5.2	Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. Enhance current relationships and develop new relationships with PHAs so that families and property owners can benefit through the portability component of the Housing Choice Voucher Program. Maintain a leasing rate of 100% to lease the maximum units authorized by HUD. Educate staff on changing regulations that pertain to policies and procedures that affect the family’s eligibility and assistance. Network with other agencies through HUD and PHA groups. Broaden procedures on obtaining criminal background checks to include adult family members who were not subject to the new rule during the first implementation period. The PHA has terminated and denied assistance to families that have engaged in drug and criminal activities by working with the local law enforcement and federal agencies. The PHA has continuously scored a “High Performer” under HUD’s Section Eight Management Assessment Program (SEMAP) certification. The PHA will assist families that have been subjected to or victimized by a member of the family or household through a referral by The City of Glendale’s Homeless Continuum of Care. The PHA has provided information to families and property owners on the implemented VAWA requirements. PHA staff has been trained on recognizing situations within assisted households to eliminate negative decisions made against the family’s rental assistance, and to refer cases to management as appropriate for further evaluation.
