(6) Deconcentration and Income Mixing *Contained in the MHA Admissions and Continued Occupancy Policy. 10.4 – 10.6*

10.4 Deconcentration Policy

It is Morganton Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and nondiscriminating manner.

The Morganton Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of families on the waiting list. Based on the analysis, we will determine the level of marketing strategies and deconcentration incentives to implement. The worksheet for the analysis can be found in the Morganton Housing Authority's Admissions and Continued Occupancy policy-Appendix 1.

10.5 Deconcentration Incentives

The Morganton Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development, for example, the availability of "flat rents".

Various incentives may be used at different times or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

10.6 Offer of a unit.

When the Morganton Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or income targeting goal.

The Morganton Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first-class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Morganton Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Morganton Housing Authority will document the offer and the rejection in the resident file.

2. Criminal activity directly relating to domestic violence, dating violence, or stalking engaged in by a member of the tenant's household, a guest, or other person under the tenant's control, shall not be cause for termination of tenancy or occupancy rights, if the Tenant or any member of the Tenant's family is a victim of that domestic violence, dating violence, or stalking.
3. Notwithstanding anything to the contrary contained in paragraphs __ A.1. and __A.2. above, MHA may terminate Tenant's tenancy under this lease if it can demonstrate an actual and imminent threat to other tenant's or to those employed at or providing service to the development in which the unit is located, if the tenant's tenancy is not terminated.

However, in taking any such action to terminate tenancy, MHA shall not apply a more demanding standard to you than to other tenants.

MHA may take such action without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such violence who is the Tenant or a lawful occupant under this lease.

C. CERTIFICATION.

If the Tenant or a lawful occupant, as a defense to termination of tenancy or an action to evict, claims protection under this section against such action, MHA may (but is not required to) request the individual to deliver to MHA a certification. The certification may be delivered in one of the following forms:

Documentation signed by an employee, agent or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking or the effects of abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim has signed or attested to the documentation, or
3. A Federal, State, Tribal, or local police report or court record, describing the incident or incidents in question.

The Certification must be delivered to MHA within 14 days after the request for certification is received from MHA.
