Annual Plan for Fiscal Year 2009

(CMHA Fiscal Year 2009: July 1, 2009 – June 30, 2010)

Resolution # 4274 – Approval by the CMHA Board of Commissioners at the April 14 2009 meeting

new or revised policy or procedure mandated by HUD.

- Submit an Elderly Designation Plan for Regal Manor and Baldwin Grove.

Renovate or modernize public housing units:

- Implement the Capital Fund Program schedule.
- CMHA will perform routine maintenance to assure that units are within UPCS compliance.
- CMHA will implement a sound preventive maintenance program to help extend the useful life of all systems and equipment.
- Design a data base using Microsoft Access for the Modernization Department that will track projects, create product life expectancy tables, queries, forms, and reports to aid the agency in efficient use of Capital Funds.
- Complete 100% of scheduled fiscal year renovation projects on budget and on schedule.
- Identify staffing levels needed to address maintenance issues and PHAS Physical Management Scores through predictive and preventive preservation strategies.
- Complete an up to date Physical Needs Assessment of the agencies properties to help indentify widespread/ systemic deficiencies.

6.0(b)(3) Rent Determination

CMHA's *Low Income Public Housing Admissions & Continued Occupancy Policy* contains the following policies governing rents charged for Low Income Public Housing (LIPH) dwelling units.

Low Income Public House (LIPH)

- Minimum Rent
 - \$50
- Earned Income Disregarded
 - Twenty percent of a residents earned income is disregarded.
 - Residents paying child support may receive a deduction of up to \$480 in their adjusted income for purposes of calculating rent.
 - 24-month earned income disallowance required by Section 3(d) of the Housing Act of 1937, as amended, 42 USC §1437a(d).
- Ceiling Rent
 - The ceiling rents have been set in a manner that encourages self-sufficiency and does not create disincentives for continued residency by families who are attempting to become economically self-sufficient.
- Change in Income Between Annual Reexamination
 - When combined income increases average in excess of \$100 per month

CMHA's *Housing Choice Voucher Section 8 Program Administrative Plan* contains the following policies governing rents charged for HCV dwelling units.

In accordance with HUD regulations, and at CMHA's discretion, the Voucher Payment Standard amount is set by CMHA between 90 percent and 110 percent of the HUD published FMR. This is considered the basic range. CMHA reviews the appropriateness of the Payment Standard annually when the FMR is published. In determining whether a change is needed, CMHA will ensure that the Payment Standard is always within the range of 90 percent to 110 percent of the new FMR, unless an exception payment standard has been approved by HUD.

CMHA may approve a higher payment standard within the basic range, if required as a reasonable accommodation for a family that includes a person with disabilities.

6.0(b)(6) Designated Housing for Elderly and Disabled Families

In 2009, CMHA is planning to submit a Senior Designation application for Baldwin Grove, OH 004-62 and Regal Manor OH 004-047. Baldwin Grove is a newly constructed, 100unit building, with one and two bedrooms units. The Regal Manor was constructed in 2002 and has 50 units consisting of 54 one and two bedroom units.

Development Name	Designation Type	Application Date	Approval Date	Number of units Affected
Baldwin Grove	OH 004-62	Submitting by 6/2009	N/A	100
Regal Manor	OH 004-047	Submitting by 6/2009	N/A	54

6.0(b)(7) Community Service and Self-Sufficiency

CMHA's will continue to develop and promote strong working relationships with other social service providers so residents are identified and appropriately served.

- Promote a "we care" attitude to residents and the community so that they feel secure in bringing their problems and concerns to us.
- Access all available federal, state, local and private foundation resources for the delivery and enhancement of needed residential services.
- Establish educational, training and employment opportunities as the principal objective in designing programs for assisting residents.
- Preserve the 501C3 Non-Profit status in order meet additional funding needs of the agency and resident services. Coordinate with local transportation companies and others to develop transportation services for working residents who are in need of transportation to and from work.

Senior/Disabled:

- Improve the quality of life for senior and disabled residents through onsite supportive services.
- Expand Senior and Disabled input on the Resident Council.
- Evaluate the need for increasing housing opportunities beyond independent living.

Family:

- Promote enrollment in progressive financial/social programs that promote self-sufficiency (FSS, Flat Rents, etc.)
- Develop a variety of growth and learning opportunities for the younger residents.
- Continue to evaluate waiting list applicants and provide services/linkages to other agencies to prevent homelessness.

6.0(b)(7)(2) Any policies or programs of the PHA for the enhancement of the economic and social self-sufficiency of assisted families, including programs under Section 3 and FSS:

The overall goal of our Family Self Sufficiency (FSS) Program is to promote economic self-sufficiency through the coordination and delivery of existing community services.

The overall goal of the FSS Program is to achieve the following objectives:

- Introduce FSS to all families who are eligible to participate with the understanding that the commitment to change "begins from within."
- Implement a needs assessment to identify each family's strengths and the societal and individual barriers that impede their self-sufficiency.
- Establish interim goals for each family that establish a foundation for the final goal of economic self-sufficiency.

CMHA's goals for completion of the FSS Contract of Participation for each family include:

- To seek and maintain suitable employment (defined as a minimum of 30 hours worked per week for at least one year immediately preceding expiration of the FSS contract);

- To become independent of welfare assistance and remain independent for 12 consecutive months before the FSS Contact expires; and
- To be in good standing with no current or anticipated debt to either the Housing Choice Voucher (HCV) Program or the Landlord.

The overall plan for the family participating in FSS is to achieve the following objectives:

- Begin to recognize the connection between self-perceptions and self-imposed limitations. By learning that thoughts can shape and form one's life, the prescription for success is to "begin within."
- Achieve a greater level of self-discipline, self-esteem and self-motivation by accepting responsibility for decisions and actions.
- Demonstrate commitment and accountability to the Individual Training and Services Plan in which both goals and barriers are assessed.

CMHA's FSS Coordinators must establish interagency partnerships to achieve high quality, long-term and comprehensive service delivery to all members of each FSS family. They are also required to meet with FSS participants annually to review goals and assess the accountability of the families and the agencies involved.

The entire HCV staff is encouraged to promote FSS during daily contact with families.

6.0(b)(8) Safety and Crime Prevention

6.0(b)(8)(i) *A description of the need for measures to ensure the safety of public housing residents.*

The CMHA has implemented multiple measures to gauge resident safety, both real and perceived.

Police calls for service, reported crime and arrest information is frequently queried against CMHA addresses to track the type of crime occurring on public housing property. Analyzing crime locations, dates and times allows us to gauge the increases or decreases in criminal activity on our property. The end result is information that allows us to tailor enforcement programs to specific areas and ultimately work with local law enforcement, residents and employees to address the activity.

Perceived safety is of great importance and is continuously measured by staff. To better understand resident's concerns Security Operations employees regularly attend resident council meetings at various public housing properties to address security related questions and discuss proposed solutions. Resident surveys are used to gauge resident's feelings about the safety and security where they reside. These surveys provide residents with an avenue to express their opinions and share information anonymously.

6.0(b)(8)(ii) *A description of any crime prevention activities conducted or to be conducted by the PHA.*

A vast array of crime prevention programs, processes and activities are conducted by the CMHA Security Operations Division to address criminal activity and resident safety in public housing.

Trespass Program – The criminal trespass program is designed to address the number of non-residents loitering on public housing property to commit criminal or nuisance offenses. Non-residents that commit crime on or are arrested on CMHA public housing property are issued a trespass warning informing them that they are subject to prosecution for Criminal Trespass should they return to any CMHA property without authorization. CMHA staff and local law enforcement officers also issue trespass warnings to non-residents that are observed committing nuisance acts on CMHA property. Those issued trespass warnings are placed on the criminal trespass list and the list is updated monthly and provided to officers throughout the area for enforcement.

Trespass Sweeps – Random trespass sweeps are conducted in high crime areas to identify unauthorized persons loitering on public housing property to commit criminal offenses. This joint effort between CMHA Security Operations and local law enforcement departments not only reduces crime but also improves relationships with outside agencies and residents living in these communities.

Security guards – Contracted unarmed uniformed security guards are assigned to monitor ingress and egress during evening and early morning hours at many CMHA's public housing hi-rise buildings. Visitors are identified and their entry and exit times are documented.

Secured Entry – Hi-rise buildings are equipped with electronic entries to regulate traffic. Resident identification cards allow them access to the buildings. Visitors are required to use an electronic call box to contact the person they are visiting. The resident is then able to activate the entry door to allow them in.

Parking Tow Services – CMHA public housing and office parking areas are monitored and regulated by a contracted tow service. Vehicles found to be in violation of CMHA's parking regulations are warned, documented and towed from the lot if necessary. This service is provided each day with a dedicated person that patrols the properties and locates violations. This program not only improves aesthetics but has also reduced the number of junk and stolen vehicles abandoned on CMHA property.

Cameras – More than 150 cameras are used throughout public housing properties and office areas to monitor, deter and assist in the investigation of criminal and nuisance activity. Residents in hi-rise buildings can access cameras in their building through their television set. This access empowers residents and provides them with the means to report any suspicious or criminal activity they might observe taking place.

Resident Crime Prevention Training – Crime prevention and personal safety presentations are available to residents. These presentations are specific to CMHA public housing residents and the properties where they reside. Whether it is fire safety or identity theft prevention training CMHA Security Operations strives to provide interesting, relevant and useful information.

Surveillance – Local law enforcement agencies are provided with secure locations for surveillance purposes during drug investigations on and around public housing properties. Access to CMHA offices and vacant units allows them to observe activity, take enforcement action and ultimately reduce crime in the area.

Crime Mapping and Analysis – Crime analysis methods are used to map out crime data and better understand where and why crime is occurring on public housing property. The mapping aspect provides a visual reference while the analysis aspect helps us to focus on the specific areas so we can better allocate resources.

