## NEWPORT HOUSING AUTHORITY DECONCENTRATION POLICY

The Newport Housing Authority's policy to provide for deconcentration of poverty will consist of the following:

- A. Targeting: The income levels of families on the waiting list will be analyzed so that not less than 40% of admissions in any fiscal year will be families whose income does not exceed 30% of median income for the area.
- B. Income Mixing: Prior to the beginning of each fiscal year the NHA will analyze the income levels of families residing in each development to bring higher income families into lower income developments and lower income families into higher income developments.

The NHA will strive to insure that no individual development has a concentration of higher or lower income families. The NHA may skip families on the waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminatory manner.

The NHA will affirmatively market public housing to all eligible income groups. If necessary, the NHA will determine the level of additional marketing strategies and deconcentration incentives to implement the objective of this policy.

**IMPLEMENTATION OF PUBLIC HOUSING RESIDENT COMMUNITY  
SERVICE REQUIREMENTS**

**NEWPORT HOUSING AUTHORITY (NHA)**

The Newport Housing Authority has established guidelines for implementing the Community Service Requirement. Below is an abbreviated list. A complete Community Service Policy is available upon request, at the Main Office of Newport Housing Authority.

1. Notification

Resident’s file is checked to see if they are exempt from completing this requirement. If it appears that they are not exempt, a notice is sent to the resident requesting further information. If, after receiving additional information, the resident is not exempt, they are given a list of Community Service options.

2. Community Service Options

List includes, but is not limited to:

- |                               |          |
|-------------------------------|----------|
| NHA Resident Council (NHARAC) | Churches |
| Bread Basket                  | Schools  |
| Gentle Touch Ministries       | NHA      |
| Other non-profit agencies     |          |

3. Community Service Reporting

The NHA gives resident a list of Community Service Options that meet the requirement. Resident is responsible for selecting an activity and fulfilling their eight (8) hour per month requirement. Resident is given a form to be filled out monthly and turned back in to the NHA.

4. Failure to Comply

If Resident fails to comply, they are given two opportunities to complete their compliance with this requirement. If no attempt has been made to fulfill this requirement, the Resident is in violation of their lease; and the lease will not eligible for renewal at the scheduled re-examination time.

**Component 3, (6) Deconcentration and Income Mixing**

- a.  Yes  No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.
- b.  Yes  No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

<b>Deconcentration Policy for Covered Developments</b>			
<b>Development Name:</b>	<b>Number of Units</b>	<b>Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]</b>	<b>Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]</b>
TN60-002 Dr. Dennis Branch Homes		117.4%. This development is above the average because some of the tenants have gone to work. This has increased rental receipts therefore increasing the average.	See attachment tn060a01
TN060-009		122.1%. This development is above the average because it is an elderly apartment complex that is restricted due to age and income. All units are for the elderly that are on a fixed income.	See attachment tn060a01
