VIOLENCE AGAINST WOMEN ACT
PHA STATEMENT

The Lawrenceburg Housing Authority provides or offers referrals, training and information to anyone being abused. This includes child or adult victims of domestic violence, dating violence, sexual assault or stalking.

We are a partner in the local Social Service Community Board and have referral information available for the Families in Crisis, which is our local domestic abuse program. This agency is an excellent provider of information and refuge for victims of domestic violence.

We often provide housing to victims directly from the Families in Crisis that are fleeing domestic violence and need a safe place to reside. We refer our residents to the Families in Crisis shelter, when they need enhanced safety due to domestic violence.

Our local Police Department also provides training for our residents at our Resident Activity Centers on domestic violence and self defense.

We provide the VAWA Notice to all applicants and tenants of their rights under VAWA together with the HUD 50066 form. This notice includes the Domestic Violence hotline number and web address in addition to other information.

We are in the process of amending our lease to include additional language that clearly specifies our right to bifurcate the lease to evict the perpetrator while protecting the victims from domestic violence. It clearly specifies our right to bifurcate the lease to evict the perpetrator while protecting the victim.

VIOLENCE AGAINST WOMEN ACT
PHA POLICY

BACKGROUND

The Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA) provides protection for tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on such acts of violence against them.

In general, the law provides, in part, that criminal activity directly relating to domestic violence, dating violence or stalking, engaged in by a member of a tenant's household, or any guest or other persons under the tenant's control, shall not be cause for termination of assistance, tenancy or occupancy rights of the tenant or immediate family member if the tenant's family is the victim or threatened victim of the abuse. The law provides that an incident or incidents of actual or threatened domestic violence, dating violence or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence, and will not be "good cause" for termination of assistance, tenancy, or occupancy rights of a victim of such violence.

Furthermore, the law allows a PHA to "bifurcate" a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.

The VAWA also allows PHAs to request an individual to certify that the individual is a victim of abuse and that the incidences of abuse are bona fide. The certification must include the name of the perpetrator, and any other statutorily required information. The victim must provide the certification within 14 business days after the individual receives a request for such a certification from the PHA.

DEFINITIONS

The following definitions were incorporated into the United States Housing Act and apply to this policy:

Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with, or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Dating Violence: Violence committed by a person:

- who is or has been in a social relationship of a romantic or intimate nature with the victim; and

- where the existence of such a relationship shall be determined based on a consideration of the following factors: 1) the length of the relationship; 2) the type of relationship, and 3) the frequency of interaction between the persons involved in the relationship.

Stalking: To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to 1) that person; 2) a member of the immediate family of that person, or 3) the spouse or intimate partner of that person.

Immediate Family Member: A spouse, parent, brother or sister, or child of the person, or an individual to whom that person stands in loco parentis (in place of a parent); or any other person living in the household of that person and related to that person by blood or marriage.

POLICY

The following policy amends the *Admissions and Occupancy Policy (ACOP)* and the Apartment Lease by reference. Appropriate language will be added to the ACOP and Apartment lease at the next revision dates of each.

A copy of this policy is available at the main office of the housing authority. A copy will be made available on request.

Admissions and Occupancy and Termination of Assistance

Being a victim of domestic violence, dating violence, or stalking, will not be considered by the Lawrenceburg Housing Authority (LHA) to be a basis for denial of assistance, or admission to public housing if the application otherwise qualifies for assistance or admission.

Incidents or threats of abuse will not be construed by the LHA as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of a victim of abuse.

Criminal activity directly relating to abuse, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy or occupancy rights if the tenant or an immediate family member of the tenant’s family is the victim or threatened victim of the abuse.

Rights of the Lawrenceburg Housing Authority

The LHA may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant, and such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by federal, state and local law for the termination of leases, or assistance under HUD’s Public Housing Program.

Certification of Abuse and Confidentiality

The LHA will require that an individual certify that he/she is a victim of abuse and that the incidences of abuse are bonafide. The certification must include the name of the perpetrator, and any other statutorily required information. The victim must provide the certification to the PHA within 14 business days after the individual receives a request from the PHA. The individual may utilize the attached *Form HUD 50066, Certification of Domestic Violence, Dating Violence, or Stalking* to certify the abuse to the LHA. In lieu of Form HUD 50066, the individual may provide the LHA with documentation signed by an employee, agent, volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking, or the affects of the abuse, in which the professional attests (under penalty of perjury (28 U.S.C. 1746) to the professionals belief that the incident or incidents in question are bonafide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation. In cases where the individual does not submit the required certification, the PHA may terminate assistance.

Notification to Residents

The PHA will provide notice to all residents and applicants of their rights under Section 6 of the United States Housing Act of 1937 as amended by the Violence Against Women Act of 2005. These rights include the residents' right to confidentiality and the limits thereof, the availability of Form HUD 50066, and that the resident may not be evicted solely on the basis that they are a victim of domestic violence. A sample notice is included with this policy.

Confidentiality

All information provided to the LHA relating to the incident(s) of domestic violence, including the fact that the individual is a victim of domestic violence, dating violence, or stalking will be retained in confidence by the LHA and will not be entered into any shared database nor provided to a related entity, except to the extent that the disclosure is (a) requested or consented by the individual in writing; (b) required for use in an eviction proceeding or termination of assistance; or, (c) otherwise required by applicable law.
