

PHA Plan Update

(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:

Violence Against Women Act (VAWA)

The Violence Against Women and Justice Department Reauthorization Act of 2005 protects tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from HUD Section 8 assistance based on acts of violence against them.

In compliance with the law, the New York State Division of Housing and Community Renewal (DHCR), as PHA, issued several notices to its Local Administrators (LAs), the entities who are responsible for the day-to-day administration of the Housing Choice Voucher (HCV) Program, advising them of the requirements under the law.

Specifically, the LAs were instructed to notify their program participants and landlords of the provisions of VAWA, utilize the revised HUD forms for new HAP Contracts and new leases, and provide all landlords with the "VAWA - Landlords Rights and Responsibilities" fact sheet prepared by DHCR, as noted below:

- Revised HAP Contract (HUD-52641) and Tenancy Addendum (HUD-52641A)
- HUD form 50066, *Certification of Domestic Violence, Dating Violence, or Stalking*
- DHCR Information Sheet outlining Landlord Rights and Responsibilities

DHCR also advised the LAs of the availability of the HUD forms on the HUD website and on DHCR's Housing Choice Voucher forms website page.

Provisions for ongoing VAWA notification of program participants and landlords are being included in DHCR's revised Administrative Plan.

(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. – **The 5-Year and Annual Plan will be available for review at the following DHCR Regional Office locations:**

7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p>Home Ownership: The family must be a DHCR Section 8 participant for at least one year, and be a first-time home owner, or single-parent displaced homemaker. The family must attend home buyer education classes and be credit-qualified and pre-approved by a mortgage lending institution. The family must not have defaulted on a previous mortgage. The type of home a family may purchase utilizing Section 8 Voucher assistance includes single-family, co-operative, condominium or manufactured homes. The home that the family chooses to purchase must pass a housing quality (HQS) inspection before voucher assistance can be authorized. The family must also arrange and pay for an independent professional inspection of the home, and provide a copy of the inspection report to the local Section 8 Program. Based on findings in the professional inspection report, the local Section 8 Program reserves the right to authorize voucher assistance.</p> <p>For home buyer education classes, DHCR has partnered with several HUD-approved housing counseling agencies located in each local program area. Generally, once an individual or family has completed home buyer education classes and received housing counseling services, they may apply to a mortgage lending institution of their choice in order to become pre-approved for a mortgage and begin shopping for a home. The mortgage lender must meet HUD guidelines as set forth in Section 8 Voucher Home Ownership Program regulations. The family is also responsible for any down payment on the home. Not less than 1% of any required down payment must come from the family's personal resources. After the closing occurs, the family must occupy the home as their primary residence - no sub-letting is allowed.</p> <p>DHCR currently has 240 home owners in its Section 8 Home Ownership Program.</p> <p>Project-based Vouchers: The Statewide Section 8 Program believes that project-basing of our Section 8 vouchers will provide tenants with better opportunities for decent, safe and sanitary housing. Project-based voucher tenants will be provided with better quality housing, eliminating some of the HQS problems that arise. Project-basing also allows us to create additional housing to support our Housing Choice Voucher allocation and increase the housing supply.</p> <p>Brooklyn, New York (Kings County) Number of Project-Based Voucher Units: 26</p> <p>East Harlem, New York (New York County) Number of Project-Based Voucher Units: 5</p> <p>Batavia, New York (Genesee County) Number of Project-Based Voucher Units: 8</p>