Police Detail Officers – Off duty police officers are often scheduled at public housing properties to provide additional security and prevent criminal activity. Officers working these details are proactive in enforcing the CMHA trespass policy and reducing crime through walking patrols and interaction with residents, visitors and employees.

CPTED – Crime Prevention Through Environmental Design principles are used when assessing pedestrian traffic, vehicle traffic, and property layouts. These principles are also used during construction projects and to improve current properties.

6.0(b)(8)(iii) *A description of the coordination between the PHA and the appropriate police precincts for carrying out crime prevention measures and activities.*

The CMHA Security Operations Division takes pride in the relationships it has formed with local law enforcement agencies. These relationships have proven to be extremely valuable to both CMHA and the officers working in the communities. The coordination of enforcement and open sharing of information has created unique partnerships that allow us to obtain information that was once not readily available. This allows us to expedite enforcement of public housing violations to remove problematic households and improve safety in the community. Below are some of the joint programs that are in place to assist us with crime prevention.

Police Data – Many local agencies provide police calls for service, reported crime and arrest information to the Security Operations Division. This information is provided in an electronic database that allows us to compare the location of the police activity with public housing addresses. Connections between public housing addresses and residents are then further researched and forwarded to the property managers for lease enforcement.

L.E. Data Sharing Groups – Through our training and associations with local law enforcement staff have been able to take advantage of various “L.E.” only groups that share information on investigations and criminal activity taking place. The agencies involvement in these groups allows staff to assist outside agencies with their investigations in public housing and gives staff insight into the criminal activity being investigated.

Roll Call Training – Security Operations employees often attend and present information to local police officers during roll call at the beginning of their shifts. This unique opportunity allows staff to better understand what police are encountering during their daily patrols on agency property. This interaction allows us to be proactive and discuss solutions to potential problems.

Fugitive Units – Local fugitive warrant units and specialized task force units work hand in hand with CMHA Security Operations to locate wanted persons believed to be on public housing property. This coordination has led to numerous wanted subjects being located and removed from public housing, thus reducing unauthorized persons and reducing crime.

Right-of-Entry Agreements – Agreements have been put in place authorizing all law enforcement departments to enforce criminal trespass policies on public housing property.

Trespass Sweeps – Random trespass sweeps are conducted in high crime areas to identify unauthorized persons loitering on public housing property to commit criminal offenses. This joint effort between CMHA Security Operations and local law enforcement departments not only reduces crime but also improves relationships with outside agencies and residents living in these communities.

Training Locations for Specialized Units – Local specialized law enforcement units are provided access after normal business hours to CMHA offices and vacant public housing properties to perform training in the area of building searches, article location and suspect tracking. These units benefit from the use of the properties and in return provide a free-of-charge police presence on agency property.

CMHA Information – CMHA Security Operations database information is made readily available to all local law enforcement officers. This access is a beneficial tool to officers and investigators attempting to locate suspect. This collaboration also allows CMHA Security Operations to obtain information and receive additional assistance in our crime prevention efforts.

6.0(b)(12) Asset Management

CMHA's capital management approach focuses on the best mix of investments needed to achieve the Agency's goals while minimizing risk and maximizing the cost-effectiveness and performance of its assets. CMHA strives to maximize the practical and financial value of all capital assets by appropriate strategic determinations. Through well thought-out assessments of acquisitions, allocations, operations, and dispositions in collaboration with sound financial tools, such as, capital investment processes, alternative analysis, strategic linkage, life-cycle costing, and other performance measures, the agency improves its odds to reach favorable outcomes.

This approach enables CMHA to improve coordination, management of capital assets and provides a single consolidated view of all capital investments in the Agency's portfolio. Additionally, those tools and capabilities allow CMHA to capitalize on the value of its portfolio while providing balance and the assurance of investments that meet CMHA's goals and overall mission.

6.0(b)(13) Violence Against Women Act (VAWA)

Agency Implementation of Provisions of the VAWA (LIPH)

CMHA has an on-going collaboration with caseworkers from the YWCA, which is the agency that runs the battered women's shelter in this jurisdiction. The YWCA routinely refers their clients for admission to the public housing program.

The agency policy has been featured in the newsletter that is sent to all residents. During the coming year, it will be featured again. Additionally, the staff social workers who work directly with residents who have been victims of domestic violence are well-versed on the policy and the procedures.

Each property manager and social worker receives a monthly report of all police calls for service to their assigned properties. This report is a valuable tool in alerting staff to potential domestic violence situations, and the social workers follow-up with families as a result of reviewing this information.

In the coming year, we will be working with the YWCA to explore further opportunities to possibly provide transitional housing for victims of domestic violence. Additionally, we will be working with their staff to provide a training program for all property management staff on issues and indicators of domestic violence.

Violence Against Women Act-Housing Choice Voucher Section 8 Program

The following provisions are applicable to situations involving actual or threatened domestic violence, dating violence, or stalking, as those terms are defined in Section 6(u)(3) of the United States Housing Act of 1937, as amended, (42 U.S.C. §1437d(u)(3)) and in the Violence Against Women Act (VAWA) Policy.

TERMINATION OF TENANCY

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking shall not constitute a serious or repeated violation of the lease by the victim of such violence; and
2. Criminal activity directly relating to domestic violence, dating violence or stalking, engaged in by a member of the Tenant's household, a guest, or other person under the Tenant's control, shall not be cause for termination of participation or occupancy rights, if the Tenant or any member of the Tenant's family is a victim of that domestic violence, dating violence, or stalking.

Notwithstanding anything to the contrary contained in items 1 and 2 above, CMHA may terminate a tenant's tenancy under this lease if it can demonstrate an actual and imminent threat that may result to other tenants or to those employed at or providing service to the property in which the unit is located, if the Tenant's tenancy is not terminated.

7.0(a) Hope VI or Mixed Finance Modernization or Development

CMHA is considering a tax credit and mixed finance project located within Hamilton County. With these funds we expect to purchase several lots, demolish the existing buildings, and build a new low rise building. The building when completed will have 100 +/- units catering to senior occupancy.

CMHA may consider developing a public housing only project within Hamilton County. The activities will consist of purchasing multiple parcels of land with existing blighted structures. These structures will be demolished and a new 50 +/- unit low rise building constructed on the site. We anticipate this to be a senior building.

CMHA is considering the purchase of 15 units. These acquisitions will be public housing units only.

Riverview Apartments:

CMHA is planning to use Capital Funds to combine five (5) zero bedroom units with five (5) one bedroom units and convert them to large 504 compliant one bedroom units.

Stanley Rowe:

CMHA is planning to use Capital Funds to combine twenty nine (29) zero bedroom units with twenty nine (29) one bedroom units and convert them to large 504 compliant one bedroom units.

CMHA is planning to utilize RHF funds for continued development and acquisition of 4-63 and 4-64. CMHA has submitted the amended development plan to include all 50 units as one development using both first and second year RHF funds, and is waiting for final approval.

2360 Brokaw, AMP 206:

CMHA is planning to convert this three (3) bedroom single family home into a two (2) bedroom single family home.

CMHA is planning on using Capital Funds for demolition and RHF funds for new construction costs to replace 3544 Haven.

CMHA is planning on using Capital Funds for demolition and RHF funds for new construction costs to replace 3587 Purdue.

CMHA is planning on using Capital Funds for unit conversion of 3936 Delmar, Apt.#1, currently a three (3) bedroom, to a two (2) bedroom unit.

CMHA is planning on using Capital Funds for demolition and RHF funds for new construction costs to replace 2821 Rosella Avenue.

7.0(c) Conversion of Public Housing

Not Applicable

7.0(d) Homeownership

7.0(d) Homeownership. A description of any homeownership (including project number and unit count) administered by the agency for which the PHA has applied or will apply for approval:

The HCV Homeownership Program permits eligible participants in the HCV Program the option of purchasing a home with their HCV assistance. In accordance with the HCV Homeownership Program regulations published in 24 CFR 982 and CMHA's plans to promote self-sufficiency, asset development, and economic security for assisted households, CMHA established a HCV Homeownership Program in April 2002.

Since inception, staff have assisted in 29 homeownership closing, and there are currently 22 participants who are still using voucher assistance to help pay their mortgage.

The policies governing the program are reevaluated at least annually as part of CMHA's Annual Plan.

Participation in the Homeownership Program is voluntary. Each participant must meet the general requirements for participation in the HCV Program. Participation is open to all families, including elderly and disabled families. An attempt will be made to have a mix of Family Self-Sufficiency (FSS), elderly, and disabled families participate in the program. Eligible applicants (including participants with portable vouchers) must be under lease in the HCV Program. CMHA may waive this requirement for a disabled family who requires reasonable accommodation for their housing and is eligible for admission to the HCV Program. Applicants must be in good standing with CMHA; must be in full compliance with their lease and HCV Program Family Obligations; and must meet HCV Homeownership Program family eligibility requirements.

To be eligible to participate in the HCV Homeownership Program, families must meet all the following initial eligibility requirements:

- Be a first-time home buyer

- Meet minimum income requirements as defined in CMHA's Administrative Plan
- Meet employment requirements as defined in CMHA's Administrative Plan
- Be in good standing with CMHA
- Meet minimum savings requirements as defined in CMHA's Administrative Plan

CMHA intends to apply for a homeownership program for Public Housing.

7.0(e) Project-based Vouchers

CMHA currently has approximately 2% of its Vouchers invested in Project-Based Vouchers (PBVs) throughout Hamilton County. The goal over the next 5 years is to increase that number up to 10%. CMHA will use the conversion of HCV to PBV to meet the housing needs of special-needs populations through financially supporting the collaboration of private and non-profit partnerships that result in specific and comprehensive housing and service provisions. The additional PBV's will provide avenues for partnership with the City of Cincinnati and/or Hamilton County to support the preservation of vital housing communities that are pivotal to the local jurisdictional area and/or the submarket of the community's locality.

