**DE-CONCENTRATION AND INCOME TARGETING POLICY**  
**FOR THE**  
**HARRISBURG HOUSING AUTHORITY**  
**HARRISBURG, PENNSYLVANIA**

**DE-CONCENTRATION AND INCOME TARGETING POLICY**  
*(of the Public Housing Admissions and Occupancy Policy)*

Sub-Title A, Section 513 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA), establishes two interrelated requirements for implementation by Public Housing Authorities: (1) Economic De-concentration of public housing developments and (2) Income Targeting to assure that families in the “extremely low” income category are proportionately represented in public housing and that pockets of poverty are reduced or eliminated. In order to implement these new requirements the PHA must promote these provisions as policies and revise their Admission and Occupancy policies and procedures to comply.

Therefore, the Harrisburg Housing Authority, Harrisburg, PA(hereinafter referred to as PHA) hereby affirms its commitment to implementation of the two requirements by adopting the following policies:

A. Economic De-concentration:

Admission and Continued Occupancy Policies are revised to include the PHA’s policy of promoting economic de-concentration. Implementation of this program may require the PHA to determine the median income of residents in each development, determine the average income of residents in all developments, compute the Established Income Range (EIR), determine developments outside the EIR, and provide adequate explanations and/or policies as needed to promote economic de-concentration.

Implementation may include one or more of the following options:

- Skipping families on the waiting list based on income;
- Establishing preferences for working families;
- Establish preferences for families in job training programs;
- Establish preferences for families in education or training programs;
- Marketing campaign geared toward targeting income groups for specific developments;
- Additional supportive services;
- Additional amenities for all units;
- Flat rents for developments and unit sizes;
- Different tenant rent percentages per development;
- Different tenant rent percentages per bedroom size;
- Security Deposit waivers;
- Revised transfer policies;
- Site-based waiting lists;
- Mass Media advertising/Public service announcements; and
- Giveaways.

B. Income Targeting

As public housing dwelling units become available for occupancy, responsible PHA employees will offer units to applicants on the waiting list. In accordance with the Quality Housing and Work Responsibility Act of 1998, the PHA encourages occupancy of its developments by a broad range of families with incomes up to eighty percent (80%) of the median income for the jurisdiction in which the PHA operates. Depending on the availability of applicants with proper demographics, at a minimum, 40% of all new admissions to public housing **on an annual basis** may be families with incomes at or below thirty percent (30%)(extremely low-income) of the area median income. The offer of assistance will be made without discrimination because of race, color, religion, sex, national origin, age, handicap or familial status.

In order to implement the income targeting program, the following policy is adopted:

- The PHA may select, based on date and time of application and preferences, two (2) families in the extremely low-income category and two (2) families from the lower/very low-income category alternately until the forty percent (40%) admission requirement of extremely low-income families is achieved (2 plus 2 policy).
- After the minimum level is reached, all selections may be made based solely on date, time and preferences. Any applicants passed over as a result of implementing this 2 plus 2 policy will retain their place on the waiting list and will be offered a unit in order of their placement on the waiting list.
- To the maximum extent possible, the offers will also be made to affect the PHA's policy of economic de-concentration.
- The PHA reserves the option, at any time, to reduce the targeting requirement for public housing by no more than ten percent (10%), if it increases the target figure for its Section 8 program from the required level of seventy-five percent (75%) of annual new admissions to no more that eighty-five percent (85%) of its annual new admission. (Optional for PHAs with both Section 8 and Public Housing programs)

Community Service Description of Implementation

**Description of the Community Service Plan**

The Harrisburg Housing Authority Community Service Policy is simple and definitive of Section 512 of the Quality and Work Responsibility Act of 1998. The Harrisburg Housing Authority believes that the community service requirement should not be received by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents and opportunity to contribute to the communities that support them while gaining work experience. The requirement is easy and rewarding and the Housing Authority provides the residents with the name of agencies, the agencies point of contact and all required paper work necessary to accomplish the monthly service.

