The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

The meeting was called to order by Chuck Reed. Mr. Reed explained to the group that the purpose of the meeting was to discuss the 2008 Agency Plan, the Resident Survey and Significant Amendments to the Agency Plan.

He thanked every for participating in the meeting and explained that those in attendance would be considered Resident Board Members, he again requested if any one would be interested in serving on the Resident Board Committee that they submit resumes or requests to the Housing Authority. He then mentioned that the results of the survey were not yet available to us, and that once that information was received it would be passed along in a Newsletter to all tenants. He mentioned that a random survey would be sent out probably in November and encouraged everyone who received a survey to respond.

Mr. Reed explained that the 2005 CFP was finalized. That the 2006 CFP was nearly finalized, that all we were waiting on was the Physical Needs Assessment which was conducted by The Browne Group of Columbus, Ohio. That they had been to all sites and were in the process of working up the actual report. He further advised that the 2007 budget was recently funded at approximately 84% and that items in the plan were likely to be revised to include automatic door openers at Marcap Manor, and to install ceiling lights in the bedrooms at Sunset apartments. He explained that the other money in the 2007 CFP was for the roof at Ann Street, kitchen appliances at Sunset and termite re-treatment at both Ann Street and Sunset apartments.

When Mr. Reed mentioned that for 2008 we would most likely need to purchase a generator at Marcap Manor and upgrade the security cameras at Sunset apartments. Mr. Reed then asked the tenants what they would like to see change or modified at the respective project and the following items were mentioned:

Roscoe Hall and several other tenants what to see the parking lot increased and assigned parking spots issued. Don Tanner felt we needed additional handicapped parking spots. Karen Moss asked about having the heating and cooling ducts cleaned. It was mentioned that the tenants would like to see additional emergency call lights installed in other rooms in their apartments.

Also a brick barbecue for tenants to use during the summer. New refrigerators with the freezer compartment on the bottom, awnings outside of windows and rails around the bathroom

Mr. Reed explained to the tenants that the Housing Authority would take all items into consideration and incorporated into the plan based on cost and necessity. He thanked everyone for attending the meeting.

There being no more business or other matters to be discussed, the meeting was adjourned.

VOLUNTARY CONVERSION REQUIRED INITIAL ASSESSMENT

The initial assessment indicates that it is not economically feasible to convert our Ann Street apartments and is not applicable to Marcap Manor and Sunset Apartments as they are Elderly/Disabled facilities. Documentation of this is in our file for the 2008 Agency Plan.