Further, this transition to PBV's could have a decidedly positive impact on the deconcentration of very, very low-income housing (incomes less than 30% of AMFI) in Hamilton County. Such households comprise more than half of housing units in seven City of Cincinnati neighborhoods. The expansion of PBV's will continue to promote the expansion of quality affordable housing opportunities for low and moderate-income families.

CMHA intends to use project based vouchers in conjunction with the tax credit application for 2010.

8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.
8.1	Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing. See Attachment E
8.2	Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. See Attachment F
8.3	Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements. CMHA already has a CFFP program and has pledged 1,536,699 of this grant period's funds for debt services on this CFFP loan.

Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

10.0(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

"Significant Amendment" is defined as follows:

A significant amendment or modification to the annual plan is a change in the major strategies to address Housing Needs or changes in Admissions & Occupancy. The following are not considered significant amendments:

1. Changes in Public Housing Admissions & Occupancy Policies or the Section 8 Administrative Plan that are not inconsistent with the Annual Plan.
2. Changes in Public Housing Admissions & Occupancy Policies or the Section 8 Administrative Plan that are required by federal, state, or local authorities, including laws and regulations.
3. A minor change in the planned uses of financial resources (e.g., small shifts within or between different funding categories).
- 10.0 4. Changes in the plan resulting from consultation with Consolidated Plan authorities including the City of Cincinnati and Hamilton County, Ohio.
5. Changes that are the result of the loss of anticipated funding to support a specific proposed activity or program.
6. Changes that are due to factors outside of CMHA's control such as natural or man-made disasters that require the redirection of resources to address emerging issues.
7. Technical amendments to correct grammar and spelling mistakes; to adjust the language in the plan document to match the intended board policy as documented by board resolutions and minutes that inadvertently omitted or misstated in the existing plan document; or to update the plan to provide more accurate information that does not impact policies such as corrections to reports on past activities and statistics on housing and population characteristics.

"Substantial Deviation" is defined as follows:

A substantial deviation is a change in a goal identified in the Five-Year Plan. This would involve checking or un-checking a goal identified in CMHA's current Five-Year Plan.

A "substantial deviation" does not relate to meeting identified objectives or delays in implementation of an objective due to major changes in funding sources, emergencies, or other circumstances beyond CMHA's control.

CINCINNATI METROPOLITAN HOUSING AUTHORITY

ANNUAL PLAN FY 2009

ATTACHMENT A

ELIGIBILITY, SELECTION and ADMISSIONS POLICIES, including
DECONCENTRATION and WAIT LIST PROCEDURES

CMHA's Low Income Public Housing Admissions & Continued Occupancy Plan contains the following policies governing eligibility, selection and admission to all LIPH programs administered by CMHA.

Affirmative Marketing

1. CMHA will conduct outreach as needed to maintain an adequate application pool representative of the eligible population in the area. Outreach efforts will consider the level of vacancy in the CMHA's units, availability of units through turnover, and waiting list characteristics. CMHA will periodically assess these factors in order to determine the need for and scope of any marketing efforts. All marketing efforts will include outreach to those least likely to apply.
2. **Marketing and informational materials will be subject to the following:**
 - a. Marketing materials will comply with Fair Housing Act requirements on wording, logo, size of type, etc.;
 - b. Marketing will describe the housing units, application process, waiting list and preference structure accurately;
 - c. Marketing will use clear and easy to understand terms and will use more than strictly English-language print media;
 - d. Agencies that serve and advocate for potentially qualified applicants least likely to apply (e.g. the disabled) will be contacted to ensure that accessible/adaptable units are offered to applicants who need their features;
 - e. Marketing materials will make clear who is eligible: low income individuals and families; working and non-working people; and people with both physical and mental disabilities; and
 - f. CMHA will be clear about its responsibility to provide reasonable accommodations to people with disabilities.

Qualification for Admission

1. It is CMHA's policy to only admit qualified applicants¹.
2. **An applicant is qualified if he or she meets all of the following criteria:**
 - a. Is a family as defined in Section XII of this policy;
 - b. Meets the HUD requirements on citizenship or immigration status;
 - c. Has an Annual Income (as defined in Section XI of this document) at the time of admission that does not exceed the income limits (maximum incomes by family size established by HUD) posted in CMHA offices.
 - d. Provides documentation of Social Security numbers for all family members, age 6 or older, or certifies that they do not have Social Security numbers; and

¹ The term "qualified" refers to applicants who meet the applicant selection standards. Eligibility is a term having specific meaning under the Housing Act of 1937. In order to be eligible, a family must meet four tests: (1) they must meet HA's definition of family; (2) have an Annual Income at or below program guidelines; (3) each family member, age 6 or older, must have a social security number or certify that he/she has no number; and (4) each family member receiving assistance must be a citizen or non-citizen with eligible immigration status.

- e. Meets or exceeds the Applicant Selection Criteria set forth in Section II. F. of these policies, including attending and successfully completing a CMHA-approved pre-occupancy orientation session;
- f. Has the legal capacity to execute a lease.

Waiting List Management

1. It is the policy of CMHA to administer its waiting list as required by the regulations. (24CFR §§5.4, 5.5, 5.6, 960.201 - 960.215).
2. Opening and Closing Waiting Lists
 - a. CMHA, at its discretion, may restrict application intake, suspend application intake, and close waiting lists in whole or in part. CMHA may open or close the list for persons with a high preference category, or by unit size or type available. See (c) below.
 - b. For any unit size or type, if CMHA's highest waiting list preference category has sufficient applications to fill anticipated vacancies for the coming 12 months, CMHA may elect to: (a) close the waiting list completely; (b) close the list during certain times of the year; or (c) restrict intake by preference, type of project, or by size and type of dwelling unit.
 - c. Decisions about closing the waiting list will be based on the number of applications available for a particular size and type of unit, the number of applicants who qualify for a preference, and the ability of CMHA to house an applicant in an appropriate unit within a reasonable period of time (between twelve and eighteen months). A decision to close the waiting lists, restricting intake, or opening the waiting lists will be publicly announced.
 - d. During the period when the waiting list is closed, CMHA will not maintain a list of individuals who wish to be notified when the waiting list is re-opened.

3. Determining if the Waiting List may be Closed

CMHA may stop accepting applications for a specific wait list site, unit type or unit size, if there are enough applications to fill anticipated vacancies for the next 12 months. The wait list may not be closed if it would have a discriminatory effect inconsistent with applicable civil rights laws.

Upon the reopening of the waiting list, CMHA will advertise through public notice.

4. Updating the Waiting List

CMHA will update each waiting list at least once a year by contacting all applicants in writing². If, after two written attempts³ no response is received, or if mail is returned without a forwarding address, CMHA will withdraw the names of applicants from the waiting list. At the time of initial intake, CMHA will advise families of their responsibility to notify CMHA when their income, mailing address, phone numbers, or family composition changes.

CMHA will not remove an applicant's name from the waiting list except in accordance with the procedures as stated herein.

² Applicants with disabilities may be contacted by an alternate method as requested.

³ Written communications will be sent by first class mail.

5. Change in Preference Status While on the Waiting List

- a) Families on the waiting list who did not qualify for a local or ranking preference when they applied may experience a change in circumstances that qualifies them for a preference. In such instances, it will be the family's duty to contact CMHA so that their status may be recertified or, depending on application processing status, re-verified. Applicants whose preference status changes while they are on the waiting list will retain their original date and time of application.
- b) To the extent that CMHA determines that the family does now qualify for a preference, they will be moved up on the waiting list in accordance with their preference(s) and their date and time of application. They will then be informed in writing of how the change in status has affected their place on the waiting list.

Processing Applications for Admission

1. CMHA will accept and process applications in accordance with applicable HUD Regulations and CMHA's Admissions and Continued Occupancy Policy. CMHA will work on the assumption that the facts certified to by the applicant in the preliminary application are correct, although all those facts will be subject to verification later in the application process.
2. Interviews and Verification Process: As applicants approach the top of the waiting list, they will be contacted and requested to come to CMHA's Leasing Office for an interview to complete their applicant file. Applicants who fail to attend their scheduled interview or who cannot be contacted to schedule an interview will have their applications withdrawn, subject to reasonable accommodations for people with disabilities.
 - a. The following items will be verified according to CMHA's *Procedure on Verification*, to determine qualification for admission to CMHA's housing:
 - (1) Family composition and type (Elderly/Disabled/near-elderly /non-elderly)
 - (2) Employment History
 - (3) Annual Income
 - (4) Assets and Asset Income
 - (5) Deductions from Income
 - (6) Preferences
 - (7) Social Security Numbers of all Family Members age 6 and above
 - (8) Information used in applicant selection
 - (9) Citizenship or eligible immigration status
 - b. Third party written verification is the preferred form of documentation to substantiate applicant or resident claims. CMHA may also use: (1) up-front verifications (UIV) which may include obtaining computerized information from an independent agency; (2) phone verifications with the results recorded in the file, dated, and signed by CMHA staff; (3) review of documentation, and, if no other form of verification is available, (4) applicant self-certification. Applicants must cooperate fully in obtaining or providing the necessary verifications.

- c. Verification of eligible immigration status shall be carried out pursuant to 24 CFR § 5.5. Citizens are permitted to certify to their status.
3. Applicants reporting zero income will be asked to complete a family expense form. This form will be the first completed in the interview process. CMHA requires applicants to document how much they spend on: food, transportation, health care, childcare, debts, household items, etc. and to specify the source(s) of income used to pay for these expenses. Applicants must also report the status of any pending application and/or benefits received through TANF or other similar programs. If a *zero income* family is admitted, re-determinations of income may be performed every 60 days. (Ref. *Periodic Recertifications*, Section 3.C of this policy.)
4. CMHA's applicant admission records shall indicate the date and time the application was received; the applicant's race and ethnicity; CMHA's determination of eligibility/ineligibility of the applicant; when the applicant was made eligible; the unit size(s) for which the applicant was made eligible; preference(s), if any; the date, location, identification, and circumstances for each housing offer made; and a record of the acceptance or rejection of each offer.

