This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

STATEMENT OF ANY HOMEOWNERSHIP PROGRAM ADMINISTERED BY ROCKY MOUNT HOUSING AUTHORITY

This statement describes steps taken by Rocky Mount Housing Authority (RMHA) to address its homeownership programs.

RMHA continue efforts to create additional multi-family public housing units and Elderly housing.

In the past, RMHA purchased a 3 bedroom single family home under the 203 (k) program and sold it within a four month period. There has not been any attempt to acquire additional 203 (k) units however, cities are given first choice to acquire these homes.

In 1997 RMHA formed a non-profit 501 C (3) named "South Eastern North Carolina Community Development Corporation (SENCCDC)". The primary goal of this corporation is to (1) create affordable housing units and (2) help residents in creating business. SENCCDC is working with the town of Nashville, N.C. to help them create affordable housing. RMHA anticipates building and selling homes in the Nashville area over the next three years. This is a partnership between the U.S. Department of Agriculture, Southern Bank and Department of Commerce and SENCCDC using Home funds. To locate land to build the homes are ongoing.

Several homeownership workshops have been conducted by RMHA and SENCCDC over the past eight (8) years. Since FY 2001 RMHA continues to conduct Homebuyers educational workshops.

RMHA is replacing forty-eight (48) units that were demolished with single family homes. Our intent is to sale all 48 of the homes under the 5H Program to qualified families. To date twenty (20) homes have been sold.

Section 8 Homeownership has been established. Other Homeownership Programs to be established: Rural USDA Housing; Tax Credits; Mix Income, Obtain Home Funds, Issuing Bonds and Migrant Housing. RMHA received a Fannie Mae loan under the Modernization Express Program to replace some of the 64 apartments that are off-line due to the 1999 Flood. HUD approved of the said loan.

RMHA will be working with the City of Rocky Mount and a local non-profit to create affordable housing. In addition, RMHA received a grant from N.C. Housing Finance to build some housing units for the disable.

As required by HUD, RMHA has established a Project Base Accounting and a Project Base Management system. RMHA begun the required Project Base Management and Project Base Accounting System January 1, 2007. The Asset Management Program involved staff reorganization and staff layoff. RMHA may use Force Account Labor under the Capital Fund Program throughout the year.

RMHA will continue to explore every reasonable means to create homeownership opportunities for Residents.

3. Capacity of the PHA to Administer a Section 8 Homeownership Program:

The PHA has demonstrated its capacity to administer the program by (select all that apply):

- Establishing a minimum homeowner downpayment requirement of at least 3 percent of purchase price and requiring that at least 1 percent of the purchase price comes from the family's resources.
- Requiring that financing for purchase of a home under its Section 8 homeownership will be provided, insured or guaranteed by the state or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standards.
- Partnering with a qualified agency or agencies to administer the program (list name(s) and years of experience below):
- Demonstrating that it has other relevant experience (list experience below):
RMHA has a 5H Homeownership Program that has been in operation since 2001.

4. Use of the Project-Based Voucher Program

Intent to Use Project-Based Assistance

Yes No: Does the PHA plan to "project-base" any tenant-based Section 8 vouchers in the coming year? If the answer is "no," go to the next component. If yes, answer the following questions.

1. Yes No: Are there circumstances indicating that the project basing of the units, rather than tenant-basing of the same amount of assistance is an appropriate option? If yes, check which circumstances apply:

- other (describe below:) **People with disabilities, elderly, and others.**

2. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts): **To Be Determined**

- **Explore the possibilities of Residents paying for all of their own utilities**
- **Establish partnership with NCHFA, City of Rocky Mount and others to develop affordable housing.**

Unfortunately RMHA has not finished its 1999 Flood Recovery due to a lack of HUD Emergency Disaster Funding. HUD Washington denied our last application for Emergency Disaster Funds. RMHA plans to acquire more land to develop more affordable housing.

The overall plan for the Conventional/Public Housing is designed to achieve five major goals:

- 1. To maintain maximum operational effectiveness.**
- 2. To provide decent, safe, and sanitary housing for eligible participants.**
- 3. To increase the level of public awareness of the need for affordable**

housing.

