Required Attachment C: Comments of Resident Advisory Board and Explanation of PHA Response

A meeting of the Resident Advisory Board (RAB) was held on Wednesday, February 6th at 2:00 p.m. to discuss the 2008 Agency Plan. There was only one member present.

Comments of Resident Advisory Board and Explanation of PHA Response **(in bold)**:

1. Swing sets

Swing sets are a liability to the housing authority. At this time, there are no plans to put up swing sets.

2. Site lighting at TN64-002

The housing authority will look at the best locations to install lighting and work with the local utilities.

3. Dryer hook-ups at zero and one bedroom apartments. TN64-002

The housing authority just finished renovating the zero bedroom apartments. There is not room enough for a dryer without adding on to the apartment. At this time it isn't feasible.

4. Storm doors instead of screen doors

Storm doors cause increased utility bills. Residents keep their entry door open so that they can see outside and loose a lot of energy. That is why the screen doors were installed several years ago.

LOUDON HOUSING AUTHORITY DECONCENTRATION POLICY

The Loudon Housing Authority's policy to provide for deconcentration of poverty will consist of the following:

- A. Targeting: The income levels of families on the waiting list will be analyzed so that not less than 40% of admissions in any fiscal year will be families whose income does not exceed 30% of median income for the area.
- B. Income Mixing: Prior to the beginning of each fiscal year the LHA will analyze the income levels of families residing in each development to bring higher income families into lower income developments and lower income families into higher income developments.

The LHA will strive to insure that no individual development has a concentration of higher or lower income families. The LHA may skip families on the waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminatory manner.

The LHA will affirmatively market public housing to all eligible income groups. If necessary, the LHA will determine the level of additional marketing strategies and deconcentration incentives to implement the objective of this policy.
