The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

- 2) An incident(s) of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.
- 3) Criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that domestic violence, dating violence, or stalking.
- 4) Tuscarawas MHA may request that a person claiming victim status under 1 – 3 above certify victim status via any HUD-approved certification form that the person is a victim of domestic violence, dating violence, or stalking, and that, under penalty of perjury, the incident(s) of such actual or threatened abuse are bona fide incidents. This certification provision can also be met by providing TMHA with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance, or a police or court record.

Attachment 1: Executive Comments to the 2008 Annual PHA Plan

Tuscarawas Metropolitan Housing Authority serves the Tuscarawas County area, located in the northeast central section of Ohio. The area is semi-rural, with no large urban areas. Families reside primarily in towns and the small cities of Dover, New Philadelphia, and Uhrichsville. The total population of the county is approximately 91,000, according to the 2000 census. This housing authority administers a Section 8 Housing Choice Voucher program; this PHA has no public housing.

TMHA has a ceiling level of 574 vouchers assigned by HUD (called a baseline). During 2006 the housing authority's voucher program experienced an overleased situation which occurred because searching families with vouchers were unusually successful in finding housing when compared to families exiting the program. To comply with Federal regulations, TMHA had to drastically reduce the number of served families by the end of 2006 to stay within the annual baseline. In 2007 TMHA was granted funding to bring more families into the Voucher program, and has done so throughout 2007 in order to bring numbers back up to the baseline level.

The current list for families waiting for assistance is 424 compared with 606 a year ago. Funding for the Voucher program remains volatile as the Federal Congress and the Administration tackle the domestic budget. At this writing there is no indication of what funding will be available in 2008. TMHA intends to serve as many families as possible with the funding allocated by the Federal Congress and HUD.

Families with dependents comprise 41% of currently assisted families. Fifty-eight percent (58%) of assisted families are elderly and/or disabled, meaning that either the head or spouse in the family is elderly and/or disabled. Forty (40%) of families have employment income indicating they fall into the working poor category. During the last year, TMHA continued to administer 30 Mainstream vouchers specifically targeted to disabled families. TMHA intends to seek more funding for disabled families should it become available.

TMHA is a member of the Tuscarawas Co. HOME Network, a group of organizations and individuals formed to increase affordable housing options for low-income and homeless people. The HOME Network is responsible for conducting the homeless count for Tuscarawas County, and is the advisory group for the Tuscarawas Co. Continuum of Care. In 2005, the HOME Net and TMHA applied for Shelter + Care funding under the Ohio Balance of State Continuum of Care program, and successfully received these funds. TMHA administers this program for homeless, disabled individuals and families.

TMHA administers a Family Self Sufficiency (FSS) program, and a Section 8 Voucher Homeownership program. One TMHA family has successfully purchased a home under this program and more families are going through the process to become mortgage loan ready. In addition, seven former FSS participating families who have left the TMHA voucher program have become homeowners.
