**B. Goals**

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

**HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.**

- PHA Goal: Expand the supply of assisted housing  
Objectives:
- Apply for additional rental vouchers:
  - Reduce public housing vacancies:
  - Leverage private or other public funds to create additional housing opportunities:
  - Acquire or build units or developments
  - Other (list below)

Promoting and partnering with Northeast Housing Initiative, Inc. and USDA-Rural Development for down payment assistance and loans has provided homeowners with help in purchases. The Prairie Gold Homes under the Bar-None Housing program is promoted as this is a very economical means for homeownership and have had one purchase. Having reciprocal landlord contact as well as village and city clerks provide information on available units is another means of knowing of decent, safe, and affordable units.

- PHA Goal: Improve the quality of assisted housing

Objectives:

- Improve public housing management: (PHAS score)
- Improve voucher management: (SEMAP score)

A main objective will be to raise the status SEMAP score from troubled to standard. A CAP has been detailed and signed by the Executive Director and the local HUD office. A market survey of rent charges for reasonable rent is being established and meeting the budget restraint totals are priorities. Marketing advertising will proceed if HAP falls below average monthly budget usage and other pertinent budget data.

Increase customer satisfaction: By providing information of available units to applicants, they are able to choose from more safe, decent, and affordable units that in turn pass inspections. Random SEMAP HQS finds units in compliance.

- Concentrate on efforts to improve specific management functions:  
(list; e.g., public housing finance; voucher unit inspections)

The waiting list will be updated to ensure all components are included as required. The HAP updates maintain FSS check list and amounts for escrow. The HAP monthly totals will provide the data for average cost being utilized of total annual budget.

- Renovate or modernize public housing units:
- Demolish or dispose of obsolete public housing:
- Provide replacement public housing:
- Provide replacement vouchers:
- Other: (list below)

For the CY2005-2009, the Housing Agency will use 100% of the HUD budget for the HAP and Family Self Sufficiency escrows. Continued full budget usage will be an ongoing objective.

- PHA Goal: Increase assisted housing choices

Objectives:

- Conduct outreach efforts to potential voucher landlords

One method of increasing housing unit choices is in working with real estate agents who either manage or have units for sale.

- Increase voucher payment standards

- Implement public housing or other homeownership programs:
- Implement public housing site-based waiting lists:
- Convert public housing to vouchers:
- Other: (list below)

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

**Executive Summary**

The Northeast Nebraska Joint Housing Agency has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements. In addition the Violence Against Women Act Policy as an amendment addresses the rights and needs of adults and children.

**The mission of Northeast Nebraska Joint Housing Agency is to promote adequate, affordable housing, economic opportunity, and a suitable living environment for the families we serve, without discrimination.**

The Northeast Nebraska Joint Housing Agency has been in existence since 1989 and has provided HUD Section 8 Rental Assistance to many families within its jurisdiction since that time, thus promoting adequate, affordable housing and a suitable living environment for the families we serve without discrimination. The payment standard provides a way to meet the annual budget restraints set by HUD along with a provision of possible minimum rent. If needed, the maintained waiting list tracks local preferences and follows the guidelines set statutorily for placement. To maintain lease up, marketing to landlords of our program to enlist their contact of open units is used as needed.

The Northeast Nebraska Joint Housing Agency has offered a Family Self Sufficiency program to its clients since 1995, thus promoting economic opportunity for the

families we serve without discrimination. The escrow balances to meet 30% of the enrollment is a constant goal along with maintaining enrollment of 80%.

Northeast Nebraska Joint Housing Agency offers the Homeownership program developed under the HUD guidelines for the Homeownership Program. This program is an extension to the Housing Agency's mission to promote an economic opportunity of affordable housing. At least one homeowner a year purchasing a home is a goal.

Northeast Nebraska Joint Housing Agency will continue to coordinate Family Self Sufficiency Homeownership. A Coordinator would be responsible for helping the client through the home-buying process with lenders, real-estate and other agencies. Staff will work with city and county boards and councils to promote affordable housing throughout NNJHA region.

Northeast Nebraska Joint Housing Agency will collaborate and partner with local community agencies in service area to support children and adults from violence as addressed in the newly attached amendment.

These actions will help NNJHA meet its on going mission. Northeast Nebraska Joint Housing Agency adopted the goals and objectives at their annual review of the Annual and Five Year Plan.

