Troubled Agency Plan

ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

- (1) **Housing Needs:** Housing needs have been obtained from the Consolidated Plan of the City of Joplin, Missouri. The City's current Consolidated Plan is based upon 2000 Census data. The Consolidated Plan reflects that many new subsidized housing units have been constructed in recent years, which has impacted the PHA's waiting lists by decreasing the number of qualified applicants for general occupancy and elderly housing units.
- (2) **Financial Resources:** The Joplin PHA created strong operating reserves, and in future years the PHA will reduce the operating reserve for the following reasons:
 - a. The Authority's properties are aging, and the Authority expects to expend a substantial portion of its PHA Operating Reserve on improvements to its elderly high-rise and improvements to other properties.
 - b. The PHA anticipates producing low-moderate income housing opportunities by using its surplus Section 8 Admin Reserves. The PHA, Chamber of Commerce, and the City of Joplin were involved in the construction of 9 single-family residential dwelling units during FY 2004, which completed a 19 unit single-family residential homeownership program. The PHA will continue to propose additional single-family residential homeownership programs.
 - c. The operation of the PHA has required the budgeting of PHA reserves for the past several years. The necessary use of the operating reserves is consistent with the findings of the Harvard Study, which if implemented and fully funded, will substantially increase the PHA Operating Subsidy. Any recapture by the U.S. Department of HUD of the PHA Operating Reserves, without fully funding the Harvard Study, could substantially damage PHA operations and maintenance.
- (3) **Policies on Eligibility, Selection and Admissions:** The PHA has developed and updated the ACOP as part of the Five-Year Plan. The PHA will closely monitor occupancy levels and waiting lists, and may modify the ACOP to take advantage of new discretionary policies to attract new tenants and keep existing tenants. With the inception of the 5-Year Plan, the Authority established priorities for two groups of people with regard for waiting lists. Those two groups are 1) persons displaced by government action and 2) persons completing a transitional housing program. An additional priority was later established for persons who are terminally ill (defined as having 12 to 18 months of life expectancy), and then the Authority modified its Plan to provide additional priorities for persons with disabilities, persons over the age of 62, and

families with dependent children. The PHA has added a preference for working persons and families. Generally speaking, with the exception of the new mandated requirements, the PHA will continue to operate as it has for the past several years.