- 4. To promote self-sufficiency among residents through education and employment.**
- 5. To continue the placement of families (from waiting list) in accordance with RMHA' Flood Recovery Plan as rebuilding or unit replacement occur.**

Rocky Mount Housing Authority “Definition of Substantial Deviation” and “Significant Amendment or Modification” [903.7(r)]:

The Rocky Mount Housing Authority (RMHA) definition to meet the requirement of final rule 903.7(r) and PIH 99-51, pertaining to “Substantial Deviation” and “Significant Amendment or Modification” is as follows:

1. Any changes to rent or admissions policies or other policies including organization of the waiting list.
2. Any significant change in use of funds under the Capital Fund Program.
3. Any change significant with regard to demolition or disposition, designation, homeownership programs or conversion activities.
4. Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five-Year and Annual Plan that cause changes in the services provided to Residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans. An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements offered by HUD.

Rocky Mount Housing Authority Progress Report - FY 2008

903.7a **Housing Needs – Borrowed monies from Fannie Mae to replace 64 flood-damaged units under the Modernization Express Program. HUD approved the Fannie Mae loan. RMHA acquired a Fannie Mae Loan in the amount of 4 million.**

Rocky Mount Housing Authority partnership with the City of Rocky Mount to assist them in housing families displaced by the city’s revitalization efforts in targeted communities. RMHA received \$68,000 from the City of Rocky Mount to build public housing units.

RMHA plans to assist other agencies and support families that are victims of domestic violence, dating/sexual assault and stalking.

903.7b **Change made to M.S. Hayworth New Construction for the Elderly and/or Disabled Rental Collection Policy. The “returned check charged” was changed to “bank charge.”**

Change made to Grievance Procedure Policy. There were no changes to the Grievance Procedure’s text. The only change were to add a number 10 to include The Department of Housing and Urban Development (HUD) as a contact agency as recommended by North Carolina Quadel (NCQ).

RMHA plans to revise it’s ACOP to give preference to those families involved in the partnership between RMHA and the city’s revitalization project.

Change RMHA Section 8 Administrative Plan and ACOP to give preference to families living in communities targeted for revitalization by the City of Rocky Mount.

ADMINISTRATIVE PLAN

SECTION XXIII. SECTION 8 HOMEOWNERSHIP PROGRAM

1. **GENERAL PROVISIONS:**

The Section 8 Homeownership Program of the Rocky Mount Housing Authority ("RMHA") permits eligible participants in the Section 8 Housing Choice Voucher Program, including participants with portable vouchers, the option of purchasing a home with their Section 8 assistance rather than renting. The **home-ownership option is limited to ten percent (10%) of the total Section 8 Voucher Program administered by RMHA in a calendar year. Board approval will be required to exceed the ten percent (10%) or time frame.**

Eligible applicants for the Section 8 Home-Ownership Program must have completed an initial Section 8 lease term, may not owe RMHA or any other Housing Authority an outstanding debt, and must meet the eligibility criteria set forth herein.

Section 8 homeownership assistance may be used to purchase the following type of homes within the City of Rocky Mount: new or existing single-family houses, new single family housing condominiums, planned use developments, or lofts. The families who are purchasing property owned by RMHA or non-profit affiliates will get first priority to purchase homes. Other priorities are listed herein.

2. **FAMILY ELIGIBILITY REQUIREMENTS:**

Participation in the Section 8 Homeownership Program is voluntary. Each Section 8 Homeownership Participant must meet the general requirements for admission to the Section 8 Housing Choice Voucher Program as set forth in RMHA's Administrative Plan. Such Section 8 family also must be "eligible" to participate in the Homeownership Program. The additional eligibility requirements for participation in RMHA's Section 8 Homeownership Program include that the family must: (A) be a first-time homeowner or have a member who is a person with disabilities; (B) with the exception of elderly and disabled households, meet a minimum income requirement without counting income from "welfare assistance" sources; (C) with the exception of elderly and disabled households, meet the requisite employment criteria; (D) have completed an initial lease term in the Section 8 Housing Choice Voucher Program; (E) have fully repaid any outstanding debt owed to RMHA or any other Housing Authority; (F) not defaulted on a mortgage securing debt to purchase a home under the homeownership option; and (G) not have any member who has a present ownership interest in a residence at the commencement of homeownership assistance.

A. **FIRST TIME HOMEOWNER:**

Each Section 8 family, except families with a disabled member, must be a first-time homeowner. A "first-time

homeowner" means that no member of the household has had an ownership interest in any residence during the three years preceding commencement of homeownership assistance. However, a single parent or displaced homemaker who, while married, owned a home with a spouse (or resided in a home owned by a spouse) is considered a "first-time homeowner" for purposes of the Section 8 homeownership option; and the right to purchase title to a residence under a lease-purchase agreement is not considered an "ownership interest."

