The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

- Other: (list below)

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The PHA continues to house residents and participants that are identified in the Consolidated Plan by the State. The PHA continues to modernize its public housing units to provide safe, decent, and sanitary housing for Consolidated Plan targeted individuals and families, including the elderly and disabled

The PHA received approval from HUD on August 1, 2006 to allow two low-rent public housing (LRPH) units [Unit 174 at 1250 W. Fannin and Unit 160 at 400 Dolan Lane] to be occupied by police officers. HUD concluded that the PHA had met the requirements specified in 24 CFR part 960.505 for both police officers to live in the identified LRPH units and that while the two units would not be on the PHA's rent rolls, HUD would continue to provide the operating subsidy for these two units being occupied by the police officers. The unit located at 400 Dolan Lane has been vacated by the officer since the date of the approval. Due to the increased drug activity on and around our Alaniz Circle site, the PHA plans to house an officer at that site in unit #1 at 400-A West Stamper Street instead of re-occupying the previously approved unit at 400 Dolan Lane. It is the PHA's opinion that such occupancy is needed to increase security for public housing residents, as required in 24 CFR part 960.505. The PHA was approached by the Sheriff's Department to provide this unit to assist their Department and the Beeville Police Department's ongoing efforts to crack down on drug activity. It is requested that HUD designate both of these units as Exception units (7) Unit Occupied by Non-Assisted Person Providing Tenant or Neighborhood-Oriented services.
