This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Comments of the Community Development Citizens Advisory Committee acting in their role as Resident Advisory Board to the Section 8 Program

The Section 8 Administrator made a presentation to the Committee on the status of the Section 8 Program.

During the last year the City of White Plains leased up 81 families. Of the 81 families 35 were leased up outside the City of White Plains and 46 were leased up in the City of White Plains. Of the 35 families leased up outside the City of White Plains 33 were absorbed by the receiving communities. Of the 46 families leased up in the City of White Plains 21 were in place lease ups and 25 moved to new apartments.

The Commissioner of Planning Susan F Habel asked how many families moved to Kensico Terrace?

The administrator answered that 5 had moved into Kensico Terrace.

The administrator stated we have 48 families looking for housing. This is a result of opening the waiting list in January 2007. Based on the priorities in our administrative plan we have contacted every high priority family on our waiting list.

We will reopen the waiting list around the end of March 2008. At that time we will have completed the purge of our waiting list.

The result of the new additional lease ups is that we currently have 375 families leased up out of 400 vouchers. We are directly administering 299 families, 270 within the City of White Plains limits and we are being billed for 76 families that live outside the City of White Plains. This is both the largest number of families directly assisted, and the largest number of White Plains families that are being directly assisted.

The section 8 funding is sound. We have over \$1,000,000.00 in reserves. The funding for 2008 will be based on all the funding we received from October 1, 2006 through September 30, 2007, which is the fairest funding formula used in the last 5 years. This should ensure adequate funding for all 400 vouchers.
