The challenges, both financially and administratively, facing the Housing Agency continues to grow. The number of families seeking housing assistance appears to be at an all time high. Working with the limited resources possessed by the Passaic County Public Housing Agency, we remain committed to promoting not just HUD's mission cited above, but will continue to provide the same level of services we have provided to our program participants throughout the years.
In addition, the Housing Agency is currently undertaking several initiatives which will result in the promotion of a viable homeownership program for eligible families, and the availability of additional affordable housing units. The Agency has engaged the services of specific county agencies and other interested parties to collaborate in efforts which will, hopefully, result in the development of much needed rental affordable housing units within our service area.

Troubled Agency Plan

ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

All required components, as stipulated by regulations established by the U. S. Department of Housing and Urban Development, are addressed in the Passaic County Public Housing Agency's Five (5) Year (2005-2009), and this Annual Plan (2008). Any component not made part of this plan is so referenced in the Table of Contents, along with the location of the applicable material(s) and the date of its submission to H.U.D., if applicable.

In this (2008) Annual Plan, I have tried to capture and report on specific efforts undertaken or to be undertaken by the Housing Agency towards the achievement of goals and objectives cited in the Five (5) Year (2005-2009) Plan. Again, the mission is "to promote adequate and affordable housing, economic opportunity and suitable living environment free from discrimination. In addition, the Agency has endeavored to develop, establish and implement a "viable homeownership program".

Over the past couple of years, staff has been actively reviewing and analyzing various operating "Homeownership type Programs" in surrounding jurisdictions. It is my intent, in collaboration with staff and other interested parties, to draw from the various Homeownership models reviewed, extracting from each those parts or components best suited to serve program participants serviced by the Housing Agency.

The Passaic County Public Housing Agency has been and continues to be rated a "High Performer". The various programs operated by the Agency are administered in an efficient, cost effective manner. It is my intent to continue to administer and operate the Agency with the same level of dedication and professionalism I've always employed. I'll continue to expect and demand staff to conduct themselves in a professional and responsive manner. I have and will continue to provide staff with all appropriate guidance and available training necessary, enabling them to become more knowledgeable and to stay on top of changes in program guidance and regulations.

As previously reported, the existing rental housing stock has been depleted throughout the Housing Agency's service area. The Agency's service area

consists of all Passaic County, excluding the cities of Paterson, Passaic and Clifton. Existing quality rental housing units are at a premium. Consequently, the number of families certified for participation, issued a housing voucher, and who are currently searching for suitable housing units far exceeds the number of available units several folds.

In response to the above-referenced fact and in an effort to promote greater mobility, families are encouraged to expand their housing search to include towns within our jurisdiction, located in the “up-county” and outside of the more urbanized areas. In addition, families are informed and encouraged to utilize the “portability” feature of the Section 8 Rental Assistance Program.

The Passaic County Public Housing Agency’s Five (5) Year (2005-2009), approved by the Housing Board of Commissioners on October 12, 2004, and this Annual Plan (2008) are available for public review. A transcript of the “public hearing held on October 8, 2004, at 5:30 p.m.; a list of all individuals in attendance; a record of all proceedings, comments and recommendations received from program participants and the general public have been and are part of these Plans. This Annual Plan (2008) contains goals and objectives as established by the Resident Advisory Board, Housing Agency’s staff, and other housing groups working with the Housing Agency.

Both Plans (Five (5) Year and Annual (2008) Plan)), are available for public review at the Housing Agency’s administrative office. All comments received have been considered and addressed by the Housing Agency. The Housing Board of Commissioners approved the Five (5) Year and Annual Plan (2005) for submission to H.U.D. on October 12, 2004.

VIOLENCE AGAINST WOMEN ACT (VAWA)

The Passaic County Public Housing Agency is in compliance with the Violence Against Women Act and the Department of Justice Re-authorization Act of 2005 (VAWA).

All program participants (landlord and subsidized families) are required to comply with the Act. Landlords, Property Managers, Agents, etc. are required to execute Form HUD -52641, in order to receive Housing Assistance (HAP) Payments. No payment will be processed or issued without proper execution of the revised HAP Contract cited above.

In addition, families are provided with Form HUD -5241-A, which is made part of the tenant’s lease agreement.

The Passaic County Public Housing Agency has over the years established and maintained a very good working relationship with existing local organizations, such as S.O.S. (Strengthen Our Sisters); Passaic County Women’s Center, and others of domestic violence.

It is my intent to continue to work with these groups in an effort to provide assistance to those in need.