- (4) **Rent Determination Policies:** The PHA presently utilizes the FMR as its ceiling and flat rent. The PHA is evaluating the rents of thirty single family units located in the northeast sector of the city and may adopt rents in the future that are comparable to other homes in the neighborhood. This could result in a reduction in rent and create greater marketability of these properties. The PHA has approved child support payments as a legal deduction from gross income for Public Housing tenants (effective April 1, 2002).
- (5) **Operations and Management Policies:** The PHA has had some turnover of key staff in recent years, and in the short term may have an effect on the PHA's productivity. New staff is being phased into the management operation to meet the requirements of the QHWRA and to replace retired employees. While it's anticipated that the Authority's capabilities may possibly be diminished for a short period of time, the Authority will be sustained while new staff members receive training and gain experience.
- (6) **Grievance Procedures:** Grievance Procedures have been reviewed and adopted as part of the Five-Year Plan. No significant changes were required.
- (7) **Capital Improvement Needs:** The PHA has strong operating reserves and Section 8 Admin Reserves. The PHA anticipates utilizing these reserves to accomplish several of the tasks stated in the Five-Year Plan. It is anticipated that the Capital Fund and the Section 8 Admin Reserves will be available to expand the PHA's housing inventory and/or provide other housing opportunities to low-moderate income persons. The PHA has determined that its elderly high-rise building needs improvements to sufficiently compete with newly constructed tax-credit elderly projects. Substantial funds have been expended on this project during FYE 03-31-05, and additional funds are planned to be spent in FYE 03-31-06, FYE 03-31-07 and FYE 03-31-08.
- (8) **Demolition and Disposition:** The PHA does not anticipate the demolition or disposition of any of its current housing properties during the Five-Year Plan. The Authority has recently acquired property to demolish building and relocated one resident.
- (9) **Designation of Housing:** The PHA is encountering some difficulty in maintaining sufficient applications for elderly housing. The PHA is considering the designation of certain properties for elderly and disabled persons, but additional time is being taken to determine the cause of the slow down in applications by elderly and disabled persons. The recent construction of elderly tax credit projects may have impacted the Authority's ability to be competitive in leasing its older properties to the elderly. The Authority is in the process of substantial remodeling and extraordinary maintenance of its elderly high-rise, located adjacent to the downtown area. It is anticipated that this investment will ensure the stability of the occupancy level of the elderly high-rise.
- (10) **Conversion of Public Housing to Tenant-Based Assistance:** The PHA abandoned study of the benefits of converting Public Housing to Tenant Based Assistance during FYE 03-31-05 due to the Harvard Study.
- (11) **Homeownership Programs Administered by the PHA:** The PHA has partnered with the City of Joplin and the Joplin Area Chamber of Commerce to develop homeownership opportunities. The PHA has so far assisted six homebuyers through the Section 8 Homeownership Program and was a key partner in the development of a 19-home subdivision for LMI homebuyers. The PHA will continue to work with the City of Joplin, the Joplin Area Chamber of Commerce, and other agencies to develop homeownership opportunities.
- (12) **PHA Community Service and Self-Sufficiency Programs:** The PHA will provide the opportunity for tenants to meet their work requirements by working for the PHA and/or other Not-for-Profits (approved by the PHA) to satisfy the QHWRA work requirement. The PHA will encourage tenants to seek work opportunities from other Not-for-Profits if they so choose.

- (13) Safety and Crime Prevention Measures: The PHA has been fortunate in that it has had limited crime occurring on its properties. The PHA provides a security force to observe its properties from 5:00 p.m. to Midnight on a regular basis. The PHA has never received PHDEP funds. The most recent resident survey, along with subsequent meetings with tenants, indicates that security continues to be a most important need of residents of the Authority. A primary concern has been security lighting. Improved security lighting was constructed for the elderly high-rise (MO188-006) during the FYE 03-31-06. Previous to that, improved security lighting was constructed for project MO188-005. In FYE 3-31-08, security lighting has been provided in both the Parr Hill (MO 188-6) and Golden Oaks (MO 188-4) sites. The Authority anticipates continuing an evening, early morning, and weekend security force (part-time).
- (14) Pet Policy: The PHA has evaluated and rewritten its Pet Policy.
- (15) Civil Rights Certifications: Completed
- (16) Fiscal Audit: The completed audit for FYE 03/31/2006 reflected no financial nor federal award findings.
- (17) PHA Asset Management: Exempted
- (18) Other Information: Minutes of the Meetings regarding the Five-Year Plan are available at the Main Administrative Office of the PHA.

Progress in meeting the 5-Year Plan Mission and Goals**

The PHA has been able to maintain its mission to seek diversified, safe, decent and affordable housing, for low and moderate income families through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS and SEMAP scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our properties and our FY 2008 application will continue that effort.

PHA has implemented local preferences to improve the living environment by deconcentration, promoting income mixing, and improving security throughout our developments.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2008.

Attachment I: Implementation of Public Housing Resident Community Service Requirement

The Housing Authority of the City of Joplin's policy is designed to identify which adult family members are subject to or exempt from the service requirements; to explain how the PHA will administer its program; to identify PHA and/or third party certification opportunities available to eligible adult family members; and to assure resident compliance with identified work activities with fair and equitable actions.

A. PHA Responsibilities

(1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the guidelines of 24CFR, Part 960.6.

- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(2) Work Activity Opportunities

The Housing Authority of the City of Joplin has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

Violence Against Women Act (VAWA) Policy

Title VI of the VAWA adds a new housing provision that establishes several categories of protected individuals. Under the law victims of domestic violence, dating violence, sexual assault, and stalking are granted protections and cannot be denied or terminated from housing or housing assistance because of activity that is directly related to domestic violence. 2005 VAWA Pub. L. 109-162; Stat. 2960 signed into law on January 5, 2006 and codified at 42 U.S.C. §1437d(l) and 1435f(d), (0) & 1 and (u)

1.0 Purpose

The purpose of this Policy is to reduce domestic violence, dating violence, and stalking and to prevent homelessness by:

- (a) protecting the safety of victims;
- (b) creating long-term housing solutions for victims;
- (c) building collaborations among victim service providers; and
- (d) assisting PHA to respond appropriately to the violence while maintaining a safe environment for PHA, employees, tenants, applicants, Section 8 participants, program participants and others.

The policy will assist the Housing Authority of the City of Joplin (PHA) in providing rights under the Violence Against Women Act to its applicants, public housing residents, Section 8 participants and other program participants.

This Policy is incorporated into PHA's "Admission and Continued Occupancy Policy" and "Section 8 Administration Plan" and applies to all PHA housing programs.

2.0 Definitions

The definitions in this Section apply only to this Policy.

- 2.1 **Confidentiality:** Means that PHA will not enter information provided to PHA by a victim alleging domestic violence into a shared database or provide this information to any related entity except as stated in 3.4
- 2.2 **Dating Violence:** Violence committed by a person (a) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (b) where the existence of such relationship shall be determined based on a consideration of the following factors: (i) the length of the relationship; (ii) the type of relationship; (iii) the frequency of interaction between the persons involved in the relationship. 42 U.S.C. §1437d (u)(3)(A), § 13925.

- 2.3 Domestic Violence:** Felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, committed by a person with whom the victim shares a child in common, committed by a person who is cohabitating with or has cohabitated with the victim as a spouse, committed by a person similarly situated to a spouse of the victim under the domestic or family violence laws of Missouri, or committed by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of Missouri. 42 U.S.C. §1437d(u)(3)(B), § 13925.
- 2.4 Immediate Family Member:** A spouse, parent, brother or sister, or child of a victim or an individual to whom the victim stands *in loco parentis*; or any other person living in the household of the victim and related to the victim by blood or marriage. 42 U.S.C. § 1437d(u)(3)(D), § 13925.
- 2.5 Perpetrator:** A person who commits an act of domestic violence, dating domestic violence or stalking against a victim.

- 2.7 Bona Fide Claim:** A *bonafide* claim of domestic violence, dating violence or stalking must include incidents that meet the terms and conditions in the above definitions.
- 2.8 Victim:** Is a person who is the victim of domestic violence, dating violence, or stalking under this Policy and who has timely and completely completed the certification under 3.2 and 3.3 or as requested by PHA.

3.0 Certification and Confidentiality

3.1 Failure to Provide Certification Under 3.2 and 3.3

The person claiming protection under VAWA shall provide complete and accurate certifications to PHA, owner or manager within 14 business days after the party requests in writing that the person completes the certifications. If the person does not provide a complete and accurate certification within the 14 business days, PHA, owner or manager may take action to deny or terminate participation or tenancy. 42 U.S.C. §14371 (5) & (6); 42 U.S.C. § 1437F(c)(9); 42 U.S.C. §1437f(d)(l)(B)(ii)&(iii); 42 U.S.C. §1437f(o)(7)(C)&(D); or 42 U.S.C. §1437f(o)(20) or for other good cause.

3.2 HUD Approved Certification

For each incident that a person is claiming as abuse, the person shall certify to PHA, owner or manager their victim status by completing a HUD approved certification form. The person shall certify the date, time and description of the incidents, that the incidents are *bonafide* incidents of actual or threatened abuses and meet the requirements of VAWA and this Policy. The person shall provide information to identify the perpetrator including but not limited to the name and, if known, all alias names, date of birth, address, contact information such as postal, e-mail or internet address, telephone or facsimile number or other identification.

