(1) Income Based Rent Policies

Describe the PHA's income based rent setting policy/ies for public housing using, including discretionary (that is, not required by statute or regulation) income disregards and exclusions, in the appropriate spaces below.

a. Use of discretionary policies: (select one of the following two)

- The PHA will not employ any discretionary rent-setting policies for income-based rent in public housing. Income-based rents are set at the higher of 30% of adjusted monthly income, 10% of unadjusted monthly income, the welfare rent, or minimum rent (less HUD mandatory deductions and exclusions). (If selected, skip to sub-component (2))
- The PHA employs discretionary policies for determining income-based rent (If selected, continue to question b.)

b. Minimum Rent

1. What amount best reflects the PHA's minimum rent? (select one)

- \$0
 \$1-\$25
 \$26-\$50

2. Yes No: Has the PHA adopted any discretionary minimum rent hardship exemption policies?

2. If yes to question 2, list these policies below:

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the TTP is the highest of the remaining components of the family's calculated TTP.

Financial hardship includes the following situations:

(1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

PHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

(2) The family would be evicted because it is unable to pay the minimum rent.

PHA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent or tenant-paid utilities.

(3) Family income has decreased because of changed family circumstances, including the loss of employment.

(4) A death has occurred in the family.

PHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

(5) The family has experienced other circumstances determined by the PHA.

PHA Policy

The PHA has not established any additional hardship criteria.

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2002 - 2007)

The Housing Authority scored 100% overall on PHAS and 100 % on the Resident Service and Satisfaction Assessment. During 2008, the Housing Authority maintained a vacancy rate for Public Housing of less than (3) percent. This would indicate that the Housing Authority is meeting or exceeding the HUD goal of increasing the availability of decent, safe, affordable housing in good repair.

This Housing Authority is striving to improve the community quality of life and economic suitability by recruiting a tenant body composed of families with a broad range of incomes to avoid concentration of the most economically deprived families. The HA has used a local preference system to select from applicants on the waiting list who have family incomes within adopted income ranges. This HA will also continue to implement security patrol as needed in our developments and enforce the Screening and Eviction Policy (Formerly "One Strike").

This Housing Authority is striving to meet the HUD goal of Promoting self-sufficiency of families and individuals by implementing Section 512, Community Service & Self-Sufficiency requirement, of the Quality Housing & Work Responsibility Act of 1998.

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. a. Substantial Deviation from the 5-Year Plan

"Substantial Deviation" of the Annual Plan from the 5-Year Plan is defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners

b. Significant Amendment or Modification to the Annual Plan
“Significant Amendment or Modification” of the Annual Plan or 5-Year Plan
is:

- i. Changes to rent or admissions policies or organization of the waiting list; or
- ii. Additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.

Resident Advisory Boards Comments Received on WHA's Agency Plan

The following is a list of comments received during the resident meeting and WHA's responses regarding the Agency Plan:

1. The residents requested storm doors that seal and have an openable window in the front. The residents stated that they would like to be able to leave their metal door open. **(WHA will not install storm doors since the entrance and back doors are metal energy efficient doors.)**
2. The residents requested a storm shelter. **(WHA will not build a storm shelter. This has been done in the past in other towns by local governments with the assistance of federal grant money. The storm shelters, if built by local governments, must be accessible to the public at large. If the shelter is built on WHA property, it opens up the housing authority to liability issues, extraordinary maintenance, and provides a place for undesirables to congregate.)**
3. The residents requested door bells. **(WHA will not add doorbells. The doorbells will add unnecessary maintenance work to keep them in good working order.)**

INITIAL ASSESSMENT OF VOLUNTARY CONVERSION OF PUBLIC HOUSING DEVELOPMENT

Dr. George C. Smith
Attention: Gloria Smith

PHA: Walnut Housing Authority (WHA)

Exemption: The PHA must conduct a required initial assessment once for each of its developments, unless:

- The development is subject to required conversion under 24 CFR part 971;
- The development is the subject of an application for demolition or disposition that has not been disapproved by HUD;
- A Hope VI revitalization grant has been awarded for the development;
- The development is designated for occupancy by the elderly and/or persons with disabilities; or
- Not applicable

Certification: The PHA hereby certifies that it has:

- Reviewed the development's operation as public housing;
- Considered the implications of converting the public housing to tenant based assistance; and
- Concluded that conversion of the development may be:
 - Appropriate because removal would meet the necessary conditions for voluntary conversion as follows:
 - The conversion will not be more expensive than continuing to operate the development or portion of it as public housing;
 - The conversion will principally benefit the residents of the public housing development to be converted and the community; and
 - The conversion will not adversely affect the availability of affordable housing in the community.
 - Inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion as described above.

Reasons for the Assessment: Required per 24 CFR 972 dtd June 22, 2001, Voluntary Conversion of Developments From Public Housing Stock; Required Initial Assessments; Final Rule.

Certified by: Thomas M. Coleman
Executive Director

Date: September 11, 2001

Violence Against Women Act

Walnut Housing Authority (WHA) has implemented policies in the Admission to and Continued Occupancy Plan (ACOP) in order to be in compliance with the Violence Against Women Act and better serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking.

First, WHA implemented policies in the ACOP which prohibits the denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking. Definitions for domestic violence, dating violence, stalking, and immediate family members have also been added to both the ACOP and AP. Notification and victim documentation, perpetrator removal or documentation of rehabilitation policies, and PHA documentation requirements have been adopted for both the ACOP and AP as well.

Second, WHA has implemented policies in the ACOP which allow the resident to move or transfer to avoid domestic violence, dating violence, or stalking.

Third, WHA has implemented policies in the ACOP concerning the termination of assistance for victims of domestic violence, dating violence, or stalking. These policies outline victim documentation, terminating or evicting a perpetrator of domestic violence, and PHA confidentiality requirements.

Finally, WHA has implemented policies in the ACOP concerning notification to applicants and tenants regarding protections under the Violence Against Women Act. Tenants, applicants, and all other stakeholders have been notified of these changes in policy.
