Primary housing needs identified in the 2005-09 Strategic Plan for low-income households include: (1) elderly housing for owners and renters, due in part to the significant increase in persons 65+ age; (2) small-related owner and renter households of 2-4 persons; (3) single person owners and renters; and (4) special needs housing.

Five-year goals to meet those needs include producing, assisting or rehabilitating affordable units through unit turnover for owners, first-time homebuyer and downpayment financing, new construction, and housing rehabilitation for both renter and owner occupied units. Community development needs include high priorities in the areas of property acquisition, clearance, disposition, relocation, site contamination cleanup, housing and commercial/industrial rehab, park/recreation facilities, water/sewer/street improvements, senior/youth services, and commercial/industrial infrastructure.

The CDA has identified initiatives for housing and community development within the Strategic Plan timeframe of 2005-09. These include: (1) developing a rental rehab program using a combination of HOME and other local funding sources; (2) initiating a Section 8 homeownership program; (3) expanding new rental construction for seniors and families based on market demand, land supply, and financing; (4) exploring need and opportunities for new

construction of owner-occupied multifamily units; and (5) assisting other private developers to include affordable housing within new owner/renter housing developments.

4. The Dakota County CDA has VAWA procedures in place and printed materials available to tenants on programs available at the CDA office designed to assist victims of domestic violence, per the Federal Register dated March 16 2007, and PIH Notices 2006-23 and 2006-42.

8. Capital Fund Program Five-Year Action Plan

Prior to the development of the 2008 Annual PHA Plan, residents and units of local government were asked in writing for their ideas on what physical and management improvements they would like the CDA to undertake.

A resident meeting was held at Colleen Loney Manor on Tuesday, February 5, 2008 and was attended by 23 residents. Tenants were informed that the CDA may use Capital Funds for building improvements.

On Thursday, February 14, 2008 an additional resident meeting was held at the CDA office. No residents attended that meeting and no comments or suggestions were submitted.

The Dakota County CDA Board of Commissioners will hold a public hearing on Tuesday, April 8, 2008.

All public housing residents received written notices of the above meetings and were invited to submit written comments or to call the Capital Funds Projects Coordinator with comments.