The Preference System

1. Qualifying for a preference does not guarantee admission. Preferences are used to establish the order of placement on the waiting list. Every applicant must still meet CMHA's *Resident Selection Criteria* (described later in this policy) before being offered a unit. Preferences will be granted to applicants who are otherwise qualified and who, at the time of the unit offer (prior to execution of a lease) meet the criteria for the preferences described below.
2. Before applying preferences, CMHA will first match the characteristics of the available unit to the eligible applicants on the waiting list. Factors such as unit size, accessibility features, and type of housing may limit the admission of families to those households whose characteristics most closely match the characteristics and features of the available unit.
3. By matching unit and family characteristics, it is possible that families lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application, or ahead of families with a higher preference (e.g. the next unit available is an accessible unit and the only applicant family needing such features is in the non-preference grouping).
4. When selecting a family for a unit with accessible features, CMHA will give a preference to applicant families with disabilities who can benefit most from the unit's features. First preference will be given to current resident families needing a transfer to an accessible unit, and second preference will be given to applicant families. If no family needing accessible features can be found for a unit with accessible features, CMHA will house a family that does not need the unit features. This housing offer is subject to the requirement in the Tenant Selection and Assignment Plan, under which a non-disabled family in an accessible unit can be required to move so that a family needing the unit features can be housed.
5. When selecting a family for a unit in housing designated for elderly families, CMHA will give a priority to elderly and near elderly families as described later in this section.
6. When selecting a family for a unit in a mixed population community (a property that houses both elderly and disabled families), CMHA will give a priority to elderly families and disabled families as described later in this section.
7. For a mixed population community, elderly, disabled and displaced single persons have priority over singles that are not elderly, disabled or displaced, regardless of preferences. Single

applicants who are not elderly, disabled or displaced can only be admitted after all elderly, disabled and single displaced persons have been offered units.

8. Police officers and their families who may not otherwise be eligible for occupancy in public housing may be admitted in order to increase the presence of security for residents in a CMHA community.
9. Notwithstanding any other provision of this Admissions and Continued Occupancy Policy, each tenant living in a property at the time CMHA takes legal title to the property will have the right to remain in the property and become a public housing tenant in the dwelling unit the tenant occupies on the date CMHA takes legal title, provided (1) the tenant family income is within the income limits for admission to the public housing program on the day the tenant family signs the public housing lease; and (2) the tenant family is determined to be eligible based on other CMHA admission criteria.
10. Preferences will be granted to applicants who are otherwise qualified and who, at the time of the unit offer (prior to execution of a lease) meet the definitions of the preferences described below.

F. Local Preference

There is one local preference in effect based on ranges of income. Applicants will be grouped as follows:

Tier I: Families with incomes between 0% and 30% of Area Median Income. This group must constitute at least 40% of all admissions in any year.

Tier II: Families with incomes between 31% and 80% of Area Median Income. This group will be equal to or less than 60% of all admissions in any year.

1. Ranking Preference

A *Working Family Preference* is the only ranking preference in effect: (Ref. Section I.E.7XII for definition). CMHA's *Procedure on Unit Offers and Applicant Placement* will be used to order the Waiting List and make unit offers.

Families that do not qualify for the Working Family preference will be categorized as no-preference families.

2. Mixed Population Buildings Local Preference

In addition to the Income Tier preference, which applies to all CMHA's communities, CMHA elects to retain the former Federally mandated priority for single persons who are either elderly, persons with disabilities, or persons displaced by governmental action over all other single persons when filling vacancies in its Mixed Population buildings.

3. Method of Applying Preferences

To ensure that CMHA admits 40% of applicants with incomes in Tier I each year, and at the same time does not create concentrations of families by income at any of its properties, CMHA will rank applicants within both income tiers as Natural Disaster, Upward Mobility or no-preference. Four out of every ten applicants admitted will be from Tier I. If there are insufficient applications among the Tier I Natural Disaster preference holders, Tier I Upward Mobility preference holders will be selected. If there are insufficient Upward Mobility preference holders, staff will make offers to the No-preference applicants in Tier I. Within each of the ranking preference categories, offers

will be made by oldest application. The remaining six out of every ten applicants admitted will be from Tier I or II, subject to the same ranking preferences and sorted by application date and time.

CMHA will house applicants from Tiers I and II on the waiting list by selecting first from the Working Family applicants, then by selecting from the No-preference applicants within each Tier.

CMHA will also offer units to existing residents on the transfer list. Some types of transfers are processed before new admissions and some types of transfers are processed with new admissions, using a ratio set forth in the *Tenant Selection and Assignment Plan* (reference Section III). Transfers do not count toward the 40% Tier I requirement.

CMHA will neither hold units vacant for prospective applicants with preferences, nor will it relax eligibility or screening criteria to admit otherwise unqualified applicants with preferences.

4. Definition of Working Family Preference

The *Working Family Preference* is given to households that meet the following criteria:

First Preference—Head or Co-Head of Household is currently employed full-time (avg. at least 30 hours/week), and has been continuously employed for at least 12 months. Elderly and Disabled families, regardless of employment status, qualify for this First Preference.

Second Preference—Head or Co-Head of Household has been continuously employed full-time (avg. at least 30 hours/week) for at least six months.

The Working Family Preference applies to both new admissions and current residents seeking an Incentive Transfer.

5. Withholding Preferences

As required by law, CMHA will withhold a preference from an applicant if any member of the applicant family has been evicted from assisted housing (as defined in the 1937 Housing Act) during the past three years because of drug-related or criminal activity that threatens the health, safety or peaceful enjoyment of other residents or staff. CMHA will not grant an admission preference within three years of eviction to any family when the reason for eviction is related to drug trafficking, drug manufacture or possession of drug paraphernalia. CMHA may, at its sole discretion, grant admission preference in any of the following cases:

If CMHA determines that the evicted person has successfully completed a rehabilitation program that is directly relevant to the reason(s) for the eviction;

If CMHA determines that the evicted person clearly did not participate in or know about the drug-related or criminal activity; or

If CMHA determines that the evicted person no longer participates in any drug-related or criminal activity that threatens the health, safety or right to peaceful enjoyment of other tenants or staff.

6. Designated Housing

The preference system described above will work in combination with requirements to match the characteristics of the family to the type of unit available, including communities with HUD-approved designated populations, if any. When such matching is required or permitted by current law, CMHA will give preference to the families

eligible for the designated housing, as described below. The ability to provide preferences for some family types will depend on unit size available.

Communities designated for the elderly: Elderly families will receive a priority for admission to units or buildings covered by a HUD-approved Designation Plan. When there are insufficient elderly families on the waiting list, near-elderly families (head or spouse/co-head ages 50 to 61) will receive a priority for this type of unit.

Communities designated for disabled families: Disabled families will receive a priority for admission to units or buildings that are covered by a HUD-approved Designation Plan.

Mixed Population Communities: Elderly families, disabled families and families displaced by governmental action will receive equal priority for admission to such units.

All elderly, disabled or displaced applicants who are single persons shall be admitted before single persons who are not elderly, disabled nor displaced.

General Occupancy Communities: The priority for elderly and disabled families and displaced persons over single persons does not apply at General Occupancy Properties.

7. Administration of the Preferences

Depending on the time an applicant may have to remain on the waiting list, CMHA will either verify preferences at the time of application (when there is no waiting list or the waiting list is very short) or require that applicants certify to their qualification for a preference at the time of pre-application (when the wait for admission exceeds four months). Preference verifications shall be no more than 120 days old at the time of certification.

At the time of pre-application, CMHA may use a pre-application to obtain the family's certification that it qualifies for a preference. Between pre-application and the application interview, the family will be advised to notify CMHA of any change that may affect their ability to qualify for a preference.

Applicants that are otherwise eligible and self-certified as qualifying for a preference will be placed on the waiting list in the appropriate applicant pool.

Applicants that self-certify to a preference at the time of pre-application and cannot verify current preference status at the time of certification will lose their preference status and their standing on the waiting list.

Families that cannot qualify for any of the preferences will be moved into the No-preference category, and to a lower position on the waiting list based on date and time of application.

Families that claim a preference at the time of the pre-application, but do not qualify for a preference at the time of application interview, will be notified in writing and advised of their right to an informal meeting as described below. If otherwise qualified, the family's application will then be placed on the waiting list in the appropriate No-preference category.

8. Notice and Opportunity for a Meeting

If an applicant claims but does not qualify for a preference, the applicant can request a meeting:

CMHA will provide a written notice if an applicant does not qualify for a preference. This notice shall contain a brief statement of the reason(s) for the determination, and notice that the applicant has the right to meet with CMHA's designee to review the determination.

If the applicant requests the meeting, CMHA shall designate an employee or other agency designee to conduct the meeting. A written summary of this meeting shall be made and retained in the applicant's file.

The applicant will be advised that s/he may exercise other rights if the applicant believes that illegal discrimination, based on race, color, national origin, religion, age, disability, or familial status has contributed to CMHA's decision to deny the preference.

Applicant Selection Criteria

1. Required Denial of Admission

In accordance with 24 CFR § 960.204 CMHA will deny admission for:

- a. Persons previously evicted from government-subsidized housing for drug-related criminal activity⁴;
- b. Persons engaging in illegal use of a drug;
- c. Persons convicted of methamphetamine production; or
- d. Persons subject to a lifetime sex offender registration requirement;

2. It is CMHA's policy that all applicants shall be screened in accordance with HUD's regulations and CMHA's *Applicant Screening Procedures*. During screening, CMHA will require applicants to demonstrate their ability to comply with essential provisions of the lease as summarized below:

- a. pay rent and other charges (e.g. utility bills) in a timely manner;
- b. care for and avoid damaging the unit and common areas;
- c. use facilities and equipment in a reasonable way;
- d. create no health or safety hazards;
- e. report maintenance needs in a timely manner;
- f. not interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others;
- g. not to engage in any activity that threatens the health, safety or right to peaceful enjoyment of other residents or staff;
- h. not to engage in any drug-related activity; and
- i. to comply with necessary and reasonable rules and program requirements of HUD and CMHA.

