- Financial Resources
- Fiscal Year Audit
- Asset Management

(b) The Housing Authority’s Five-Year and Annual Plans are available for review by the public at the Authority’s central office: 8881 Amboy Avenue, Perth Amboy, New Jersey.

PHA Plan Elements

1. **Eligibility, Selection and Admissions Policies:** The Authority has modified its Admissions and Occupancy Policies for Public Housing and its Section 8 Housing Assistance Payments Administrative Plan to comply with changes to federal housing statutes. As part of those changes, the Housing Authority has revised its preference system for both public housing and section 8 admissions. The federal preferences have been modified by the inclusion of a series of local preferences. Those changes will target assistance to meet the determined need, increase the number of working families in the programs, de-concentrate poverty and promote mixed income communities

2. **Financial Resources:** The Authority anticipates that it will have a total of approximately \$15,069,395 available to operate its various programs and activities during the next year. These funds will be from federal grants received during this year, unobligated funds from federal grants received in previous years, rental income and non-federal income sources.

The Authority has established the payment standard to set the gross rents (payment to landlord plus utility allowances) for the section 8 programs at 100% of the Fair Market Rents (FMR) for the area. The Housing Authority has also established a \$50.00 minimum rent for both public housing and section 8 programs.

7. **Community Service and Self-Sufficiency:** The Housing Authority operates a number of programs that are geared to providing supportive service and enhancing the self-sufficiency of its residents. It operates a Family Self-Sufficiency (FSS) program, a Welfare to Work Program, and a Voucher Homeownership Program that are available to both public housing and section 8 residents and are geared to promoting economic self-sufficiency.
8. **Safety and Crime Programs:** In conjunction with the Perth Amboy Police Department, the Housing Authority has conducted an assessment of crime and safety issues and has developed a series of activities geared to sustaining and improving the overall safety of public housing developments. In doing its modernization work, the Authority utilizes design features that have been proven to improve security and safety. The Authority also has targeted recreation and training programs to at risk youth. Most importantly, it has forged a cooperative relationship with the Perth Amboy Police Department to prevent crime in public housing. The development that is most affected is William A. Dunlap Homes.
9. **Pets:** Residents have the right to keep pets in accordance with HUD regulations at 24 CFR Part 960, Subpart G; New Jersey State Law; City of Perth Amboy applicable ordinances; and Perth Amboy Housing Authority policies. The Housing Authority's pet policies: set limits on the number and types of pets allowed; require residents to register pets, obtain a pet permit, pay a permit application fee (not required for elderly residents), and post a security deposit for potential damage; and set forth conditions for pet management and control.
10. **Civil Rights Certifications:** The civil rights certifications are included in the PHA Plan Certifications of Compliance with the PHA Plans and Related Regulations. The Housing Authority examines its housing programs to identify any impediments to fair housing choice within those programs and addresses those impediments in a reasonable fashion in view of the resources available. The Housing Authority works with the City of Perth Amboy to implement the City's initiatives to affirmatively further fair housing and housing opportunities. The Housing Authority's PHA Annual Plan is consistent with the Consolidated Plan of the City of Perth Amboy.

11. **Fiscal Year Audit:** A fiscal audit for the Housing Authority's fiscal years ended March 31, 2007 and 2008 was submitted to HUD on October 15, 2008. There were no findings as the result of that audit.
12. **Asset Management:** The Housing Authority assessed its entire portfolio of public housing properties and the market place. The results of that assessment form the basis for the long-term strategic planning decisions for the Authority. To comply with the Public Housing Operating Fund Rule, the Authority has established three asset management projects (AMPs) for project-based funding, accounting, budgeting, management and performance assessment. These are as follows:
- NJ006000001, William A. Dunlap Homes AMP
 - NJ006004005, Stack Apartments-Hansen Apartments AMP
 - NJ006010011, Otlowski Gardens-Dzema Gardens-Sofield Gardens AMP
13. **Violence Against Women Act (VAWA):** The Housing Authority undertakes affirmative measures: to protect adult and child victims of domestic violence, dating violence, sexual assault or stalking, who are residents of public housing or assisted through the Section 8 Voucher program, from loss of tenancy or housing assistance; and to serve the needs of adult and child victims of domestic violence, dating violence, sexual assault or stalking.

