The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

## **Violence Against Women Act (VAWA)**

As evidenced in its Administrative Plan, the Authority complies with the Violence Against Women Act as it may apply to its voucher program. More fully;

### Section XV – The Violence Against Women Act (VAWA)

The Violence Against Women Act protects qualified tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being denied admission and from being evicted or terminated from housing assistance based solely on acts of such violence against them.

#### Admission

A PHA, owner or landlord may not deny admissions to an applicant (male or female) who has been a victim of domestic violence, dating violence, or stalking, if the applicant otherwise qualifies for assistance or admission.

If the perpetrator is a member of the victim's household, the PHA will have the authority to require the individual to leave the household and still provide assistance to the remaining members of the household.

#### Termination

A PHA and owners are prohibited by VAWA from considering actual or threatened domestic violence, dating violence, or stalking as a cause for terminating the tenancy, occupancy, or program assistance of the victim. Specifically, this means that the PHA and owners may not construe such violence or stalking as a serious or repeated violation of the lease by the victim, as other good cause for terminating the tenancy or occupancy rights of the victim, or as criminal activity justifying the termination of the tenancy, occupancy rights, or program assistance of the victim.

If the perpetrator is a member of the victim's household, the PHA still has the authority to require the individual to leave the household as a condition of providing continued assistance to the remaining members of the family.

If a tenant is in good standing with the landlord and the PHA and the tenant/victim must relocate to protect the health and safety of the victim of domestic violence, dating violence or stalking they may move to another location even though they are breaking the lease when doing so. The victim must have a reasonable belief and proof that he or she is imminently threatened by harm from further violence if he or she remains in the present unit.

#### Certification of Abuse and Confidentiality

A PHA, owner, or manager may request an individual to certify that the individual is a victim of abuse and that the incidences of abuse are bona fide. The certification must be in a form acceptable to the PHA, must include the name of the perpetrator and any other statutorily required information, and the victim must provide the certification within 14 business days after the individual receives a request for such certification from the PHA, owner or manager.

Without the certification, a PHA, owner, or manager may deny or terminate assistance. All information provided to a PHA, owner or manager is confidential. Notice of these rights must be given to tenants. The victim may self-certify and the certification requirement may also be satisfied with documentation signed by an employee, agent or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking or the effects of the abuse in which the professional attests under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation. The

statue also allows for the certification requirement to be satisfied by producing a federal, state, tribal, territorial or local police or court record.

### Notification

The PHA must provide notice to tenants assisted under section 8 of the United States Housing Act of 1937 of their rights, and notice to owners and managers of their rights and obligations, under section 8 as amended by VAWA.

2. As evidenced in its Admissions and Continued Occupancy Plan (ACOP), the Housing Authority of St. Louis County complies with the Violence Against Women Act as it may apply to its Public and Assisted Housing. More fully;

#### Section XV – The Violence Against Women Act (VAWA)

Pursuant to the Violence Against Women Act (VAWA), the Housing Authority of St. Louis County (HASLC) has implemented the following policies. The purpose of these policies, consistent with the intent of VAWA, is to protect certain victims of criminal domestic violence, dating violence, sexual assault, or stalking – as well as members of the victims’ immediate families – from being denied occupancy, or losing their tenancy as a result of the abuse of which they were the victim.

1. HASLC shall not deny admission to, or continued occupancy of, the LIPH program to any applicant/tenant on the basis that the applicant/tenant is or has been a victim of domestic violence, dating violence, or stalking, if the applicant otherwise qualifies for admission, or continued occupancy.
2. An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking, that meet the requirements set forth in VAWA, will not be construed to be a serious or repeated violation(s) of the lease by the victim or threatened victim of that violence, and will not be good cause for terminating the tenancy or occupancy rights of the victim of such violence.
3. If a tenant or immediate member of the tenant’s family is a victim of domestic violence, dating violence, sexual assault, or stalking, perpetrated by a member of a tenant’s household, guest(s), or other person(s) under the tenant’s control, the aforementioned criminal activity shall not be cause for termination of tenancy or occupancy rights of the victim. However, HASLC may bifurcate the lease in order to evict, remove, or terminate tenancy to any tenant(s) or lawful occupant(s), who engage(s) in (a) criminal act(s) of violence against family members or others. If the leaseholder (head-of-household) refuses to cooperate with the Authority in removing an occupant from the household who is the perpetrator of acts of domestic violence, dating violence, sexual assault, or stalking, HASLC will terminate tenancy for the entire household.
4. HASLC will honor court orders addressing rights of access to or control of the property, distribution or possession of property among household members, and civil protection orders issued to protect the victim in cases where the family breaks up.
5. HASLC may evict a tenant for any violation of the lease not premised on an act or acts of violence against a tenant or a member of the tenant’s household. The standards utilized by the Authority in deciding whether to terminate a tenancy will not subject an individual who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking to a more demanding standard than other tenants.
6. HASLC may terminate the occupancy of any tenant or lawful occupant, if the tenant demonstrates an actual or imminent threat to other tenant(s) or employee(s).

7. HASLC will request an individual to certify/document, in a form acceptable to the Authority, that the individual is a victim of domestic violence, dating violence, sexual assault, or stalking and that the incident(s) in question are genuine incidents of actual or threatened abuse. The certification shall include the name of the perpetrator. The tenant shall provide the documentation/certification to the Authority within 14 business days of the request for certification/documentation.
8. Failure to provide requested certification in writing, within 14 business days of HASLC's request, may result in the Authority going forward with an eviction or termination of tenancy for any tenant or lawful occupant that commits violations of the lease. The 14 business day period may be extended at the discretion of the Authority. Inability to provide certification requirements will be reviewed on a case-by-case basis.
9. An individual may satisfy the certification/documentation requirement by:
  - a. providing HASLC with certification/documentation, in a form acceptable to the Authority, signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident(s) in question are actual incidents of abuse and the victim of domestic violence, dating violence, sexual assault, or stalking has signed or attested to the documentation, or
  - b. producing a Federal, State, police, or court record.
10. All information provided to HASLC pursuant to the certification/documentation, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking, shall be retained in confidence by the Authority and shall neither be entered into a shared data base nor provided to any related entity, except to the extent that disclosure is:
  - a. requested or consented to, in writing, by the individual,
  - b. required for use in an eviction proceeding of an abuser, perpetrator, or stalker, or
  - c. is otherwise required by applicable law.