No applicant for public housing who has been a victim of domestic violence, dating violence, or stalking shall be denied admission into the program if they are otherwise qualified.

⁴ The definition of drug-related criminal activity includes possession of drug paraphernalia.

3. CMHA will check ability to comply with essential lease requirements:

- a. Applicant ability and willingness to comply with the essential lease requirements will be checked and documented in accordance with CMHA's *Applicant Screening Procedure*. Information to be considered in completing applicant screening shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application, in present and prior housing.
- b. The history of applicant conduct and behavior must demonstrate that the applicant family can reasonably be expected **not to**:
 - (1) Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare;
 - (2) Adversely affect the physical environment or financial stability of the project;
 - (3) Violate the terms and conditions of the lease;
 - (4) Require services from CMHA staff that would alter the fundamental nature of CMHA's program.
- c. CMHA will conduct a detailed interview of all applicants. Answers will be subject to third party verification.
- d. CMHA will complete a credit check and rental history check on all applicants. CMHA may reject an applicant for an unsatisfactory rental history with a current or former landlord. Unsatisfactory rental history includes, but is not limited to, outstanding balances owed to a landlord, late rental payments, evictions, lease violations, poor housekeeping, etc.
- e. Payment of funds owed to CMHA, any other housing authority or any other government-funded housing program is part of the screening evaluation. Payment of outstanding balances is an opportunity for the applicant to demonstrate an improved track record. CMHA will reject an applicant for unpaid balances owed CMHA by the applicant for any program that CMHA operates. CMHA expects these balances to be paid in full (either in a lump sum or over time) before initiating the full screening process. CMHA will not admit families who owe back balances. Payment of an outstanding balance will not guarantee selection for housing.
- f. CMHA will complete a national and local criminal background check on all adult applicants, and will consider juvenile records for any household member for whom criminal records are available.
- g. CMHA may complete a home visit on applicants. The purpose of the Home Visit is to obtain information to be used in determining the applicant's compliance with Applicant Screening Criteria.

As part of the home visit, CMHA will determine whether the applicant's housekeeping would contribute to health or sanitation problems. CMHA staff completing the home visit will consider whether the conditions they observe are the result of the applicant's treatment of the unit or whether they are caused by the unit's overall substandard condition.

Housekeeping criteria shall include, but not be limited to conditions in the living room, kitchen, bathroom, bedrooms, entrance-ways, halls, and yard, cleanliness in each room; and general care of appliances, fixtures, windows, doors and cabinets. Other CMHA lease compliance criteria will also be checked, such as evidence of destruction of property, unauthorized occupants, evidence of criminal activity, and conditions inconsistent with application information.

- (1) All applicants shall have at least two days' advance written notice of Home Visits.
- h. All eligible applicants are required to attend and complete CMHA's Orientation prior to leasing.
- i. Applicants for selected scattered site housing will also be required to attend and successfully complete CMHA's Good Neighbor Housing Program.
- j. CMHA's examination of relevant information with respect to past and current habits or practices will include, but is not limited to, an assessment of:
 - (1) The applicant's past performance in meeting financial obligations, especially rent and utility bills.
 - (2) A record of disturbance of neighbors, destruction of property, or living or housekeeping habits at present or prior residences that may adversely affect the health, safety, or welfare of other tenants or neighbors.
 - (3) Any history of criminal activity on the part of any applicant family member involving crimes of physical violence to persons or property and other criminal acts including drug-related criminal activity that would adversely affect the health, safety, or welfare of other residents or staff with respect to criminal activity.
 - (4) Applicants will be determined ineligible for admission if CMHA determines that there is reasonable cause to believe that the applicant and/or any family member's pattern of abuse of an illegal drug and/or alcohol may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. CMHA may waive this requirement if the person demonstrates to CMHA's satisfaction that the person is no longer engaging in abuse of alcohol and/or drugs and:
 - (a) Has successfully completed a supervised drug rehabilitation program satisfactory to CMHA;
 - (b) Has otherwise been rehabilitated successfully (third-party verification required); or
 - (c) Is participating in a supervised drug or alcohol rehabilitation program satisfactory to CMHA.
 - (5) A record of eviction from housing or involuntary termination from residential programs (taking into account date and circumstances).
 - (6) An applicant's ability and willingness to comply with the terms of CMHA's lease.
- k. An applicant's intentional misrepresentation of any information related to eligibility, award of preference for admission, housing history, allowances, family composition, income or rent will result in rejection. Unintentional

mistakes that do not confer any advantage to the applicant will not be considered misrepresentations.

1. By the time of admission applicants must be able to demonstrate the ability and willingness to comply with the terms of CMHA's lease, either alone or with assistance.⁵ Availability of assistance and/or the ability to comply with lease terms are subject to verification by CMHA.
4. Screening applicants who claim mitigating circumstances
- a. If negative information is received about an applicant, CMHA shall consider the time, nature, and extent of the applicant's conduct and factors that might indicate a reasonable probability of favorable future conduct. To be considered in CMHA's screening assessment of the applicant, mitigating circumstances must be verifiable.
 - b. Mitigating circumstances⁶ are facts relating to the applicant's record of unsuitable rental history or behavior, which, when verified, indicate both: (1) the reason for the unsuitable rental history and/or behavior; and (2) that the reason for the unsuitable rental history and behavior is no longer in effect or is under control, and the applicant's prospect for lease compliance is an acceptable one, justifying admission. Mitigating circumstances may outweigh information already gathered in the screening process.
 - c. If the applicant asserts that the mitigating circumstances relate to a change in disability, medical condition or course of treatment, CMHA shall have the right to refer such information to persons qualified to evaluate the evidence and verify the mitigating circumstance. CMHA shall also have the right to request further information reasonably needed to verify the mitigating circumstance, even if such information is of a medically confidential nature. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify the need for a reasonable accommodation.
 - d. Examples of mitigating circumstances might include:
 - (1) Evidence of successful rehabilitation;
 - (2) Evidence of the applicant family's participation in social service or other appropriate counseling service; or
 - (3) Evidence of successful and sustained modification of previous disqualifying behavior.
 - e. Consideration of mitigating circumstances does not guarantee that the applicant will qualify for admission. CMHA will consider such circumstances in light of:
 - (1) the applicant's ability to verify the claim of mitigating circumstances and his/her prospects for improved future behavior;
 - (2) the applicant's overall performance with respect to all the screening requirements; and

⁵ Applicants whose landlord, financial, criminal and other references demonstrate that they are already willing and able to comply with lease terms in their existing housing will be considered to have met this criterion, whether or not they are disabled. Applicants whose housing situations make it difficult for CMHA to determine whether or not they are able and willing to comply with lease terms (e.g. because they are homeless, are living with friends or relatives, or have other non-traditional housing circumstances) will have to demonstrate ability and willingness to comply with lease terms whether or not they are disabled.

⁶ Mitigating circumstance is applicable to all applicants.

- (3) the nature and seriousness of any criminal activity, especially drug related criminal activity that appears in the applicant's record.

5. Qualified and Unqualified Applicants

- a. Verified information will be analyzed and a determination made with respect to:
 - (1) Eligibility of the applicant as a family;
 - (2) Eligibility of the applicant with respect to income limits for admission;
 - (3) Eligibility of the applicant with respect to citizenship or eligible immigration status;
 - (4) Unit size required for and selected by the family;
 - (5) Preference category (if any) to which the family is entitled; and
 - (6) Qualification of the applicant with respect to the *Applicant Selection Criteria*.
- b. Families determined to be qualified will be notified by CMHA of the projected date of occupancy insofar as that date can be reasonably determined. The projected date is just an estimate and does not mean that applicants should necessarily expect to be housed by that date. The availability of a suitable unit to offer a family is contingent upon many factors CMHA does not control, such as turnover rates, and market demands as they affect available bedroom sizes and location.
- c. Applicants determined unqualified for admission will be promptly notified. These applicants will receive a *Notice of Rejection* from CMHA, stating the basis for such determination. CMHA shall provide an opportunity for informal review of the determination as described in *Procedure for Informal Hearing for Rejected Applicants*. Rejected applicants may request an informal hearing within 15 business days of the date of the Notice of Rejection. Applicants are not entitled to use the resident grievance process.
- d. Applicants known to have a disability that are determined eligible but fail to meet the *Applicant Selection Criteria* will be offered an opportunity to have their cases examined by a Housing Panel, as set forth in CMHA's Leasing Department's Social Service Referral Procedures, to determine whether mitigating circumstances or reasonable accommodations will make it possible for them to be housed in accordance with the screening procedures.

