Consolidated Plan for North Dakota Fiscal Years 2005-2009

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

% The PHA has based its statement of needs of families on its waiting lists on the needs expressed in the Consolidated Plan/s.

The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.

% The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.

% Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

1. Continue to achieve a 100% utilization rating of vouchers issued to low income families in Walsh County to meet the increased demand for housing.

2. As a member of the Red River Community Housing & Development Organization (CHDO) and the Eastern Dakota Housing Alliance (EDHA), the Executive Director is in a position to encourage development of rental housing for low income families in the county.

3. Give presentations at the area high schools on the Section 8 Housing Choice Voucher Program to educate seniors on the importance of being a good renter.

4. Participate in the Walsh County Network monthly meetings to learn of services available for low income families in the county.

% Other: (list below)

Walsh County Housing Authority outreaches to agencies in the county who service low income families by distributing housing applications and brochures which includes contact and program information.

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

According to the Consolidated Plan, one of the needs in the region is the development of affordable, handicapped accessible units. Walsh County Housing Authority continues to strive to place elderly and disabled voucher holders in ground level accessible units. Landlords update the housing authority with units which are available for rent.

Walsh County Housing Authority will develop and maintain a networking system throughout the county to assist tenants in identifying services available to meet their needs and provide crime-free and safe housing.

As of July 1, 2007, 70% of the vouchers in Walsh County are elderly and disabled families; 24% are families; and 6% are single households. These numbers are consistent with the preferences that elderly and disabled families are issued vouchers before families and families are issued vouchers before single households.