Note: A member of a cooperative (as defined in § 982.4) also qualifies as a "first time homeowner".

B. MINIMUM INCOME REQUIREMENT:

(1) Amount of Income:

At the time the family begins receiving homeownership assistance, the head of household, spouse, and/or other adult household members who will own the home, must have a gross annual income at least equal to the Federal Minimum Hourly Wage multiplied by a total number of 2000 hours.

In case of a disabled family, use the monthly Federal Supplemental Security Income ("SSI") benefit, for an individual living alone, and multiply by 12.

(2) Exclusion of Any Welfare Assistance Income.

With the exception of elderly and disabled families, RMIA will disregard any "welfare assistance" income in determining whether the family meets the minimum income requirement. Welfare assistance includes assistance from Temporary Assistance for Needy Families ("TANF"); Supplemental Security Income ("SSI") that is subject to an income eligibility test; food stamps; general assistance; or

other welfare assistance specified by HUD. The disregard of welfare assistance income under this section affects the determination of minimum monthly income in determining initial qualification for the Homeownership Program. It does not affect the determination of income-eligibility for admission to the Section 8 Housing Choice Voucher Program, calculation of the family's total tenant payment, or calculation of the amount of homeownership assistance payments.

C. **EMPLOYMENT HISTORY:**

With the exception of disabled and elderly households, each family must demonstrate that one or more adult members of the family who will own the home at commencement of homeownership assistance is employed full-time (an average of 30 hours per week) and has been continuously employed for one year prior to execution of the sales agreement. In order to reasonably accommodate a family's participation in the program, RMHA will exempt families that include a person with disabilities from this requirement.

D. **COMPLETION OF INITIAL LEASE TERM:**

Applicants for new participants in the Section 8 Housing Choice Voucher Program shall be ineligible for participation in the Section 8 Homeownership Program until completion of an initial Section 8 lease term and the participant's first annual recertification in the Section 8 Housing Choice Voucher Program. Nothing in this provision will preclude Section 8 participants that have completed an initial lease term in another jurisdiction from participating in the Section 8 Homeownership Program.

E. **REPAYMENT OF HOUSING AUTHORITY DEBTS:**

Participants in the Section 8 Housing Choice Voucher Program shall be ineligible for participation in the Section 8 Homeownership Program in the event any debt or portion of a debt remains owed to RMHA or any other Housing Authority. Nothing in this provision will preclude Section 8 participants that have fully repaid such debt(s) from participating in the Section 8 Homeownership Program.

F. **ADDITIONAL ELIGIBILITY FACTORS:**

(1) **Elderly and Disabled Households:**

Elderly and disabled families are exempt from the employment requirements set forth in Section 2. C. above. In the case of an elderly or disabled family, RMHA will consider income from all sources, including welfare assistance in evaluating whether the household meets the minimum income required to purchase a home through the Section 8 Homeownership-Program.

(2) **Preference for Participation in FSS Program:**

Families participating in RMHA's Family Self-Sufficiency ("FSS") Program or an Individual Development Account ("IDA") Program will receive a preference for homeownership assistance.

(3) **Prior Mortgage Defaults:**

If a head of household, spouse, or other adult household member who will execute the contract of sale, mortgage and loan documents have

previously defaulted on a mortgage obtained through the Section 8 Homeownership Program, the family will be ineligible to participate in the Homeownership Program.

3. FAMILY PARTICIPATION REQUIREMENTS:

Once a family is determined to be eligible to participate in the program, it must comply with the following additional requirements: (A) complete a Homeownership Counseling Program approved by RMHA prior to commencement of homeownership assistance; (B) within a specified time, locate the home it proposes to purchase; (C) submit a sales agreement containing specific components to RMHA for approval; (D) allow RMHA to inspect the proposed homeownership dwelling to assure that the dwelling meets appropriate housing quality standards; (E) obtain an independent inspection covering major building systems; (F) obtain RMHA approval of the proposed mortgage (which must comply with generally accepted mortgage underwriting requirements); and (G) enter into a written agreement with RMHA to comply with all of its obligations under the Section 8 program.