H. **Occupancy Guidelines**

1. Units shall be assigned and occupied by families based on the appropriate bedroom size that complies with HUD rules related to Occupancy Standards. for Minimum and Maximum-Number-of-Persons-Per Unit

Number of Bedrooms	Minimum Number of Persons/Unit	Maximum Number of Persons/Unit ⁷
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10
6	6	12

The following principles govern the size of unit for which a family will qualify. Generally, two people are expected to share each bedroom, except that units will be assigned so that:

- a. It will not be necessary for persons of different generations or opposite sex, other than husband and wife, to occupy the same bedroom, although they may do so at the request of the family.
 - b. Exceptions to the largest permissible unit size may be made as needed in cases of reasonable accommodation for a person with disabilities.
 - c. Two children of the opposite sex will not be required to share a bedroom, although they may do so at the request of the family.
 - d. An unborn child may or may not be counted as a person in determining unit size, at CMHA's discretion.
 - e. Foster children will be included in determining unit size only if they will be in the unit for more than six months.
 - f. A child who is temporarily away from the home because the child has been placed in foster care, kinship care, or is away at school will be counted when determining unit size; however, family members not listed on the lease, such as those in the military, shall not be counted in determining unit size.
 - g. A single head of household parent shall not be required to share a bedroom with his/her child, although they may do so at the request of the family.
 - h. A Live-in Aide may be assigned a bedroom.
2. The local housing code standard of two persons per bedroom will be used as the standard for the smallest unit a family may be offered. Individual housing units with very small or very large bedrooms, or other specific situations that inhibit or encourage lower or higher levels of occupancy, may be permitted to establish lower or higher occupancy levels. CMHA will consider the size of the unit as well as the size and the number of bedrooms. Assignment of units by bedroom size may not have the effect of discriminating on the basis of familial status.
 3. The largest unit size that a family may be offered would provide no more than one bedroom per family member, taking into account family size and composition.
 4. When a general occupancy family applies for housing, and each year when the waiting list is updated, some families will qualify for more than one unit size. Based on the

⁷ When determining the maximum number of people allowed in a unit, the Occupancy Specialist may also take into account the actual size of the bedrooms in the unit, which may vary significantly from property to property.

family's choice, CMHA will place the family on one wait list for any of the unit sizes for which that family chooses. A family that chooses to occupy the minimum size unit must agree not to request a transfer until their family size changes.

5. When a family is actually offered a unit, if they no longer qualify for the unit size, they will be moved to the appropriate sub-list, retaining their preferences and date and time of application. This may mean that they may have to wait longer for a unit offer.
6. The unit size standards shall be discussed with each applicant family that qualifies for more than one unit size. Families will also be informed about their status and movement on the various waiting lists and sub-lists maintained by CMHA. Families shall be asked to declare, in writing, the waiting list(s) on which they wish to be placed. If a family requests a smaller unit size than would normally be assigned under the largest unit size standard, the family will be required to sign a statement agreeing to the unit assignment until their family size or circumstances change. At the family's request, CMHA shall change the family's site preference on the waiting sub-lists at any time while the family is on the waiting list.

Tenant Selection and Assignment Plan

A. Organization of the Waiting List

1. Community-Wide Waiting List

Each applicant shall be assigned his/her appropriate place on the site-based waiting list(s) selected by the applicant in sequence based upon:

- a. type and size of unit needed and selected by the family (e.g. general occupancy building, accessible or non-accessible unit, number of bedrooms);
 - b. applicant preference or priority, if any; and
 - c. date and time the application is received.
2. CMHA will maintain its waiting list in the form that records the type and size of unit needed, each applicant's priority/preference status and the date and time of application. All current applicants for the communities selected for Site-based Waiting Lists will be given an opportunity to list up to three communities where they would accept a unit offer or to opt for the "first available" unit offer. An applicant may be on three different waiting lists. All applicants will be informed of the length of each list and may change their site selection as needed.

B. Unit Offers to Applicants

1. To assure equal opportunity and nondiscrimination on grounds of race, color, sex, religion, national origin, disability or familial status the first qualified applicant in sequence on the site-based waiting list is made one offer of a unit of appropriate size and type at a site he/she has selected. The applicant must accept the vacancy offered or be dropped from the waiting list for that site. Applicants may be removed from the waiting list for refusing a unit offer without good cause.
2. CMHA will first match the characteristics of the unit available with the highest ranking applicant for a unit of that size, type and special features (if any), taking into account any limitations on admission, i.e. designated housing (if applicable). Preferences, if any, are then applied to determine the order of applicant selection from the waiting list. If

two applicants need the same type and size of unit and have the same preference status, the applicant with the earlier date and time of application will receive the first offer.

3. For an available unit with accessible features, CMHA will give first preference to families that include a person with disabilities who can benefit from the unit features.
4. When a unit with accessible features is ready and no applicant in the targeted preference group requires the features of the unit, CMHA will make an offer to an applicant who does not qualify for the preference. Certain types of transfers will also be processed with new admissions. See Section F. for the ratio of transfers to new admissions.
5. The applicant must accept the vacancy offered within 3 working days of the date the offer is communicated (by phone or mail). If the applicant does not accept the unit within this timeframe the unit will be offered to the next applicant.
6. If more than one unit of the appropriate size and type is available, the first unit to be offered will be the unit that is ready or will be ready for occupancy the soonest.

C. Due Process Rights for Applicants

It is the responsibility of each applicant to keep CMHA apprised of any changes in address, phone number, family income or other family circumstances. No applicant on the waiting list shall be removed from the waiting list except when one of the following situations occurs:

1. The applicant receives and accepts an offer of housing;
2. The applicant requests that his/her name be removed from the waiting list;
3. The applicant is rejected; or
4. The application is withdrawn because CMHA attempted to contact the applicant for an annual waiting list update, to schedule a meeting or interview, to offer or show a unit, or for some other reason, and was unable to contact the applicant. In attempting to contact an applicant, the following methods shall be undertaken before an application may be withdrawn:
 - a. The applicant will be sent a letter by first class mail to the applicant's last known address, asking the applicant to contact CMHA⁸ either by returning the update postcard or in person within the specified time;
 - b. If an applicant contacts CMHA, as required, within any of the deadlines stated above, he/she shall be reinstated at the former waiting list position.
 - c. When CMHA is unable to contact an applicant by first class mail to schedule a meeting, or interview or to make an offer, CMHA shall suspend processing of that application until the applicant is either withdrawn (no contact by the applicant) or reinstated (contact by the applicant within the stated deadlines). While an application is suspended, applicants next in sequence will be processed.
5. Applicants who fail to respond to CMHA's attempts to contact them because of circumstances related to a disability shall be entitled to reasonable accommodation, provided that the circumstances are verified to be related to a disability. In such circumstances CMHA shall reinstate the applicants to their former waiting list positions.

⁸ Except that CMHA shall contact persons with disabilities according to the methods such individuals have previously designated. Such methods of contact could include verbal or in-person contact or contacting relatives, friends or advocates rather than the person with disabilities.

6. Families whose applications are withdrawn or rejected as described above must reapply for housing at a time the waiting list is open and will be assigned a new date and time of application.

D. Good Cause for Applicant Refusal to Lease

If an applicant is willing to accept the unit offered but is unable to move at the time of the offer, and presents to the satisfaction of CMHA, clear evidence (“good cause”) that acceptance of the offer will result in undue hardship not related to considerations of race, color, sex, religion or national origin, the applicant will not be dropped to the bottom of the list.

1. Examples of “good cause” for refusing an offer of housing include, but are not limited to:
 - a. The unit is not ready for occupancy at the time the offer of housing is made. “Ready for occupancy” means the unit has no physical inspection deficiencies.
 - b. The unit offered is inaccessible to source of employment, education or job training, children’s day care, or educational program for children with disabilities⁹, so that accepting the unit offer would require the adult household member to quit a job, drop out of an educational institution or job training program, or take a child out of day care or an educational program for children with disabilities;
 - c. The family demonstrates, to CMHA’s satisfaction, that accepting the offer will place a family member’s life, health or safety in jeopardy. The family must offer specific and compelling documentation such as restraining orders, other court orders, or risk assessments related to witness protection from a law enforcement agency. Reasons offered must be specific to the family. Refusals due to location alone do not qualify for this good cause exemption;
 - d. A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (each as listed on final application) or live-in aide necessary to the care of the principal household member;
 - e. The unit is inappropriate for the applicant’s disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30 day notice to move;
 - f. An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing; or
 - g. The applicant is willing to move to the unit offered, but is unable to move in a timely fashion, because the applicant must give notice to a current landlord.
2. The applicant must be able to document that the hardship claimed is good cause for refusing an offer of housing. Where good cause is verified, the refusal of the offer shall not require that the applicant be dropped to the bottom of the waiting list or otherwise affect the family’s position on the waiting list. (In effect, the family’s application will remain at the top of the waiting list until the family receives an offer for which they have no good cause for refusal.)

⁹ This only applies when the applicant has a child participating in such a program.

3. CMHA will maintain a record of units offered, including location, date, and circumstances of each offer, and each acceptance or refusal, including the reason for the refusal.

E. Dwelling Units with Accessible/Adaptable Features

1. Before offering a vacant accessible unit to a non-disabled applicant, CMHA will offer such unit:
 - a. First, to a current occupant of another unit of the same community, or other public housing communities under CMHA's control, having a disability that requires the special features of the vacant unit (in effect, a transfer of the occupant with disabilities from a non-adapted unit to the vacant accessible/adapted unit).
 - b. Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.
2. When offering an accessible/adaptable unit to a non-disabled applicant, CMHA will require the applicant to sign an agreement to move to an available non-accessible unit within 30 days when either a current resident or an applicant with a disability needs the unit. This requirement is also reflected in the lease agreement signed with the applicant.

F. Leasing and Occupancy of Dwelling Units

Applications for admission and incentive transfers will be processed centrally. Initial intake, waiting list management and screening will also be handled from the central leasing office. Offers may be made in person, in writing or by phone from either the central leasing office or from the applicable property management office.

G. Transfers

CMHA has five types of transfer: Emergency, Administrative (Category 1, Category 2 and Category 3), and Incentive transfers. The definition of each type of transfer is found in the Transfer section of this policy.

