(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. A. Substantial Deviation from the 5-year Plan:

The Housing Authority does recognize the need for public notification for items contained within the 5-Year and Annual Plans. This authority shall make proper notification for any Substantial Deviations from these plans as required under law. The exception to this definition is if the change has been made to meet regulatory compliance with The U.S. Department of Housing and Urban Development requirements. Substantial deviation or Significant amendment or Modification shall mean those of the mission statement, goals and objective, capital fund program or changes in significant expenditures. And changes in statutory requirement for administration of Public Housing requiring public comment and/or public hearing.

B. Significant Amendment or Modification to the Annual Plan

A Significant Amendment or Modification to the Annual Plan shall be construed to mean the following:

A contract with a Strategic Planner was signed on April 21, 2008

The Natchez Housing Authority plans to procure the services of a strategic planning consultant to:

Identify developments and replacement housing options

Identify/select buildings PHA wide that are no longer viable or feasible to retain in inventory and develop demolition strategy

Prepare financial strategy to work in conjunction with the strategic plan

Prepare strategy for renovation to designated building determined to have long term viability

Explore and make recommendations as to the feasibility of conversion of public housing units to Section 8 vouchers

Explore and make recommendations as to the feasibility of conversion of public housing units to homeownership

Explore possibility of working with the State Department of Agriculture to secure a grant for replacement housing

This housing authority may not concentration very low-income families, or those with relatively low incomes, in public housing units in certain projects or certain buildings within projects. There must, however remain at least forty percent (40%) of the families who are at or below thirty percent (30%) of the median area income. The Natchez Housing Authority must review the income and occupancy characteristics of the housing projects and the buildings of each project to ensure that a low-income concentration does not occur.

DECONCENTRATION:

It shall be the sole and exclusive right of the Natchez Housing Authority to move families from one dwelling unit to another as necessary or as vacancies warrant to reduce a concentration of a particular income level of families into any one building or complex. In contrast, the Natchez Housing Authority will also make every effort and attempt to maintain a consistent dwelling unit for every family and will only make moves necessary if there is no other alternative as determined by the Natchez Housing Authority.

This policy becomes effective immediately upon adoption by the Board of Commissioners of the Housing Authority of the City of Natchez, Mississippi.

 “INITIAL ASSESSMENT”
 VOLUNTARY CONVERSION OF DEVELOPMENT FROM PUBLIC
 HOUSING STOCK**

Component 10 (B) Voluntary Conversion Initial Assessments

- a. How many of the PHA’s developments are subject to the Required Initial Assessments? 4
- b. How many of the PHA’s developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)? 80 Elderly units (scattered sites)
- c. How many Assessments were conducted for the PHA’s covered developments? 1
- d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments:

Development Name	Number of Units
NONE	

- e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments. Completed

This is to certify that The Housing Authority of the City of Natchez, Mississippi has reviewed each development operating as public housing; considered the implications of converting the public housing to tenant-based assistance ; and concluded that conversion may be inappropriate because removal of the developments would not meet the necessary conditions for voluntary conversion.

That the initial assessment indicated that 1) cost would be a factor; 2) the ability to occupy the developments; 3) cost and/ or workability of vouchers in the community and 4) other relevant factors that voluntary conversion may be inappropriate.

THEREFORE, the Housing Authority has determined that our developments are not appropriate for conversion based on the following reasons:

1. Conversion **would be** more expensive than continuing to operate the developments (or a portion of it) as public housing;
2. Conversion **would not** principally benefit residents of the public housing development to be converted and the community; and
3. Conversion **would** adversely affect the availability of affordable housing in the community.

NATCHEZ HOUSING AUTHORITY POLICY ON VIOLATION AGAINST WOMEN (VAWA) AND JUSTICE DEPARTMENT REAUTHORIZATION ACT OF 2005

The VAWA prohibits the Natchez Housing Authority (NHA) to evict or remove assistance from certain persons (including members of the victim's immediate family) living in the NHA developments if the asserted grounds for such action is an instance of domestic violence, dating violence, sexual assault, or stalking, as described in Section 3 of the U.S. Housing Act of 1937, and amended by the Violence Against Women Reauthorization Act (VAWA) of 2005.

The NHA will accept certification from alleged victims in verifying this claim by a NHA resident.

The VAWA provides "criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate family member of the tenant's family is the victim or threatened victim of that abuse." VAWA further provides that incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed either as serious or repeated violations of the lease by the victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence.

VAWA does not limit the NHA's authority to terminate the tenancy of any tenant if the NHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property.

When a tenant family is facing lease termination because of the actions of a tenant, household member, guest, or other person under the tenant's control and a tenant or immediate family member of the tenant's family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the NHA will require the individual to submit documentation affirming that claim.

The documentation must include two elements:

- A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking.
- One of the following:
 - A police or court record documenting the actual or threatened abuse

- A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification and supporting documentation must be submitted to the NHA within fourteen (14) business days after the individual claiming victim status receives a request for such certification. The NHA, owner or manager will be aware that the delivery of the certification form to the tenant in response to an incident via mail may place the victim at risk, e.g., the abuser may monitor the mail. The NHA may require that the tenant come into the office to pick up the certification form and will work with tenants to make delivery arrangements that do not place the tenant at risk. This 14-day deadline may be extended at the NHA's discretion. If the individual does not provide the required certification and supporting documentation within fourteen (14) business days, or the approved extension period, the NHA may proceed with assistance termination.

The NHA also reserves the right to waive these victim verification requirements and accept only a self-certification from the victim if the NHA deems the victim's life to be in imminent danger.

In extreme circumstances when the NHA can demonstrate an actual and imminent threat to other participants or those employed at or providing service to the property if the participant's (including the victim's) tenancy is not terminated, the NHA will bypass the standard process and proceed with the immediate termination of the family's assistance.

The NHA will request that a victim of the domestic violence described in this policy to provide evidence or certify to the NHA that the incident or incidents of abuse are bona fide

All information provided to the NHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

The NHA's five-year and Annual Plan contains information regarding any goals, activities, objectives, policies, or programs of the NHA that are intended to support assist victims of domestic violence described above.