### **C. Strategy for Addressing Needs**

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

To address the housing needs for any future families on the waiting list, strategies that the PHA has chosen include continuing the lower payment standard under HUD guidelines to the available **95%** of the established Fair Market Rent. As annual recertification or a change of unit occurs, this payment standard is applied. By lowering the PHA rental / mortgage assistance for all the participants more dollars are available to help as many of the base 73 units as possible while keeping within the PHA's annual contribution budget. The market survey of rent costs shows payment standards are above average rent cost. Use of Upfront Income Verification (UIV) provides data so that terminations of participants who are over income will open a voucher for the waiting list participant. Then, the updated preference list for the PHA waiting list makes being a resident of Nebraska as the number one preference. This better services our community area. In supporting the Violence Against Women's Act Policy of 2005, the PHA already collaborates with the local service area shelter, Haven House. These referrals or applications are given priority to service victims of domestic violence, dating violence, sexual assault, or stalking. The Department of Health and Human Services through our Memorandum of Agreement also partner in providing available assistance. The Homeowner Down Payment assistance allows an open voucher within a definite time frame as this is a maximum twelve month payment total lump sum under HUD guidelines. To date this has not been utilized awaiting Congress approval. The PHA has the option to implement a minimum tenant payment. Low income tenants have very small incomes, if any. Using all of these strategies for turnovers keeps minimum, if any, waiting list so that the housing needs for our families would be serviced.

**(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)  
On behalf of the applicant request landlord to lower rent to qualify as reasonable rent.

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Admission preference allows lowest income to be serviced.

(If “No”, skip to component 12; if “yes”, describe each program using the table below (copy and complete questions for each program identified), unless the PHA is eligible to complete a streamlined submission due to high performer status. **High performing PHAs** may skip to component 12.)

2. Program Description:

**Legal Authority:** Northeast Nebraska Joint Housing Authority (NNJHA) was created in 1988, pursuant to Section 71-1528 R.R. S., Nebraska 1943, to offer rental assistance to those lower income people in the area of the NNJHA.

NNJHA services the member Counties of Dakota, Dixon, and Wayne and the Cities and Villages of Allen, Concord, Emerson, Homer, Martinsburg, Ponca, Wakefield, and Wayne.

**Size of Program:** The NNJHA Board administers a total of 73 Tenant Based Housing Choice Vouchers. The NNJHA Board prefers to keep the size of the Homeownership Program open in order to allow clients the choice of available housing. Any limitation to the program will be based on HUD and NNJHA approved participation requirements.

**Pricing the Homes:** The purchase price for a home must be appropriate for the income of the homeowner. A review of income will determine whether the monthly mortgage or loan payment is affordable after considering other family expenses.

**Financing:** The families eligible for the homeownership program must secure their own financing. The client will apply for a mortgage through a lending institution. [If purchase of the home is financed (in whole or in part) without FHA insured mortgage financing, NNJHA must require that the underwriting procedures used by the lender comply with the basic mortgage insurance credit underwriting requirements of FHA-insured single family mortgage loans.] NNJHA will allow a balloon payment although

most families will not be able to afford that kind of a payment. A variable interest rate mortgage is allowable on a case-by-case review. Due to the instability of variable interest rates, a fixed interest rate will be the more desirable.

Homeownership housing assistance will be paid directly to the mortgage holder. The assistance is figured by using a modified voucher program payment standard approach. The Homeownership Assistance payment will equal the lower of (1) the payment standard minus the total tenant payment or (2) the monthly homeownership expenses minus the total tenant payment. The family is responsible for the monthly homeownership expenses not reimbursed by the housing assistance payment. (The total tenant payment is the higher of: the minimum rent, 10 percent of the monthly income, or 30 percent of monthly adjusted income, or the welfare rent) The HA will utilize the utility allowance schedule and payment standard schedule applicable to the Section 8 Voucher Rental Program.

A new homeowner participant has the option to choose to receive payment assistance as a down-payment that equals the total that would be paid otherwise for one year of assistance as a one-time lump sum. This lump sum for the one year is based on calculations under HUD guidelines. No further assistance would be provided as a homeowner. This will be available after Congressional approval.

The HA must reexamine families income and composition each year and make adjustments to the amount of monthly homeownership assistance.

Homeownership assistance will only be paid for a maximum of ten years on a fifteen-year loan and a mandatory term limit of 15 years on a 20-year loan. Exceptions to this rule pertain to Elderly and Disabled Families since they are exempt from subsidy time limits.

[If the head of household and/or spouse has previously defaulted on a mortgage obtained through the homeownership option, they are barred from receiving future Section 8 Homeownership assistance