A. HOMEOWNERSHIP COUNSELING PROGRAM:

A family's participation in the Homeownership Program is conditioned on the family attending and successfully completing a homeownership and Housing Counseling Program provided or approved by RMHA prior to commencement of homeownership assistance. The Homeownership and Counseling Program will cover home maintenance; budgeting and money management; credit counseling; negotiating purchase price; securing mortgage financing; finding a home; and the advantages of purchasing and locating homes in areas that do not have a high concentration of low-income families.

[Note: § 982.620(b) provides "suggested topics" for the PHA required Pre-assistance Counseling Program -- which are, for the most part, included here. Suggested topics include fair housing, RESPA obligations and predatory lending issues. These topics will be included in the Homeownership Counseling Program.]

The counseling agency providing the Counseling Program shall either be approved by HUD or the program shall be consistent with the homeownership counseling provided under HUD's Housing Counseling Program. RMHA may require families to participate in a RMHA-approved homeownership counseling program on a continuing basis.

B. LOCATING AND PURCHASE A HOME:

(1) Locating A Home:

Upon approval for the Section 8 Homeownership Program, a family shall have one hundred eighty (180) days to locate a home to purchase. A home shall be considered located if the family submits a proposed sales agreement with the requisite components to RMHA. For good cause, RMHA may extend a Section 8 family's time to locate the home for additional thirty (30) day increments. During a Section 8 participant's search for a home to purchase, their Section 8 rental assistance shall continue pursuant to the Administrative Plan. If a Section 8 participant family is unable to locate a home within the time approved by RMHA, their Section 8 rental assistance through the Section 8 Housing Choice Voucher Program will/shall still continue on.

(2) Type Of Home:

A family approved for Section 8 homeownership assistance may purchase the following type of homes within the City of Rocky Mount: a new or existing

stick-built home, a stick-built single-family home, a condominium, a home in a planned use development, or a loft. The home must already exist or under construction at the time RMHA determines the family eligible for homeownership assistance.

(3) **Purchasing a Home:**

Once a home is located and a sales agreement approved by RMHA is signed by the family, the family shall have up to three (3) months, or such other time as is approved by RMHA Staff or set forth in the RMHA-approved sales agreement, to purchase the new single-family home under this Program.

(4) **Failure to Complete Purchase:**

If a Section 8 participant is unable to purchase the home within the maximum time permitted by RMHA, RMHA shall continue the family's participation in the Section 8 Housing Choice Voucher Program. The family may not re-apply for the Section 8 Homeownership Program until they have completed an additional year of participation in the Section 8 Housing Choice Voucher Program following the initial determination of their eligibility for participation in the homeownership option.

(5) **Lease-Purchase:**

Families may enter into lease-purchase agreements while receiving Section 8 rental assistance. All requirements of the Housing Choice Voucher Program apply to lease-purchase agreements, except that families are permitted to pay an extra amount out-of-pocket to the owner for purchase related expenses-- a "homeownership premium." Any "homeownership

premium," defined as an increment of value attributable to the value of the lease-purchase right or agreement, is excluded from RMHA's rent reasonableness determination and subsidy calculation, and must be absorbed by the family. When a lease-purchase participant family is ready to exercise their option, they must notify the Homeownership Department at RMHA and apply for the homeownership option. If determined eligible for homeownership assistance, the family may be admitted to the Homeownership Program and must meet all of the said requirements of these said policies.

C. SALES AGREEMENT:

Prior to execution of the offer to purchase or sales agreement, the family must provide the financing terms to RMHA for approval. The sales agreement must provide for inspection by RMHA and the independent inspection referred to in Section 3(E) and must state that the purchaser is not obligated to purchase unless such inspections are satisfactory to RMHA. The contract also must provide that the purchaser is not obligated to pay for any necessary repairs without approval by RMHA. The sales agreement must provide that the purchaser is not obligated to purchase if the mortgage financing terms are not approved by RMHA pursuant to Section 3(F). The sales agreement must also contain a seller certification that the seller is not debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.

D. INDEPENDENT INITIAL INSPECTION CONDUCTED:

To assure the home complies with the housing quality standards of the Section 8 program, homeownership

assistance payments may not commence until RMHA first inspects the home. A professional selected by the family and approved by RMHA also must complete an independent inspection of existing homes covering major building systems. RMHA will not pay for the independent inspection. The independent inspection report must be provided to RMHA. RMHA may disapprove the unit due to information contained in the report or for failure to meet the Federal Housing-Quality-Standards.

