### **COMMUNITY SERVICE AND SELF SUFFICIENCY REQUIREMENTS (Required Attachment)**

Unless exempt by 24 CFR 960.603, each adult resident must contribute 8 hours per month of community service or participate in an economic self-sufficiency program for 8 hours per month. A resident determined by the HA to be required to comply with this section may request an exemption if their circumstances change, or may request a hearing pursuant to the grievance procedure if they disagree with the initial determination.

Community service must be performed at a location within Passaic County unless otherwise approved by the HA. Community Service is defined as service for which the resident volunteers. The activity cannot be a paid activity or a political activity. The activity must be pre-approved by the HA. Staff will provide a list of possible organizations to residents, but service at those organizations will be at the discretion of the resident. The resident will be required to submit a monthly verification form to the HA confirming that the service was performed.

If the HA is able to identify appropriate community service work at its developments, it will offer this opportunity to residents required to comply with this requirement.

A resident can also satisfy this requirement by participating in an economic self-sufficiency activity. Self-sufficiency is defined as activities designed to encourage, assist, train or facilitate economic independence. This could include, but is not limited to: apprenticeships, job readiness training, substance abuse or mental health counseling and treatment, English proficiency, GED training, household budgeting and credit counseling. This activity must be pre-approved by the Housing Authority. The HA will provide a list of self-sufficiency programs to the residents. However, participation in those specific programs will be at the discretion of the resident. The resident will be required to submit a monthly verification form to the HA confirming the resident's participation in an HA approved service.

Residents may combine community service and self-sufficiency activities to meet their requirements.

### **Pet Policy (Required Attachment)**

A summary of the policy includes the following:

- . All dogs will be required to be registered, tagged, and licensed by the City of Passaic prior to being approved by the Housing Authority. Proof to be submitted to management office and will be kept in resident folder. Residents

will be required to submit yearly validations of registration. At said time the dog will be issued a Housing Authority tag for identification purposes only.

- . No vicious dogs (as defined by the City Ordinance) are allowed on Housing Authority property.
- . Owners must curb dog and remove feces deposited by dog to a waste container in areas designated at their development.
- . No dogs registered after the effective date of this policy may weigh more than 20 lbs. at maturity.
- . Cats, birds, fish and other such pets are permitted. Any other type of animal that may jeopardize the safety and well being of residents will be banned.