The Housing Authority's Admissions and Occupancy Policy for Public Housing and its Section 8 Housing Assistance Payments Administrative Plan provide that adult and child victims of domestic violence, dating violence, sexual assault or stalking shall not be subject to eviction, loss of tenancy or occupancy rights, or termination of housing assistance, or otherwise penalized as a result of criminal activity directly relating to domestic violence, dating violence or stalking engaged in by a member of a tenant's household, or any guest or other person under the tenant's control if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that domestic violence, dating violence or stalking. The Housing Authority's Admissions and Occupancy Policy for Public Housing and its Section 8 Housing Assistance Payments Administrative Plan also provide for preference in admissions or selection for assistance to applicants displaced as a result of domestic violence.

The Housing Authority notifies its staff members involved in the management of public housing and the Section 8 program, and property owners receiving Section 8 housing assistance payments of their rights and obligations under Public Law 109-162.

The Housing Authority refers residents, Section 8 participants, and applicants who are victims or threatened victims of domestic violence, dating violence, sexual assault or stalking to the Perth Amboy Police Department's Domestic Violence Response Team for counseling and other assistance.

7.0 Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers

As part of its Five-Year Plan, the Housing Authority seeks to expand the availability of assisted housing. The site of the former Middlesex County Vocational-Technical High School will be redeveloped into a new housing facility for the elderly and disabled through a mixed finance development program. Replacement Housing Factor grant funds and excess operating reserves will be used to leverage conventional financing, Low-Income Housing Tax Credits, Balanced Housing funds, Project-Based Vouchers, and other sources of financing for this development. Replacement Housing Factor grant funds will be leveraged by not less than 2 times the public housing investment to attract private and other investment.

The current plans for the redevelopment of Delaney Homes include the demolition of the existing units, and the Housing Authority has received authority from HUD to demolish Delaney Homes.

The Housing Authority does not intend to convert any of its conventional public housing developments to tenant based vouchers.

The Housing Authority presently has developed a homeownership program in conjunction with its Section 8 Family Self-Sufficiency Program. It hopes to have placed additional qualified families into homeownership by the end of FY 2009.

8.0 Capital Improvements

The Authority has established the capital needs that it intends to address during this year and in subsequent years. These needs are detailed in the Annual Statement for the Federal Fiscal Year 2009 Capital Fund Program Grant NJ39-P005-50109; the Performance and Evaluation Reports for the FFYs 2006-2008 CFP Grants NJ39-P006-50106, -50107 and 50108; and the CFP Five-Year Action Plan for FFYs 2009-2013, which are attached to this PHA Annual Plan. The Authority has \$938,054 of unobligated funds from previous Capital Fund Program grants (as of 9/30/2008) and anticipates an additional \$1,200,000 of CFP funds in FY 2009. The Housing Authority will use these funds for various capital and management improvements at the following developments:

- William A. Dunlap Homes AMP, NJ 006000001
- Richard F. Stack Apartments- Wesley T. Hansen Apartments AMP, NJ 006004005
- George J. Otlowski Sr. Gardens-Douglas G. Dzema Gardens- John E. Sofield Gardens AMP, NJ006010011

A portion of the CFP funds will be used for debt service for bond financing provided through the Capital Fund Financing Program, New Jersey Housing and Mortgage Finance Agency CFP Revenue Bonds 2004 Series A. The bond proceeds and interest were used from 2005 through 2008 to accelerate the modernization of Dunlap Homes, Stack Apartments and Hansen Apartments. A Performance and Evaluation Report for the CFFP is attached to this PHA Annual Plan.

Strategies for Addressing Housing Needs

The Housing Authority will take the following actions to address housing needs:

- Employ effective maintenance and management policies to minimize the number of public housing units off-line.
- Reduce turnover time for vacated public housing units.
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction.
- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units.
- Market the section 8 program to owners outside of areas of poverty /minority concentrations.
- Affirmatively market to local non-profit agencies that assist the elderly and families with disabilities.
- Apply for additional section 8 vouchers, including special-purpose vouchers targeted to the elderly or families with disabilities and project-based vouchers, should they become available.
- Seek replacement of public housing units lost to the inventory and leverage other affordable housing resources through mixed finance development.
- Convert a number of existing tenant-based vouchers to project-based vouchers and target these to leverage the development of an enhanced living housing facility for low-income elderly residents.