3.3 Confirmation of Certification

A person who is claiming victim status shall provide to PHA, an owner or manager: (a) documentation signed by the victim and an employee, agent or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence or stalking or the effects of the abuse, in which the professional attests under penalty of perjury (28 U.S.C. §1746) the professional's belief that the incident(s) in question are *bonafide* incidents of abuse; or (b) a federal, state, tribal, territorial, local police or court record.

3.4 Confidentiality

PHA, the owner and managers shall keep all information provided to PHA under this Section confidential. PHA, owner and manager shall not enter the information into a shared database or provide to any related entity except to the extent that:

- (a) the victim request or consents to the disclosure in writing;
- (b) the disclosure is required for:
 - (i) eviction from public housing under 42 U.S.C. §1437 l(5)&(6)(See Section 4 in this Policy)
 - (ii) termination of Section 8 assistance under 42 U.S.C. §1437f(c)(9); 42 U.S.C. §1437f(d)(l)(B)(ii)&(iii); 42 U.S.C. §1437f (o)(7)(C)&(D); or 42 U.S.C. §1437f(o)(20)(See Section 4 in this Policy); or (c) the disclosure is required by applicable law.

4.0 Appropriate Basis for Denial of Admission, Assistance or Tenancy

- 4.1 PHA shall not deny participation or admission to a program on the basis of a person's abuse status, if the person otherwise qualifies for admission of assistance.
- 4.2 An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be a serious or repeated violation of the lease by the victim and shall not be good cause for denying to a victim admission to a program, terminating Section 8 assistance or occupancy rights, or evicting a tenant.

- 4.3 Criminal activity directly related to domestic violence, dating violence, or stalking engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim of that domestic violence, dating violence or stalking.
- 4.4 Notwithstanding Sections 4.1, 4.2, and 4.2, PHA, an owner or manager may bifurcate a lease to evict, remove or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others without evicting, removing, terminating assistance to or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. 42 U.S.C. §1437d(l)(6)(B)
- 4.5 Nothing in Sections 4.1, 4.2, and 4.3 shall limit the authority of PHA, an owner or manager, when notified, to honor court orders addressing rights of access to or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members when the family breaks up.
- 4.6 Nothing in Sections 4.1, 4.2, and 4.3 limits PHA, an owner or manager's authority to evict or terminate assistance to any tenant for any violation of lease not premised on the act or acts of violence against the tenant or a member of the tenant's household. However PHA, owner or manager may not hold a victim to a more demanding standard.
- 4.7 Nothing in Sections 4.1, 4.2, and 4.3 limits PHA, an owner or manager's authority to evict or terminate assistance, or deny admission to a program if the PHA, owner or manager can show an actual and imminent threat to other tenants, neighbors, guests, their employees, persons providing service to the property or others if the tenant family is not evicted or terminated from assistance or denied admission.
- 4.8 Nothing in Sections 4.1, 4.2, or 4.3 limits PHA, an owner or manager's authority to deny admission, terminate assistance or evict a person who engages in criminal acts including but not limited to acts of physical violence or stalking against family members or others.
- 4.9 A Section 8 recipient who moves out of an assisted dwelling unit to protect their health or safety and who: (a) is a victim under this Policy; (b) reasonably believes he or she was imminently threatened by harm from further violence if he or she remains in the unit; and (c) has complied with all other obligations of the Section 8 program may receive a voucher and move to another Section 8 jurisdiction.

5.0 Actions Against a Perpetrator

The PHA may evict, terminate assistance, deny admission to a program or trespass a perpetrator from its property under this Policy. The victim shall take action to control or prevent the domestic violence, dating violence, or stalking. The action may include but is not limited to: (a) obtaining and enforcing a restraining or no contact order or order for protection against the perpetrator; (b) obtaining and enforcing a trespass against the perpetrator; (c) enforcing PHA or law enforcement's trespass of the perpetrator; (d) preventing the delivery of the perpetrator's mail to the victim's unit; (e) providing identifying information listed in 3.2; and (f) other reasonable measures.

