, finches, and parakeets (no more than one cage per family, two birds per cage).
- B. Adult domestic household cats provided they have been spayed/neutered. Maximum one cat per family.
- C. Adult domestic household dogs not exceeding twenty-five (25) pounds and which are housebroken and spayed/neutered. Maximum of one dog per family. Breeds of dogs that have a reputation of being violent in nature (i.e. Pit Bull Terrier, Akita, Rottweiler and Doberman Pinscher) can be refused at Management's discretion.
- D. Guinea pigs, hamsters, gerbils, and rabbits in approved cages (maximum of one cage per family, one rabbit or two guinea pigs, gerbils or hamsters per cage).

REGISTRATION

All pets must be registered with Management prior to move-in and at each annual recertification. To register a pet, the owner **must** provide the following information:

- A. Proof of inoculation (Veterinarian's statement)
- B. Proof of current licensing
- C. Identification tags with owner's name, address, phone number, etc.
- D. Proof that pet is spayed/neutered
- E. Photograph of pet
- F. A guardian statement must be signed providing the names of at least two (2) persons willing to care for the pet in the Resident's absence and which bears the signature of those persons.

Management reserves the right to refuse a pet. If Management refuses to register a pet, Management will notify the resident and state the basis for this refusal which may be because of a violation of this policy or a state or local regulation governing pets.

INOCULATION/LICENSING

All pets must be properly inoculated in accordance with state and local law or ordinance. Proof of same must be maintained by resident and presented to Management at annual recertification. All pets must also bear current licensing at all times as required by state and local laws.

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's apartment and surrounding areas. The pet is to be restrained (muzzle and leash) when in public areas of the building. The pet must be accompanied by a person who is able to control the pet. Before acquiring a pet, the resident must have on file the Guardian Statement in the resident's file naming the person(s) accepting responsibility for the care of the pet in case of illness, incapacitation or absence of the resident. If the person(s) named on the statement is not available in a

situation described herein regarding the care of the pet, the pet will be removed by Management and all costs thereof shall be responsibility of the resident.

Three (3) substantiated complaints by neighbors or Management personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance or violation of this policy will result in the owner having to remove the pet. This shall include the interference of any pet with the proper and rightful conduct of Management/Maintenance staff in the prosecution of their duties and responsibilities when entering an apartment after proper notification or to respond to an emergency situation. Failure to comply with an order to remove a pet will be considered a lease violation.

DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash under a person's control at all times when outside (no outdoor cages, pens, coups, houses or runs may be constructed). Pets will be allowed only in designated areas on the grounds of the property. Animals may not be restrained to fences, posts, trees, balconies, etc. Dogs and cats will be allowed in common areas only for the purpose of entering and leaving the building and must be hand carried or in a pet carrier. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals, no pets shall be allowed in the community rooms, community room kitchen, laundry rooms, public restrooms, lobby, hallways, or management office.

MISCELLANEOUS RULES

Pets may not be left unattended in an apartment for over 24 hours. If the pet is left unattended and no arrangements are made for its care, Management will have the right to enter the premises and take the un-cared pet to be boarded at a local animal care facility at the total expense of the Resident.

Pet bedding shall not be washed in any common laundry facility.

Pets may not be bred or used for commercial purposes.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

If the pet causes harm to any person, the pet's owner shall be required to immediately and permanently remove the pet from the community. The pet owner may also be subject to termination of residency.

A pet owner that has violated any other condition of this policy may be required to remove the pet from the community within 10 days of written notice from Management. The pet owner may be subject to termination of the dwelling lease.

The Grievance Procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

VISITING PETS

No visiting pets shall be permitted at the community. Pet sitting is prohibited.

REMOVAL OF PETS

Management shall require the removal of any pet from a community if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the community, employees of the community or of other persons in the community.

In the event of a resident's death or incapacity (i.e. hospital stay, confinement to a nursing home, etc.), the pet must be removed from the apartment within twenty-four (24) hours. If it becomes necessary for Management to remove the pet from the premises, it will be accomplished by contacting the appropriate person/agency in the order listed below. A reasonable attempt will be made to make contact at each level. However, in those cases when the safety and well being of the pet, the pet owner, or other residents of the community is jeopardized, the first course of action will be to call the Humane Society or Animal Control officer with jurisdiction over the community.

The order of contact will be as follows:

1. Pet Owner;
2. Persons named on guardian statement;
3. Humane Society or Animal Control.

At no time will Management take control of or take responsibility for the pet.

EXCLUSION FOR ASSISTIVE ANIMALS

Management may not enforce certain requirements of the Pet Policy based on the nature of the assistive animal. The Fair Housing Officer may determine that the pet Security Deposit and fees be waived. However, this does not prohibit Management to enforce state and local laws if they apply.

- A. An assistive animal exclusion applies to animals that reside in the community and to those that assist visitors to the community.
- B. Management will require residents to qualify for this exclusion by certifying to the following:
 1. The resident or a member of his/her family is disabled;
 2. The animal has been trained to assist persons with that specific disability; and

The HIGH priority outcomes for PY 2005-2009 follow:

Affordable Housing - based on the data presented, the following conclusions can be drawn regarding affordable housing in the Urban County:

- 26% of persons are low income, and many live in housing that is overcrowded or substandard
- The majority of housing stock is single-family and 30% all owners pay more than 30% of their income on housing
- 44% of total housing units were built before 1970 and many units need rehabilitation
- Home ownership is out of reach for a sizeable portion of the population
- Much of the housing need for low-income owners and renters is in Berkley, Clawson, Ferndale, Hazel Park, Madison Heights, Oak Park, and Royal Oak Township
- Oakland County's rents are substantially higher than those in surrounding counties and 42% of all renters pay more than 30% of their income on housing
- Production of new affordable rental housing is difficult due to high land costs and opportunities for developers to produce more profitable market rate projects
