This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Statement In Regard to VAWA

The Noble Metropolitan Housing Authority adopted revisions to its Public Housing Admissions and Continued Occupancy Policy and its Section 8 Housing Choice Voucher Program Administrative Plan to address the requirement of the Violence Against Women Act. Those revisions were adopted by Resolution of the Board of Commissioners of the Noble Metropolitan Housing Authority on July 24, 2007.

The Noble Metropolitan Housing Authority notified residents of the Public Housing Program and the Section 8 Housing Choice Voucher Program through written mail of the requirements of the Violence Against Women Act in February of 2008, and also incorporated that information in its Housing Choice Voucher Program briefings and Public Housing lease signings. All staff who work with clients of the Public Housing Program and Section 8 Housing Choice Voucher Program were given training and all necessary information regarding the Act. Refresher training will be scheduled periodically.

The Noble Metropolitan Housing Authority does not offer any activities, services, or programs that are intended to specifically help child or adult victims of domestic violence, dating violence, or stalking other than that required by law or regulation. The Noble Metropolitan Housing Authority always makes appropriate referrals when victims of domestic violence, dating violence, or stalking are identified.

The Noble Metropolitan Housing Authority has a working relationship with the Haven of Hope, a local domestic violence shelter that provides 24-hour services to child and adult victims of domestic violence, dating violence, sexual assault, and bullying. They provide a full range of crisis intervention, treatment, counseling, prevention and support services to individuals and families impacted by domestic violence and /or sexual assault.

Resident Advisory Board:

Changes:

There has been a change to the Admissions and Continued Occupancy Plan (ACOP) for the year 2007.

ACOP has been updated to include the Violence Against Women Act of 2005 (VAWA):

VAWA prohibits the denial of admission on the basis that the applicant is or has been a victim of domestic violence, dating violence or stalking.

Any criminal activity directly relating to domestic violence, dating violence or stalking engaged in by a member of the tenant's household shall not be cause for termination of the tenancy.

Comments:

I think it is fair to look at the information surrounding the criminal activity.

I would not want to discriminate against a victim.

I think it would be fine as long as the person responsible for the violence is not allowed in the home or to cause problems for the neighbors.
