This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Response: The Pickaway Metropolitan Housing Authority has made the following changes to the Housing Choice Voucher Administrative Plan and/or the Public Housing Admissions and Continuing Occupancy Policy.

HCV: The \$50 minimum rent requirement has been eliminated.

HCV and Public Housing: All components of the Violence Against Women's Act have been added to both plans and have been implemented.

HCV: Added language stating non-functional smoke detectors are now emergency repair items on the HQS inspection list

HCV: Added language that clarifies the denial of an application or the request to add someone to a lease when that denial is based on Violent Criminal Activity.

HCV: Added language that denies program participation, with specific time frames for denial, to anyone who is required to register as a sex offender. If the person is no longer required to register, the restriction from program participation is lifted.

HCV: Added language that clarified that women who meet criteria through the Violence Against Women Act are not subject to current restrictions on portability as they pertain to breaking a lease.

HCV: Added language that clarifies Lease Purchase Agreements, permitting purchases under the program when all criteria are met, and as long as the purchased unit is not a modular or mobile home.

HCV: Added language that limits participants to one move in any twelve month period, with the option to review each case for extenuating circumstances.

HCV: Changed language on bedroom occupancy guidelines that now allows opposite gender children under the age of 7 to have separate bedrooms

Public Housing: Changed language concerning utility allowance payments that now submits the payment directly to the Utility Company, rather than to the participant.

HCV: Changed the language on the amount of income increase that will result in an interim change from a 10% to a 25% increase.

HCV: Changed language to state that unvented gas heaters are never acceptable in a participants unit, even when constructed that way by the manufacturer.

HCV: Added language that states HQS Voucher Extensions beyond 30 days will be considered on a case by case basis

HCV: Added language that states when the HCV waiting list is closed, the agency will continue to accept referrals from the Domestic Violence programs and Family Unification program.

HCV: Added language that Port In Extensions will never exceed 120 days

HCV: Added language that if a participant is facing a fee charge from their financial institution for verification of documents, hand carried verifications will be accepted.