The Community Service Policy allows the PHA to identify those residents required to participate in the community service requirement. Participants will be required to contribute 8 hours of community service each month or to participate in a self-sufficiency program for 8 hours each month. Identified residents are responsible to determine the appropriateness of the voluntary service within guidelines provide in the policy. Allowed activities that may be included are listed in the policy. Voluntary political activities are prohibited from being considered to meet the Community Service requirement. Participation in self-sufficiency activities that may be included are listed in the policy. A list of exemptions that may be claimed from the requirement is provided in the policy. Family obligations and PHA obligations are addressed in detail. Lease requirements and documentation and non-compliance are all clearly addressed.

**Administrative Steps Taken To Implement The Requirement**

The following administrative steps were taken in implementing the PHA Community Service Policy. A written notification was sent to all residents regarding requirements on exempt status of each adult family member. Informed all residents that the program would be administered by the PHA, however; they are required to have their hours documented and signed by the agencies where they volunteered. Finally that the volunteer sheet required for filing would be provided by the PHA. The PHA maintains a tracking log.

**Programmatic Aspects Of The Requirements**

Activities that the residents can participate in and receive community service credit are Reading Mentors, Library Assistant, Salvation Army Store Clerk or clothes or other items Sorter, Office filing, assisting with Kids after school and homework Helper. The following agencies assist the residents in accomplishing their community service, Independent School District, Salvation Army, Boys and Girls Clubs, YMCA and the City

and School Libraries. For non-compliance with the Community Service Policy the PHA informed residents again of the requirements, then inform them of the consequences for non-compliance, i.e., grounds for eviction.

**Community Service Implementation Report**

Number of tenants performing community service: 266

Number of tenants granted exemptions: 1271

Number of tenants in non-compliance: 26

Number of tenant terminated/evicted due to non-compliance: 7

Progress in Meeting 5-Year Plan Goals

The Harrisburg Housing Authority has been successful in achieving its mission and 5 year plan goals during the fiscal year 2007. Goals are either completed or on target for completion as scheduled.

Concerning modernization the PHA has done substantial renovation of Hillside (Phase II) has begun and is in progress.

Concerning self-sufficiency and crime and safety, PHA efforts reduced crime in the communities through a concerted effort of cooperative agreements/Harrisburg City Police provided additional training for residents associations/councils; and stricter enforcement of leases.

Concerning improving the quality of life, PHA has been negotiating with Harrisburg City to develop sub-stations in high crime communities and increase police presence throughout all HHA communities.

To ensure compliance with the HUD's latest rules and regulations, every policy was reviewed and updated as needed. Most significant was the update to the Admissions and Continued Occupancy Policy and the Section 8 Administrative Plan.

Housing Authority of the City of the County of Mifflin  
FYB 2008 PHA Plan  
Comments of Resident Advisory Board

September 29, 2007  
Advisory Boar Meeting/Residents Council

Meeting was conducted by Mr. Leroy Robinson.

It's a HUD requirement that for the year 2008 we must have a plan made up by the advisory board, staff and the Pres. Of the resident council.

It is required that all community (sites) are complying with the Base Management rule. This means that every community (site) is responsible for their own expenses and each site will have a budget.

Question: Can't anyone see this plan?

Response: Yes, this plan will be posted at Central office for everyone to view.

HHA has a Maximum rent amount for every unit on site. HHA goal is to improve the quality of life for everyone by providing safe and affordable homes for everyone.

HHA has a goal for the Jackson Towers located at 1315 N. 6<sup>th</sup> Street. Their plan is to turn it into one (1) bedroom units.

Question: Why can't the building be use until it is ready for renovation?

Response: Building is not up to date and it will be too costly to move people in and then move them back out.

The Section 8 program is having problems with Landlords. They don't have enough qualified landlords for the program.

HHA has plans for the near future to set up a police sub-station in Hall Manor that will be monitored by the Harrisburg police. They will be working closely with HHA staff. The police officers assigned to this program will also serve the high rise sites. All background checks will be done by the HBG police.

Question: What is going to be done with the residents that have been here for many years but their children are no longer residing with them? What if the unit is too large for them? Can HHA make them move out?

Response: These families will be transferred to a smaller unit but we can't make them move out.

HHA will not be able to accomplish many of the goals because of all the cuts from the Federal Department.