6.0 PHA Right to Terminate Housing and Housing Assistance Under this Policy

6.1 Nothing in this Policy will restrict the PHA, owner or manager's right to terminate tenancy for lease violations by a resident who claims VAWA as a defense if it is determined by the PHA, owner or manager that such a claim is false.

6.2 Nothing in this Policy will restrict the PHA right to terminate tenancy if the victim tenant (a) allows a perpetrator to violate a court order relating to the act or acts of violence; or (b) if the victim tenant allows a perpetrator who has been barred from PHA property to come onto PHA property including but not limited to the victim's unit or any other area under their control; or (c) if the victim tenant fails to cooperate with an established safety strategy as designed by a local victim support service provider (see 7.2).

6.3 Nothing in this Policy will restrict the PHA right to terminate housing and housing assistance if the victim tenant who claims as a defense to an eviction or termination action relating to domestic violence has engaged in fraud and abuse against a federal housing program; especially where such fraud and abuse can be shown to have existed before the claim of domestic violence was made. Such fraud and abuse includes but is not limited to unreported income and ongoing boarders and lodgers violations, or damage to property.

7.0 Statements of Responsibility of Tenant Victim, the PHA to the Victim, and to the Larger Community.

7.1 A tenant victim has no less duty and responsibility under the lease to meet and comply with the terms of the lease than any other tenant not making such a claim. Ultimately all tenants must be able to take personal responsibility for themselves and exercise control over their households in order to continue their housing and housing assistance. The PHA will continue to issue lease violation notices to all residents who violate the lease including those who claim a defense of domestic violence.

7.2 PHA recognizes the pathologic dynamic and cycle of domestic violence and a victim of domestic violence will be referred to local victim support service providers to help victims break the cycle of domestic violence through counseling, referral and development of a safety strategy.

- 7.3 A tenant victim must take personal responsibility for exercising control over their household by accepting assistance and complying with the safety strategy or plan to best of victim's ability and reason under the circumstances. Failure to do this may be seen as other good cause.
- 7.4 All damages including lock changes will be the responsibility of the tenant victim. This is in keeping with other agency policies governing tenant caused damages.

8.0 Notice to Applicants, Participants, Tenants and Section 8 Managers and Owners.

PHA shall provide notice to applicants, participants, tenants, managers and owners of their rights and obligations under Section 3.4 Confidentiality and Section 4.0 Appropriate Basis for Denial of Admission, Assistance or Tenancy.

- 8.1 If the PHA, owner or manager knows that an applicant to or participant in a PHA housing program is the victim of dating violence, domestic violence or stalking, the PHA, owner or manager shall inform that person of this Policy and the person's rights under it.

9.0 Reporting Requirements

PHA shall include in its 5-year plan a statement of goals, objectives, policies or programs that will serve the needs of victims. PHA shall also include a description of activities, services or programs provided or offered either directly or in partnership with other service providers to victims, to help victims obtain or maintain housing or to prevent the abuse or to enhance the safety of victims.

10.0 Conflict and Scope

This Policy does not enlarge PHA's duty under any law, regulation or ordinance. If this Policy conflicts with the applicable law, regulation or ordinance, the law, regulation or ordinance shall control. If this Policy conflicts with another PHA policy such as its Statement of Policies or Section 8 Administration Plan, this Policy will control.

11.0 Amendment

The Board of Commissioners may amend this policy when it is reasonably necessary to effectuate the Policy's intent, purpose or interpretation. The proposed amendment along with the rationale for the amendment shall be submitted to the Board of Commissioners for consideration. Where reasonably necessary, the Board of Commissioners may approve the amendment. The amendment shall be effective and incorporated on the date that the Board of Commissioners signs the amendment.
