TARRYTOWN MUNICIPAL HOUSING AUTHORITY

AGENCY PLAN

-EXECUTIVE SUMMARY-

The Tarrytown Municipal Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act and the ensuing HUD requirements.

As indicated, the Authority, has adopted the following mission of HUD: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The plans, statements, and policies set forth and/or referenced in this Agency Plan all lead toward the accomplishment of the Authority's goals and objectives as outlined under Section B of their 5 Year Plan. The highlights of the major initiatives of the Authority's Agency Plan are as follows:

- 1.) The Authority seeks to employ effective maintenance and management policies to minimize the number of public housing units off-line.
- 2.) The Authority seeks to renovate/modernize public housing sites.
- 3.) The Authority seeks to maintain its vacancy rate at 0% via effective management procedures.
- 4.) The Authority seeks to provide or attract supportive services to increase independence for families with children, elderly families, and families with disabilities.
- 5.) The Authority seeks to improve its PHAS (Public Housing Assessment Score) via effective management procedures.

Attachment B

DECONCENTRATION POLICY

It is the Tarrytown Municipal Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Tarrytown Municipal Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the applicable waiting list(s). Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to be implemented.

Attachment C

Attachment D

PHA CRITERIA FOR AMENDMENTS TO PLAN

Pursuant to applicable HUD regulations, a PHA may change or modify its Annual and Five-Year Plans and the policies described therein. However any “significant amendment or modification” to the Annual Plan and any “substantial deviations” from the Five-Year Plan would require that the PHA submit a revised Plan that has met full public process requirements, including Resident Advisory Board review.

The Tarrytown Municipal Housing Authority will consider the following to be “significant amendments or modifications”:

- 1.) Changes to rent or admission policies or organization of the waiting list.
- 2.) Changes to operations and management policies.
- 3.) Changes to grievance procedures.
- 4.) Additions of non-emergency work items (items not included in the current Annual Statement of - Year Action Plan) or change in use of replacement reserve funds under the Capital Fund
- 5.) Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

The Tarrytown Municipal Housing Authority will consider the following to constitute a “substantial deviation” from the Five-Year Plan:

- 1.) Any modification to the PHA’s Mission Statement or any substantial modification to the PHA’s goals and/or objectives.

An exception to these definitions will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered substantial deviations or significant amendments by the Authority.

Ms. Mirza Negron Morales
Director Office of Public Housing
26 Federal Plaza
New York, New York 10278

Dear Ms. Negron-Morales:

As the Environmental Department of the Village of Tarrytown, we have determined on June 2, 2009, that based on the information submitted to us by the Tarrytown Municipal Housing Authority that under the regulations of 24 CFR 58.34 no further environmental review is needed. This determination was based on a review of planned capital and operating fund expenditures as contained in the agencies Streamlined Annual PHA Plan, Fiscal Year 2009 (24 CFR Part 903.12C). We have found all activities planned for by the Tarrytown Municipal Housing Authority are covered by the following exemptions:

24 CFR 58.34(a)(8) that states, "Engineering or design costs;" are exempt.

24CFR 58.34(a)(10) that states, "Assistance for temporary or permanent improvements that do not alter environmental conditions and are limited to protection, repair, and restoration activities necessary only to control or arrest the effects of disasters or imminent threats to public safety including those resulting from physical deterioration;" are exempt.

24 CFR 58.35(b) which lists the following exemption: (3) operating costs including maintenance, security, operation, utilities, furnishings, equipment, supplies, staff training and recruitment and other incidental costs.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the X 5-Year and/or ___ Annual PHA Plan for the PHA fiscal year beginning 2009, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