1. Emergency transfers, Category 1 and 2 Administrative transfers and Incentive transfers all take priority over general admissions. Category 3 Administrative transfers will be processed at the rate of four general admissions for each Category 3 Administrative transfer.
2. To the greatest degree possible, except for Incentive transfers, transfers will be made at the location where the family currently resides. If an appropriate size or type of unit is not available in the family's current location, the family will be made another housing offer of a vacant, ready unit that is the right size and type.
3. Except for Emergency transfers, tenants on the transfer list may refuse transfer offers for the "good cause" reasons cited in Section C above without losing their position on the transfer list.
4. Tenants who refuse a final transfer offer without good cause may be removed from the transfer list. Tenants whose transfers are mandatory and who refuse a final transfer offer without good cause are subject to lease termination.
5. Tenants are entitled to use the CMHA Grievance Procedure if they are refused the right to transfer or if CMHA requires them to transfer and they do not believe the required

transfer falls within the reasons as specified in this policy. Emergency transfers must proceed, and may be grieved after the fact.

Housing Choice Voucher Section 8 Program

CMHA's *Housing Choice Voucher Section 8 Program Administrative Plan* contains the following policies governing eligibility, selection and admission to all HCV programs administered by CMHA.

Eligibility

To be eligible for participation, an applicant must meet the following criteria:

- An applicant must be a "family."
- An applicant must be within the appropriate Income limits.
- An applicant must furnish Social Security Numbers for all family members age six and older.
- An applicant must furnish declaration of Citizenship or Eligible Immigrant Status and verification where required.

CMHA will deny program assistance for an applicant for any of the following reasons:

- If any member of the household is subject to any registration requirement under a State sex offender or sexual predator registration.
- If the applicant was convicted of manufacturing or producing methamphetamine on the premises of federally assisted housing.
- If any member of the family has been evicted from federally assisted housing in the last 12 months.
- If any member of the family has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.
- If the family is not in good standing under another CMHA housing program.
- If the family currently owes rent or other amounts to CMHA or to another PHA in connection with Housing Choice Voucher Program or public housing assistance under the 1937 Act.

Wait List Procedures

CMHA will not deny any family or individual the equal opportunity to apply for or receive assistance under any Housing Choice Voucher Program on the basis of race, color, sex, religion, creed, national or ethnic origin, age, familial or marital status, handicap or disability or sexual orientation. When the waiting list is open, any family asking to be placed on the waiting list for Housing Choice Voucher Program rental assistance will be given the opportunity to complete an application.

CMHA will advertise the opening of the waiting list through public notice in the local media outlets including minority publications and media entities, with the locations, and program for which applications are being accepted. The notices will be made in an accessible format if requested, and will provide potential applicants with information including CMHA's address

and telephone number, how to submit an application, information on eligibility requirements, and the availability of local preferences.

Families who wish to apply for any one of CMHA's programs must complete a written application when application taking is open. Applications will be made available in an accessible format upon request from a person with a disability.

The application process involves two phases. The first is the "initial" application for assistance (referred to as a pre-application), and results in the family's placement on the waiting list. Pre-applications are dated, time-stamped, and processed in the order received.

The second phase takes place when the family reaches the top of the waiting list. It is during this phase that CMHA verifies all HUD and CMHA eligibility factors in order to determine the family's eligibility.

The open application period is long enough to achieve a waiting list adequate to cover projected turnover and new allocations over the next 12 months. CMHA may stop accepting applications when there are enough applicants to fill anticipated openings for the next 12 months. However, the waiting list may not be closed if it would have a discriminatory effect inconsistent with applicable civil rights laws.

When the period for accepting applications is over, CMHA will add the new applicants to the applicable waiting list.

Selection and Admissions Policies

Except for Special Admissions, applicants for HCV assistance will be taken from the

HCV waiting list in order of the following local preferences:

- Families, and single persons who are elderly (62 or over) or disabled will be given preference over other singles.
- Families having been designated as eligible for assistance under HUD's Disaster Housing Assistance Program (DHAP).

CMHA will admit families who qualify under the Extremely Low Income limit to meet the income targeting requirement, regardless of preference. For applicants with identical preference status, selection will be made on the basis of the date and time of receipt of the completed pre-application. In the event of a tie, the applicant with the lower last four digits of the social security number will receive the preference.

ANNUAL PLAN FY 2009

GRIEVANCE PROCEDURES

LOW INCOME PUBLIC HOUSING GRIEVANCE PROCEDURES

I. PURPOSE

The Cincinnati Metropolitan Housing Authority ("CMHA") Grievance Procedure (the "Grievance Procedure") has been adopted to provide a forum and procedures for tenants to seek the just, effective, and efficient settlement of Grievances against CMHA.

Except as described in Section X, the Grievance Procedure is only available to *current tenants* in the public housing program.

II. APPLICABILITY

A. The Grievance Procedure shall be applicable to all individual Grievances (as defined below) between a tenant and CMHA, except as provided in Article II.B and C. below.

B. 1. The U.S. Department of Housing and Urban Development ("HUD") has issued a due process determination that the laws of the State of Ohio require that a tenant be given the opportunity for a hearing in a court that provides the basic Elements of Due Process (as defined below) before eviction from a dwelling unit. Therefore CMHA has elected to exclude from the Grievance Procedure any Grievance concerning a termination of tenancy or eviction that involves:

- (i) any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees of CMHA; or
- (ii) any Drug-Related Criminal Activity (as defined below) on or off such premises.

2. Since HUD has issued a due process determination, CMHA shall evict the occupants of the dwelling unit through the judicial eviction procedures that are the subject of the due process determination. In these cases, CMHA shall not provide the opportunity for a hearing under the Grievance Procedure.

C. The Grievance Procedure shall not be applicable to disputes between tenants not involving CMHA, or to class Grievances. The Grievance Procedure is not a forum for initiating or negotiating policy changes between a group or groups of tenants and CMHA. Accordingly, the Hearing Officer appointed to hear any individual Grievance will have no authority to change any provision of the lease agreement, the Grievance Procedure or any other policy or procedure of CMHA, or the application of any law or HUD regulation.

III. REQUIREMENTS

This Grievance Procedure shall be incorporated by reference in all lease agreements entered into by and between CMHA and individual tenants whether or not so specifically provided in such leases. CMHA shall furnish each tenant and resident organization with a copy of the Grievance Procedure.

IV. DEFINITIONS

A. GRIEVANCE: Any dispute which a tenant may have with respect to the CMHA action or failure to act in accordance with the individual tenant's lease agreement or CMHA

rules and regulations which adversely affect the individual tenant's rights, duties, welfare or status.

- B. GRIEVANT: Any tenant whose Grievance is presented to a CMHA Property Management Office in accordance with Sections V and VI of the Grievance Procedure.
- C. DRUG-RELATED CRIMINAL ACTIVITY: The illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. section 802).
- D. ELEMENTS OF DUE PROCESS: An eviction action or a termination of tenancy in a state or local court in which the following procedural safeguards are required:
1. Adequate notice to the tenant of the grounds for terminating the tenancy and for eviction;
 2. Right of the tenant to be represented by counsel;
 3. Opportunity for the tenant to refute the evidence presented by CMHA including the right to confront and cross-examine witnesses and to present any affirmative legal or equitable defense which the tenant may have; and
 4. A written decision on the merits.
- E. HEARING OFFICER: A person selected in accordance with Section VI of this Grievance Procedure to hear Grievances and render a decision.
- F. TENANT: The adult person (or persons) (other than a live-in aide):
1. who resides in the unit, and who executed the lease with CMHA as lessee of the dwelling unit, or, if no such person now resides in the unit,
 2. who resides in the unit, and who is the remaining head of household of the tenant family residing in the dwelling unit.
- G. RESIDENT ORGANIZATION: Includes a resident management corporation.

V. INFORMAL SETTLEMENT OF GRIEVANCE

Any Grievance shall be personally presented, in writing, to CMHA at the CMHA Property Management Office where the tenant resides, within ten (10) days following the action or failure to act about which the tenant is complaining. Under no circumstances shall CMHA refuse to accept Grievance forms when presented by a tenant or a tenant's representative. Grievance and hearing request forms shall be available at CMHA's Central Housing Management Office and at all CMHA Property Management Offices. Upon presentation of any written Grievance, CMHA office personnel shall date stamp the written Grievance and the manager shall arrange an informal conference with the tenant to discuss the Grievance and attempt to settle it without a hearing. A summary of the discussions during such conference shall be prepared within twenty (20) days following the date of the conference, and one copy shall be given to the tenant, one shall be given to the tenant's representative, if any, and one copy retained in CMHA's tenant file. The summary shall specify the names of the participants, the date of the conference, the nature of the proposed

disposition of the Grievance and the specific reasons for the manager's decision, and shall specify the procedures by which a hearing under Section VI may be obtained if the Grievant is not satisfied.

VI. PROCEDURES TO OBTAIN A HEARING

A. REQUEST FOR HEARING: The Grievant shall submit a written request for a formal hearing to CMHA at the CMHA Property Management Office where the tenant resides or at CMHA's Central Housing Management Office within ten (10) days following receipt of the written summary of discussion pursuant to Section V, or if no such written summary was delivered, within thirty (30) days after the filing of a Grievance. The written request shall specify (1) the reasons for the Grievance, and (2) the action or relief sought.

B. SELECTION OF HEARING OFFICER: A Grievance hearing shall be conducted by an impartial person appointed by CMHA other than the person who made or approved the CMHA action under review or a subordinate of such person.

1. The permanent appointments of persons who shall serve as Hearing Officers shall be governed by the following procedures:

(a) CMHA shall nominate a slate of persons to sit as permanent Hearing Officers. These persons may include, but may not necessarily be limited to CMHA staff members, tenants or other responsible persons in the community who are familiar with HUD regulations and CMHA policies and procedures.

(b) The slate of potential appointees shall be submitted to all CMHA resident organizations for written comments. Written comments from the resident organizations shall be considered by CMHA before appointments are made final. Objections to the appointment of a person as a Hearing Officer must be considered but do not disqualify the person from being appointed.

(c) On final appointment, the persons appointed and resident organizations shall be informed in writing of the appointments. A list of all qualified Hearing Officers will be kept at the CMHA Central Housing Management Office and be made available for public inspection at any time during normal business hours.