E. **FINANCING REQUIREMENTS:**

The proposed financing terms must be submitted to and approved by RMHA. RMHA shall determine the affordability of the family's proposed financing. In making such determination, RMHA may take into account other family expenses, including but not limited to child care, un-reimbursed medical expenses, education and training expenses and the like. Certain types of financing, including but not limited to, balloon payment mortgages, unless convertible to a variable rate mortgage, are prohibited and will not be approved by RMHA. Seller-financing mortgages shall be considered by RMHA on a case-by-case basis. If a mortgage is not FHA-insured, RMHA will require the lender to comply with generally accepted mortgage underwriting standards consistent with those of HUD/ FHA, Ginnie Mae, Fannie Mae, Freddie Mac, North Carolina Housing Finance Agency (NCHFA), USDA Rural Housing Services, the Federal Home Loan Bank, or any other private lending/financial institution.

F. **COMPLIANCE WITH FAMILY OBLIGATIONS:**

A family must agree, in writing, to comply with all family obligations under the Section 8 program and RMHA's homeownership policies. These obligations include (1)

attending ongoing homeownership counseling, if required by RMIA; (2) complying with the mortgage terms; (3) not selling or transferring the home to anyone other than a member of the assisted family who resides in the home while receiving homeownership assistance; (4) not refinancing or adding debt secured by the home without prior approval by RMHA; (5) not obtaining a present ownership interest in another residence while receiving homeownership assistance; and (6) supplying all required information to RMIA, including but not limited to annual verification of household income, notice of change in homeownership expenses, notice of move-out, and notice of mortgage default. RMIA's Homeownership Family Obligation policies are set forth in Appendix A hereto.

4. **AMOUNT OF ASSISTANCE:**

The amount of the monthly assistance payment will be based on three factors: the voucher payment standard for which the family is eligible; the monthly homeownership expense; and the family's household income. RMHA will pay the lower of either the payment standard minus the total family contribution ("TFC") or the family's monthly homeownership expenses minus the TFC. The Section 8 family will pay the difference.

A. **Determining the Payment Standard:**

The voucher payment standard is the fixed amount the RMHA annually establishes as the "fair market" rent for a unit of a particular size located within the RMHA jurisdiction. In the Homeownership Program, the initial payment standard will be the lower of either (1) the payment standard for which the family is eligible based on family size; or (2) the payment standard which is applicable to the size of the home the family decides to purchase. The payment standard for subsequent years will

be based on the higher of: (1) the payment standard in effect at commencement of the homeownership assistance; or (2) the payment standard in effect at the most recent regular reexamination of the family's income and size. The initial payment standard, for purposes of this comparison, shall not be adjusted even if there is a subsequent decrease in family size. RMHA will request HUD approval of a higher payment standard, up to 120% of the published Fair Market Rent limit, where warranted as a reasonable accommodation for a family that includes any person with any handicaps or any disabilities.

B. *Determining the Monthly Homeownership Expense:*

Monthly homeownership expense includes all of the following: principal and interest on the initial mortgage and any mortgage insurance premium (MIP) incurred to finance the purchase and any refinancing of such debt; real estate taxes and public assessments; homeowner's insurance; maintenance expenses per RMILA allowance; costs of major repairs and replacements per RMILA allowance (replacement reserves); utility allowance per RMILA's schedule of utility allowances; principal and interest on mortgage debt incurred to finance major repairs, replacements or improvements for the home including changes needed to make the home accessible; and homeowner association dues, fees or regular charges assessed, if any.

C. *Determining the Total Family Contribution:*

The TFC is that portion of the homeownership expense that the family must pay. It is generally 30% percent of the family's adjusted income, plus any gap between the payment standard and the actual housing cost. All family income (including public assistance), will be counted to determine the family's adjusted monthly income for

purposes of determining the amount of the total cost of the assistance.

D. *Payment to Family or Lender:*

RMHA will provide the lender with notice of the amount of the housing assistance payment and will pay RMHA's contribution towards the family's homeowner expense directly to the family, unless otherwise required by the lender. The family will be responsible to submit the entire mortgage payment to the lender unless the lender requires direct payment of RMHA's contribution.

5. **TERMINATION OF SECTION 8 HOMEOWNERSHIP ASSISTANCE:**

A. *Grounds For Termination Of Homeownership Assistance:*

(1) Failure to Comply with Family Obligations Under Section 8 Program or RMHA's Homeownership Policies.

