This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. 8. Capital Fund Program Five-Year Action Plan

**VILLAGE OF MOUNT KISCO
HOUSING CHOICE VOUCHER PROGRAM**

PROGRESS REPORT

Waiting List:

We started the year with 146 applicants on our waiting list. After performing the annual purge, and offering assistance to 23 applicants, our current waiting list is down to 51 families, of which only 4 are local residents.

We will be opening our waiting list in January 2008. Our last opening was in January 2005.

Of those 23 families which were offered assistance,

- 10 were leased up
- 4 declined the assistance
- 1 was deemed not eligible
- 3 were ported out
- 2 no longer qualified for the preferences initially given to them
- 3 are still in process

Vouchers:

Month	2006		2007	
	Vouchers Leased	Utilization Rate	Vouchers Leased	Utilization Rate
January	107	98%	109	100%
February	106	97%	109	100%
March	106	97%	109	100%
April	106	97%	108	99%
May	106	97%	108	99%
June	108	99%	108	99%
July	106	97%	107	98%
August	105	96%	108	99%
September	106	97%	107	98%
October	107	98%	106	97%
November	108	99%	106	97%
December	110	101%	109	100%

Portability:

Total port-ins end of 2007: 2

Total port-outs end of 2007: 2

New Participants:

We continue to verify the immigration status for all non-citizens using the on-line SAVE (Systematic Alien Verification for Entitlements) program provided by INS.

During 2007, we admitted 10 new families into our HCV program, all of which were waiting list applicants.

The vacancies we had were originated by the following:

- 7 families that ported out and were absorbed
- 1 family that dropped out of the program
- 1 “out of Mt. Kisco” family that I transferred to the local Section 8 agency and was absorbed
- 1 family which was terminated for non compliance of HUD Section 8 regulations
- 1 deceased client

Income Verification:

We are successfully using the EIV (Enterprise Income Verification) System provided by HUD to verify all income sources and help track down any unreported income in the household. Each month we obtain all the reports available, for the particular reexamination month we are working on. These reports include: the Income Report (one for each member of each family that must be recertified that month), the Discrepancy Report, the Failed Verification Report, the No Income Report and the New Hires Report.

During 2007 we had 5 families with repayment plans due to unreported income. Two of those repayment plans will continue in the new year.

Zero Income Families:

For those families who declare they have very low or no income, we continue to use the “Expense Worksheet” recommended by HUD. This form provides a detailed budget indicating the family’s monthly expenses and the source of funds used to support these items. Therefore it constitutes another good tool to detect unreported income.

Westchester County:

We continue to attend the monthly meetings organized by the Westchester County Section 8 department. Chris Ingram assists on a regular basis, and provides information on HUD’s most recent updates. This year these meetings included guests such as:

1. Sandi Singh from the Department of Social Services.
2. Special agents Miguel Collazzo and Rene Febles, from the HUD Office of Inspector General, to offer their assistance and communicate their intention to partner with the local Housing Authorities to combat tenant and owner fraud in the Section 8 programs.
3. Henry Stanton, Deputy Commissioner of the Westchester County Department of Transportation, to discuss Metro Card coming to Westchester Bee-Line buses effective April 1, 2007.

Landlords:

Our 5 major landlords are the following:

- 796 North Bedford Road, LLC : 9 units
- Lexington Properties (Joseph Cosentino) : 7 units
- Rylan Management Company (Karl Ryzerski) : 5 units
- Dr. Peter LoBue (Ex Amuso Real Estate) : 5 units
- Maple Avenue Management Co. (Albert Severini) : 5 units

Together, they provide housing for 28% of our clients. Please note that Mr. Cosentino is no longer our major landlord. Some of our clients have moved out of his apartments but he has not been willing to take in new ones.

The property at 796 North Bedford Road was recently sold. The new owners are A & L Bedford Road Realty, LLC. This complex continues to be most helpful for new voucher holders searching for one bedroom units. We still have a problem with those needing larger units (2, 3 and 4 bedrooms) as there are very few available in Mt. Kisco and of those available, owners are not always willing to accept tenants with Section 8 vouchers. Considering an outreach or even incentives to local landlords in the future might help this situation.

Voucher Management System (VMS) Financial Data Collection:

Tom Warren, the Village of Mount Kisco treasurer, continues to submit this data quarterly via the Web Access Security System (WASS) for which he has been appointed Secure Connection Coordinator for our organization.

Funding:

Whilst in the past we were forced to take measures to face the reduction of funding provided by HUD, we now had to take measures to increase the utilization of our HAP Budget Authority.

The measures taken were the following:

1. We continued to closely monitor our monthly funding versus our HAPs in order to help the maximum number of families possible and to utilize the surplus funding left over from last year.

2. We increased our lease-up rate as follows:
From 96% in 2005 to 98% in 2006, and
From 98% in 2006 to 99% in 2007.
3. We granted increases to landlords in those cases in which the total rent was considerably below our PS (Payment Standards). We also granted the increases requested by landlords, after checking their reasonableness and the impact on the assisted family.
4. We took our PS 10% above the FMR (Fair Market Rents) determined by HUD, for all unit sizes.

HAPPY Software:

We received 2 updates during this past year with new features in order to comply with the latest HUD regulations and to improve the data and format of various screens and forms.

We did not renew our utility schedule in 2007 but plan to do so effective January 1, 2008, with rates and average consumptions provided by HAPPY.
