Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Housing Authority of the City of Hazleton hopes to retain its designation as a high-performing agency; therefore, it is authorized to submit a streamlined Public Housing Plan. Prior to finalizing the PHA Plan, the Housing Authority of the City of Hazleton consulted with the Hazleton Association of Resident Councils, whose comments are attached. In addition to the identified required and optional attachments and list of supporting documents, identified in the Plan, the Housing Authority utilized information provided in the City's Consolidated Plan.

Hazleton Consolidated Plan has identified a large number of families with housing needs. during the coming year, the Housing Authority of the City of Hazleton plans an aggressive outreach program to encourage those families to apply for all the housing assistance, support and educational training available to them.

Relative to eligibility, the Housing Authority of the City of Hazleton screens all applicants for both Section 8 and Public Housing Programs for criminal and drug related activity only to the extent required by law. A police sub station is operating out of our Community building located in our family development which helps deter criminal activity not only in the neighborhood of our family units, but that quadrant of the City. We also enforce our rules on criminal activity by adhering to our "One Strike and Your Out" Policy. Also, relative to eligibility, we are now required to check immigration status through the SAVE Program, Systematic Assessment of Verification of Eligibility for each new applicant.

We are also administering a ROSS Grant providing services to our senior citizens and we expect to continue our programs established in the inception. We are also in the process of conducting a needs assessment to obtain services for our elderly residents at little or no cost to them. We are also exploring new programs and grant opportunities to benefit our senior residents so that they can continue an independent life style for a longer period of time.

Also, we recently applied for a ROSS (Resident Opportunity and Self-Sufficiency Family and Homeownership Program) to assist our families to attain economic and housing self-sufficiency,

Our Housing Choice Voucher Homeownership Program with our partner, CEO, Commission on Economic Opportunity, continues. We have completed two (2) homeownership settlements and we continue to encourage families to enroll to achieve the goal of home ownership and become self-sufficient.

Our partnership with the local drug prevention agency, Sorrento Gardens, remains strong along with the Luzerne County Community College and the local Police Department and the Head Start Program. The majority of our children enrolled in the Head Start Program are the children of Residents that reside in the family community. We also have a family literacy program sponsored through the Luzerne County Community College.