A family's homeownership assistance may be terminated if the family fails to comply with its obligations under the Section 8 program, RMHA homeownership policies, or if the family defaults on the mortgage. **If required, the family must attend and complete ongoing Homeownership and Housing Counseling Classes.** The family must comply with the terms of any mortgage incurred to purchase and/or refinance the home. The family must provide RMHA with written notice of any sale or transfer of any interest in the home; any plan to move out of the home prior to the move; the family's household income and homeownership expenses on an annual basis; any notice of mortgage default received by the family; and any other notices which may be required pursuant to Rocky Mount Housing Authority homeownership policies. Except as otherwise provided in this Section, the family may not convey or transfer the home

to any entity or person other than a member of the assisted family while receiving any type of any homeownership assistance.

(2) **Occupancy of Home:**

Homeownership assistance will only be provided while the family resides in the home. If the family moves out of the home, RMHA will not continue homeownership assistance commencing with the month after the family moves out. **Neither the family nor the lender is obligated to reimburse the Rocky Mount Housing Authority for homeownership assistance paid for the applicable month when the family moves out.**

(3) **Changes in Income Eligibility:**

A family's homeownership assistance may be changed in the month following annual recertification of the household income, but **participation in the Section 8 Homeownership Program shall continue until such time as the assistance payment amounts to \$0.00 for a time period equaling six (6) consecutive months.**

(4) **Maximum Term of Homeownership Assistance:**

Notwithstanding the provisions of Section 5(A), subparagraphs 1 through 3, except for disabled and elderly families, a family may receive Section 8 homeownership assistance for not longer than ten (10) years from the date of closing unless the initial mortgage incurred to finance purchase of the home has a term that is 20 years or longer, in which case the maximum term is 15 years. Families that qualify as elderly at the commencement of homeownership assistance are not subject to a maximum term limitation. Families that qualify as disabled families at the

commencement of homeownership assistance or at any time during the provision of homeownership assistance are not subject to a maximum term limitation. If a disabled family or elderly family ceases to qualify as disabled or elderly, the appropriate maximum term becomes applicable from the date homeownership assistance commenced; provided, however, that such family shall be eligible for at least six additional months of homeownership assistance after the maximum term becomes applicable. The time limit applies to any member of the household who has an ownership interest in the unit during any time that homeownership payments are made, or in the condition where there is a spouse of any member of the household who has a part in the portions of any of the ownership interest.

B. Procedure for Termination of Homeownership Assistance:

A participant in the Section 8 Homeownership Program shall be entitled to the same termination notice and the same informal hearing procedures as set forth in the adopted Administrative Plan of the Rocky Mount Housing Authority for the said Section 8 Housing Choice Voucher Program.

6. CONTINUED PARTICIPATION IN SECTION 8 HOUSING CHOICE VOUCHER PROGRAM.

A. Default on FHA-Insured Mortgage:

If the family defaults on an FHA-insured mortgage, RMHA may permit the family to move with continued Section 8 Housing Choice Rental Assistance if the family demonstrates that it has done the following items: (a) conveyed title to the home to HUD or its designee, as required by HUD; and (b) moved from the home within the period established or if approved by HUD.

B. Default on Non-FHA-Insured Mortgage:

If the family defaults on a mortgage that is not FHA-insured, RMHA may permit the family to move with continued Section 8 housing choice voucher rental assistance if the family demonstrates that it has (a) conveyed title to the home to the lender, to RMHA or to its designee, as may be permitted or required by the lender; and (b) moved from the home within the period established or approved by the lender and/or RMHA.

7. RMHA ADMINISTRATIVE FEE:

For each month that homeownership assistance is paid by RMHA on behalf of the family, RMHA shall be paid the ongoing administrative fee described in 24 C.F.R. §982.152(b).

8. WAIVER OR MODIFICATION OF HOME-OWNERSHIP POLICIES:

The Rocky Mount Housing Authority Board Of Commissioners shall have the discretion to waive or modify any provision of the Section 8 Homeownership Program or policies not governed by statute or regulation for good cause or to comply with any changes in any HUD regulations or any directives.

CUSTOMER SERVICE AND SATISFACTION SURVEY

COMMUNICATION:

1. **Question:** Do you think management provides you information about maintenance and repair (for example: water shut-off, boiler shut-down, modernization activities)?

