ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Sault Ste. Marie Housing Commission has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Sault Ste. Marie Housing Commission:

The Sault Ste. Marie Housing Commission is committed to providing quality, affordable housing and related services in an efficient and creative manner.

We have also adopted the following goals and objectives for this five year period.

Goal One: Manage the Sault Ste. Marie Housing Commission's existing public housing program in an efficient and effective manner thereby qualifying as at least a standard performer.

Objectives:

1. HUD shall continue to recognize the Sault Ste. Marie Housing Commission as a high performer. **Status:** We remained a high performer for fiscal year ending March 31, 2006.
2. The Sault Ste. Marie Housing Commission will collect \$3,000 per year from vacated accounts for a total of \$15,000 by March 31, 2009. **Status:** At March 31, 2006 (year 2) the Housing Commission collected \$26,984.33.
3. The Sault Ste. Marie Housing Commission will sustain work order completion time to an average of 5 days through March 31, 2009. **Status:** Fiscal year ending March 31, 2006 reflected an average of 1.7 days. This demonstrates a high level of customer service to our Tenants and a commitment to maintaining the physical properties to a high standard.
4. The Sault Ste. Marie Housing Commission will decrease and sustain vacated unit turnaround to an average of 9 days by March 31, 2009. **Status:** We were not successful meeting this goal as of March 31, 2006. The average turnaround time was 17.48 days. We will continue to work towards this goal as it has a financial impact on the Housing Commission.

Goal Two: Expand the range and quality of housing choices available to participants in the Sault Ste. Marie Housing Commission's tenant-based program.

Objectives:

1. The Sault Ste. Marie Housing Commission shall achieve and sustain a utilization rate of 96% by March 31, 2009 in its tenant-based program. **Status:** At March 31, 2005 the Housing Commission reached this goal with a utilization rate of 96%, qualifying as a high performer in SEMAP. At March 31, 2006, our utilization rate dropped to 86.67%, qualifying as a standard performer in SEMAP.
2. The Sault Ste. Marie Housing Commission shall attract 5 new landlords who want to participate in the program by March 31, 2009. **Status:** At March 31, 2006 an additional 3 new landlords were on board, for a total of 6 new landlords this Five Year Plan cycle.
3. The Sault Ste. Marie Housing Commission shall increase marketing efforts for the tenant-based program. **Status:** There has been advertising on radio stations, program brochures have been updated and distributed throughout the community, and the Housing Commission has created a web page and brought it live. In addition, the Housing Commission advertised in a new senior service book that outlines various agencies available to assist them.

Goal Three: The Sault Ste. Marie Housing Commission shall improve customer service.

Objectives:

1. The Sault Ste. Marie Housing Commission maintenance employees will leave a maintenance survey card with the tenant when maintenance is performed. **Status:** Maintenance employees are leaving the survey card, but few are returned. We believe that is because residents are satisfied with the quality and time frame for maintenance.
2. The Sault Ste. Marie Housing Commission shall initiate and sustain personalized marketing techniques. **Status:** New Tenants are provided a pocketed folder for their copy of the dwelling lease and other documents which includes a business card for the Occupancy Specialist performing the lease-up. In addition, a welcome card is mailed a week after lease-up welcoming the new resident to our rental community. Once a resident complies with annual recertification requirements, a card is mailed thanking them for continuing their tenancy with the Housing Commission.

We believe we have succeeded with our desire to provide a high level of customer service as reflected in the time for work order response. In addition, the prior PHA's Tenant Assessment Survey scores exceeded national percentages in every category.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- Capital improvements to preserve and improve our housing stock will continue.
- Marketing efforts will continue to include the Section 8 tenant-based program.
- Customer service efforts will continue to attain improved Tenant retention.
- Applicant screening will continue in an effort to maintain crime free sites.
- We will continue to encourage homeownership and refer Tenants appropriately for information and assistance.

In summary, we are on course to continue to improve affordable housing in SAULT STE. MARIE.

The Housing Commission has a vacant piece of property that the Sault School System would like to obtain since it is across from the Athletic Field and automobiles have been parking there for decades. It was purchased in the early 1960's for family housing, but there were not adequate funds to construct those unit(s). We tested the property when we were engaged in our 08 development program, but determined the soils were soft and it would be very expensive to prepare the soils. HUD did not approve the property for construction. Thus, the Board has determined it to be excess property and wish to

dispose of it. The City of Sault Ste. Marie has approved the sale of the property also. The property has been appraised. The environmental review has been approved by HUD. The online application has been completed and submitted on 10/07 waiting for approval.
