Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 2009, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.

 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and

Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

According to the 2000 Census, there were 7,400 people or 38.3% of the City's population living in poverty. Most of the housing stock in Highland Park was built in the 1920's and 1930's and is now about 75 to 85 years old.

Per the City of Highland Park Master Plan:

Highland Park has changed dramatically since the adoption of the previous Master Plan. The largest challenge to the city in recent decades was the decision of the Chrysler Corporation to move its corporate headquarters to Auburn Hills, removing jobs and a substantial portion of the city's tax base. This major economic loss was accompanied by a continued decline in the city's population.

Approximately one third of the city is in residential land use, with a large share of the housing in rental units. The residential land use pattern lends itself to a definition of four neighborhood areas, each containing approximately 3,000-5,000 residents and located northwest, northeast, southwest, and southeast of the town center at Woodward and Davison. Within these areas are two historic districts (Medbury – Grove Lawn and Highland Heights – Stevens' Historic Districts) and a mix of single-family and multi-family housing in ownership and rental units.

- 9.0 Highland Park's neighborhoods contain scattered vacant lots and buildings, particularly in the northeast and southwest quadrants of the city. In these areas, the vacant land is included as residential land use, but should be recognized as areas where new residential development is needed.

Highland Park is currently a community of approximately 20,050 people. The Southeast Michigan Council of Governments (SEMCOG) estimates the city's population will be 15,578 by 2020. It is important to note that this estimate does not consider the city's future development plans.

Ninety-six percent of owner occupied housing in Highland Park is currently valued under \$75,000. Renters occupy approximately 5,300 units in Highland Park, with nearly 80 percent paying less than \$500 monthly for rent in 1990. Fifty-eight percent of Highland Park's residential units are rental, and 29 percent are resident-owned homes. Approximately 12 percent are vacant.

Housing Types

Highland Park, through March 1990, was comprised of 7,215 housing structures built prior to 1960. Nearly 80 percent of the City's units are more than forty years old. From 1970 to 1979, 1310 housing units were built. Since the 1970s, only 316 units have been built in Highland Park, including Manchester Place and Benjamin Manor.

Need

Based on the income levels more than 38% live on incomes below poverty level. The need for affordable housing for low-income (families and elderly) is high. Lack of quality affordable housing has been a challenging issue since the economic downturn of Highland Park when Chrysler Corporation moved its headquarters. The HPHC struggles to provide affordable housing. Housing Choice Vouchers would be a great resource for the community. Currently, the HPHC does not have Housing Choice Vouchers in its portfolio.

- 9.1 **Strategy for Addressing Housing Needs.** Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

Refer to attachment mi007(g) for Housing Needs of Families on the Public Housing

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) **Progress in Meeting Mission and Goals.** Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

To sustain current standard and focus on continuous improvement-HPHC working diligently to remove its status as a trouble agency to a STANDARD PERFORMER. For the past two years HPHC has consistently maintained its standards of performance and is being responsive to HUD's requirements.

Increase customer satisfaction: HPHC hosts periodic meetings with residents to discuss concerns, modernization activities, program changes, maintenance issues, and tenant holiday activities.

Concentrate on efforts to improve specific management functions: With the assistance of a Management Consultant HPHC has improved many of its management functions such as operations, leasing, maintenance, implementation of Capital Fund Programs on a timely basis, and policy updates.

10.0 Provide continuous training to staff;-HPHC administration staff has been sent to trainings that enhance knowledge in programs.

Increase operational efficiencies;-HPHC with a small staff manages the entire public housing.

Implement effective cost controls: HPHC has implemented changes to health care providers, Renovate or modernize public housing units-HPHC has put forth plans to substantially modernize its public housing development and recently upgraded its Senior Building front lobby, community room and hallways.

(b) **Significant Amendment and Substantial Deviation/Modification.** Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

Highland Park Housing Commission Substantial deviations or significant amendments or modification are defined as discretionary changes in the plans or policies of the Highland Park Housing Commission that fundamentally change the mission, goals, objective, or plans of the agency and which require formal approval of the Board of Commissioners.

(c) PHAs must include or reference any applicable memorandum of agreement with HUD or any plan to improve performance. (Note: Standard and Troubled PHAs complete annually).

The Highland Park Housing Commission has in place a Memorandum of Agreement with the Detroit Field Office to improve plan performances and has provided updates to the plan consistently and has substantially complied with the requirements of the agreement.

11.0 **Required Submission for HUD Field Office Review.** In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Items (h) through (i) must be attached electronically with the PHA Plan. **Note:** Faxed copies of these documents will not be accepted by the Field Office.

5.1 HPHC shall not deny participation or admission to a program on the basis of a person's victim status, if the person otherwise qualifies for admission of assistance.