Response: Residents are informed via letters and Resident's Meetings regarding physical improvements being made to their homes as incorporated in the Capital Fund Grants. Articles are printed in RMHA's monthly "Resident Newsletter" about any up-coming activities. Copies of work-orders are given or left in the homes of residents when repair work is being performed or door-knob hangers are left.

2. **Question:** Do you think management is: responsive to your questions and concerns?

Response: Management and Maintenance will respond to and follow-up on any maintenance concerns. This is documented in work orders and minutes from Resident's Meetings.

3. **Question:** Do you think management is: courteous and professional with you?

Response: Maintenance/Facilities Staff try to be courteous and professional at all times. We will, however, be scheduling "Customer Service Workshops" to staff to further implement professionalism. These workshops will be funded through Capital Fund Grants. We will also be contacting a few residents each month that had work-orders performed to see if they were satisfied with the work, and if the employee performing the work order was courteous to them.

4. **Question:** Do you think management is: supportive of your resident/tenant organization?

Response: Monthly meetings are held for these organizations. The Facilities Department have meetings every year regarding the annual Capital Funds Grant. The "Resident Advisory Board's" attendance are strongly urged for these meetings. Any revisions to the Capital Grants are brought forth to the Advisory Board and residents. Any concerns are implemented into Minutes. We will be sending personal letters to Advisory Board Members for all Resident Meetings. We will also include support letters from the Advisory Board for all Grant Applications and Revisions.

Resident Service and Satisfaction Survey (RASS) Follow-up Plan
For
FY 2006 Annual Plan

These are the steps that the RMHA Housing Management Department plan to continue promoting to ensure clear communication of services, procedures, other neighborhood-related issues and activities and to increase the ability of residents to communicate with management regarding problems and issues.

1. *Do you think management provides you information about: maintenance and repair (for example: water shut-off, boiler shut-down, modernization activities)?*

The RMHA Housing Management staff has included a checklist of items pertaining to maintenance. Included is information on repairs (what is emergency and what is non-emergencies) business and after hour numbers, location of breaker/fuse boxes, water cut-off location, how to clean your gas range, how to operate heat and if applicable, air condition units, how to set thermostat to conserve energy and a through walk through of the unit. The new resident is now required to sign this checklist stating that they have been instructed on all areas listed and they have a good understanding.

2. *Do you think management provides you information about: the rules of your lease?*

The RMHA Housing Management staff has implemented a new process for new move in families to first attend a group orientation prior to move in date. We go over all forms and discuss in details RMHA rules, regulations, annual recertification, interims, flat rent, income-based rents, housekeeping, tenant rent collection policy, resident responsibilities, RMHA responsibilities, maintenance matters, evictions, pet policy, and resident involvement within the RMHA communities. We go over all areas of the Lease and answer any questions presented.

3. *Do you think management provides you information about: meetings and events?*

The RMHA presently provides and will continue to provide information in reference to meetings and special events in the monthly RMHA Newsletter. We will continue to send residents information by mail to their home when necessary and post information in the RMHA Administrative Offices. RMHA will continue to provide information to other Social Service Agencies and continue to have announcements made on local radio station when information is to be made available to residents as well as the general public.

-
4. Do you think management is: responsive to your questions and concerns?

The RMHA housing management staff will continue to work toward improving communication with applicants and residents by responding promptly to request for information. We will continue to work hard in addressing and answering any questions during the orientation and move-in process. We will encourage applicants and residents to contact us at any time they do not understand something or need to setup a meeting to discuss a concern. We have always tried and will continue to address any issues as and if they are presented to us.

5. Do you think management is: courteous and professional with you?

We will continue striving to address all public in a courteous and professional manner. Plans are to schedule a workshop at least once annual to keep staff's morale and spirits up and to teach them how to handle the stress of dealing with management issues and how to prevent burn-out due to job demands. The workshop will include issues on communication skills.

6. Do you think management is: supportive of your resident/tenant organization?

We continue to work toward generating resident interest in their community. We presently have very active Resident Organizations in three (3) of our communities but cannot seem to generate the necessary interest in one (1) community to get the Resident Organization active. We will continue to promote resident involvement in their community among established residents and as we move in new families. We plan to meet periodically and inform residents that they have no reason to complain about their community if they don't want to get involved in their resident organization. We will promote that the only way to have a voice in your community is to get involved.