5.2 An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be a serious or repeated violation of the lease by victim and shall not be good cause for denying to a victim admission to a program, terminating Section 8 assistance or occupancy rights, or evicting a tenant.

5.3 Criminal activity directly related to domestic violence, dating violence, or stalking engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim of that domestic violence, dating violence or stalking.

5.4 Notwithstanding Sections 5.1, 5.2 and 5.3 HPHC an owner or manager may bifurcate a lease to evict, remove or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others without evicting, removing, terminating assistance to or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. 42 U.S.C. § 1437 d (l) (6) (B).

5.5 Nothing in Sections 5.1, 5.2 and 5.3 shall limit the authority of HPHC, an owner or manager, when notified, to honor court orders addressing rights of access to or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members when the family breaks up.

5.6 Nothing in Sections 5.1, 5.2 and 5.3 limits HPHC, an owner or manager's authority to evict or terminate assistance to any tenant for any violation of lease not premised on the act or acts of violence against the tenant or a member of the tenant's household. However HPHC, owner or manager may not hold a victim to a more demanding standard.

5.7 Nothing in Sections 5.1, 5.2 and 5.3 limits HPHC, an owner or manager's authority to evict or terminate assistance, or deny admission to a program if the HPHC, owner or manager can show an actual and imminent threat to other tenants, neighbors, guests, their employees, persons providing service to the property or others if the tenant family is not evicted or terminated from assistance or denied admission.

5.8 Nothing in Sections 5.1, 5.2 or 5.3 limits HPHC, an owner or manager's authority to deny admission, terminate assistance or evict a person who engages in criminal acts including but not limited to acts of physical violence or stalking against family members or others.

5.9 A Section 8 recipient who moves out of an assisted dwelling unit to protect their health or safety and who: a) is a victim under this Policy; b) reasonably believes he or she was imminently threatened by harm from further violence if he or she remains in the unit; and c) has complied with all other obligations of the Section 8 program may receive a voucher and move to another Section 8 jurisdiction.

5.10 A public housing or multi-family tenant who wants a transfer to protect their health or safety and who: a) is victim under this Policy; b) reasonably believes he or she was imminently threatened by harm from further violence if he or she remains in the unit; and c) has complied with all other obligations of the housing program may transfer to another HPHC unit, receive a Section 8 voucher and stay in HPHC jurisdiction or move to another Section 8 jurisdiction.

6.0 Actions Against a Perpetrator: HPHC may evict, terminate assistance, deny admission to a program or trespass a perpetrator from its property under this Policy. The victim shall take action to control or prevent the domestic violence, dating violence, or stalking. The action may include but is not limited to: a) obtaining and enforcing a restraining or no contact order or order for protection against the perpetrator; b) obtaining and enforcing a trespass against the perpetrator; c) enforcing HPHC or law enforcement's trespass of the perpetrator; d) preventing the delivery of the perpetrator's mail to the victim's unit; e) providing identifying information listed in 4.2; and f) other measures.

7.0 Notice to Applicants, Participants, Tenants and Section 8 Managers and Owners: HPHC shall provide notice to applicants, participants, tenants, managers and owners of their rights and obligations under Section 4.4 Confidentiality and Section 5.0 Appropriate Basis for Denial of Admission, Assistance or Tenancy.

8.0 Preferences: Families who are victims under VAWA will receive a preference in HPHC's housing assistance programs. Families who have been victims of domestic violence, dating violence or stalking shall provide: a) documentation signed by the victim and an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence or stalking or the effects of the abuse, in which the professional attests under penalty of perjury (28 U.S.C. § 1746) to the professional's belief that the incident(s) in question are bona fide incidents of abuse; or b) a federal, state, tribal, territorial or local police or court record to establish their victim status under this Policy.

9.0 Reporting Requirements: HPHC shall include in its 5 year plan a statement of goals, objectives, policies or programs that will serve the needs of victims. HPHC shall also include a description of activities, services or programs provided or offered either directly or in partnership with other service providers to victims, to help victims obtain or maintain housing or to prevent the abuse or to enhance the safety of victims.

10.0 Conflict and Scope: This Policy does not enlarge HPHC's duty under law, regulation or ordinance. If this Policy conflicts with the applicable law, regulation or ordinance, the law, regulation or ordinance shall control. If this Policy conflicts with another HPHC policy, this Policy will control.

11.0 Amendment: The Executive Director may amend this policy when it is reasonably necessary to effectuate the Policy's intent, purpose or interpretation. The proposed amendment along with the rationale for the amendment shall be submitted to the Executive Director for consideration. Where reasonably necessary, the Executive Director may approve the amendment. The amendment shall be effective and incorporated on the date that the Executive Director signs the amendment