2. The designation of Hearing Officers for particular Grievance hearings shall be governed by the following provisions:

(a) All hearings will be held before a single Hearing Officer.

(b) Appointments to serve as a Hearing Officer with respect to a particular Grievance shall be made by CMHA.

(c) No member of the CMHA staff may be appointed as a Hearing Officer in connection with a Grievance contesting an action which was either made

or approved by the proposed appointee, or which was made or approved by a person under whom the proposed appointee works or serves as a subordinate.

- (d) No person shall accept an appointment, or retain an appointment, once selected as a Hearing Officer, if it becomes apparent that such person is not fully capable of impartiality. Persons who are designated to serve as Hearing Officers must disqualify themselves from hearing Grievances that involve personal friends, relatives, persons with whom they have any business relationship, or Grievances in which they have some personal interest. Further, such persons are expected to disqualify themselves if the circumstances are such that a significant perception of partiality exists. If a Grievant fails to object to the designation of the Hearing Officer on the grounds of partiality at the beginning of or before the hearing, such objection is deemed to be waived and may not be made later. In the event that a Hearing Officer fails to disqualify himself or herself as required in this Grievance Procedure, CMHA will remove the Hearing Officer from the list of persons appointed for such purposes, invalidate the results of the Grievance hearing in which such person should have, but did not disqualify himself or herself, and schedule a new hearing with a new Hearing Officer.
- C. FAILURE TO REQUEST A HEARING: If the Grievant fails to request a hearing in accordance with this Section, then CMHA's disposition of the Grievance under Section V shall become final. The failure to request a hearing shall not constitute a waiver by the Grievant of his or her right thereafter to contest CMHA's action in disposing of the Grievance in an appropriate judicial proceeding.
- D. HEARING PREREQUISITE: All Grievances must have been personally presented in writing pursuant to the informal Grievance procedure described in Section V as a condition of proceeding to a hearing under this section. If the Grievant shall show good cause to the Hearing Officer why he or she failed to proceed in accordance with Section V Hearing Officer, the provisions of this subsection may be waived by the Hearing Officer.
- E. SCHEDULING OF HEARINGS: Upon Grievant's compliance with subsections A, D and E of this section, a hearing shall be scheduled by the Central Housing Management Office for a time and place reasonably convenient to the Hearing Officer, the Grievant and the CMHA Property Management representative. A written notification specifying the time, place and procedures governing the hearing shall be delivered to Grievant and Grievant's representative (if CMHA has been notified that the Grievant will have a representative at the hearing), and the appropriate CMHA officials. The hearing shall take place not later than ninety (90) days after presentation of the written request for the formal hearing. If the hearing is not conducted within such ninety (90) day period, or by such later date as may be requested by the Grievant in writing, then the Grievance shall be resolved in accordance with the position stated by the Grievant in the written request for hearing. Any Grievance resolved in the Grievant's favor as a result of CMHA's failure to schedule a hearing in accordance with this paragraph shall be final and binding upon CMHA, and no appeal will be permitted.

VII. PROCEDURES GOVERNING THE HEARING

- A. The hearing shall be held before a Hearing Officer.
- B. The Grievant shall be afforded a fair hearing that shall include:
 - 1. The opportunity to examine before the Grievance hearing any CMHA documents, including records and regulations that are directly relevant to the hearing. The Grievant shall be allowed to copy any such document at the Grievant's expense. If CMHA does not make the document available for examination upon request by the Grievant, CMHA may not rely on such document at the Grievance hearing.
 - 2. The right to be represented by counsel or other person chosen as the Grievant's representative, and to have such person make statements on the Grievant's behalf.
 - 3. The right to a private hearing unless the Grievant requests a public hearing.
 - 4. The right to present evidence and arguments in support of the Grievant's Grievance, to oppose evidence relied upon by CMHA and to cross-examine all witnesses upon whose testimony or information CMHA relies; and
 - 5. A decision based solely and exclusively upon the facts presented at the hearing.
- C. The Hearing Officer may render a decision without proceeding with the hearing if the Hearing Officer determines that the issue has been previously decided in another proceeding.
- D. If the Grievant or CMHA fails to appear at a scheduled hearing, the Hearing Officer may make a determination to postpone the hearing for a period not to exceed five (5) business days or may make a determination that the missing party has waived its right to a hearing. Both the Grievant and CMHA shall be notified of the determination by the Hearing Officer. A determination that the Grievant has waived his or her right to a hearing shall not constitute a waiver of any right the Grievant may have to contest CMHA's disposition of the Grievance in an appropriate judicial proceeding.
- E. At the hearing, the Grievant must first make a showing of an entitlement to the relief sought and thereafter CMHA must sustain the burden of justifying CMHA's action or failure to act against that which the Grievance is directed.
- F. The hearing shall be conducted informally by the Hearing Officer. Both verbal and/or documentary evidence pertinent to the facts and issues raised by the Grievance may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings. The Hearing Officer shall require CMHA, the Grievant, legal counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the Hearing Officer to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate, in the sole and absolute discretion of the Hearing Officer.

- G. The Grievant or CMHA may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcript.
- H. If the Grievant has given CMHA advance notice of the Grievant's need for accommodation as a person having disabilities, CMHA shall provide reasonable accommodation for such person so as to permit that person to participate in the hearing. Reasonable accommodation shall include, but shall not be limited to, qualified sign language interpreters, readers, accessible locations, or attendants. If the Grievant is visually impaired, and has given advance notice to CMHA of such impairment, any notice to Grievant that is required under this Grievance Procedure shall be in an accessible format.

VIII. DECISION OF THE HEARING OFFICER

- A. The Hearing Officer shall prepare a written decision, together with the reasons for the decision, within thirty (30) days after the hearing unless such time is extended by agreement of the Grievant and CMHA. A copy of the decision shall be sent to the Grievant and CMHA. CMHA shall retain a copy of the decision in the Grievant's folder. A copy of such decision, with all names and identifying references deleted, shall also be maintained on file by CMHA and made available for inspection by a prospective Grievant, his or her representative, or Hearing Officer. In the event the Hearing Officer shall not prepare a written decision within thirty (30) days as required by this paragraph, the Grievant may, at his election, be afforded a new hearing before a new Hearing Officer, or serve written notice upon CMHA that a written decision has not been issued in accordance with the provisions of this paragraph. If the Grievant elects to invoke his right to a new hearing, CMHA shall schedule such hearing within ten (10) days. CMHA's failure to schedule a hearing within such ten (10) day period shall result in a disposition of the Grievance in favor of the Grievant in accordance with the Grievant's written request for hearing. If Grievant elects to give written notice of the Hearing Officer's failure to prepare a written decision, and such failure is not corrected within ten (10) days of the receipt by CMHA of such written notice, then the Grievant's Grievance shall be resolved in favor of the Grievant as stated in the Grievant's written request for hearing.
- B. The decision of the Hearing Officer shall be binding on CMHA which shall take all actions, or refrain from any actions, necessary to carry out the decision, within forty-five (45) days from the date of the decision unless CMHA's Board of Commissioners determines and notifies the Grievant within the forty-five (45) day period of its determination, that:
 - 1. The Grievance does not concern CMHA action or failure to act in accordance with or involving the Grievant's lease or CMHA rules and regulations, which adversely affect the Grievant's rights, duties, welfare or status; or
 - 2. The decision of the Hearing Officer is contrary to applicable federal, state or local law, HUD regulations or requirements of the Annual Contributions Contract between HUD and CMHA or exceeds the authority granted to Hearing Officers under Section II. C. of this Grievance Procedure.
- C. A decision by the Hearing Officer or CMHA Board of Commissioners in favor of CMHA or which denies the relief requested by the Grievant in whole or in part shall not constitute

a waiver of, nor affect in any manner whatever, any rights the Grievant may have to a trial de novo or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

IX. RESPONSIBILITY FOR RENT PAYMENTS AND OTHER CHARGES

Before a hearing is scheduled in any grievance involving the amount of rent as defined in 966.4(b) that CMHA claims is due, the Grievant must pay an escrow deposit to CMHA. When a family is required to make an escrow deposit, the amount is the amount of rent that CMHA states is due and payable as of the first of the month preceding the month in which the Grievant's act or failure to act took place. After the first deposit, the Grievant must deposit the same amount monthly until the Grievant's complaint is resolved by decision of the Hearing Officer.

Unless CMHA waives the requirement due to financial hardship (as prescribed in Section 5.630 or Section 5.615 of the regulations, the Grievant's failure to make the escrow deposit will terminate the grievance procedure. A Grievant's failure to pay the escrow deposit does not waive the family's right to contest in any appropriate judicial proceeding CMHA's disposition of the grievance.

X. BAD DEBT GRIEVANCE HEARINGS FOR FORMER TENANTS

This section of the grievance procedure only applies to former tenants who are notified after move-out, upon receipt of the Security Deposit Disposition, that they owe money to the public housing program.

To dispute move-out charges, a former tenant must file a Bad Debt Grievance Hearing Request. The tenant shall have thirty days following the date of issue for the Security Deposit Disposition to dispute the move-out charges.

The grievance request shall be expedited, and scheduled with the Hearing Officer. All sections of the Grievance Procedure pertaining to the Hearing Officer and the decision making process apply to the Bad Debt Grievance Procedure.

Failure to request this grievance waives any right of the former tenant to request a bad debt hearing when re-applying for admission to the public housing program.

HOUSING CHOICE VOUCHER SECTION 8 GREIVANCE PROCEDURE

CMHA's *Housing Choice Voucher Section 8 Program Administrative Plan* contains the following informal hearing and review procedures available to HCV residents and applicants.

HCV Informal Review Procedures

Informal Reviews are provided for applicants who are denied assistance before the effective date of the HAP Contract. When CMHA determines that an applicant is ineligible for the program, the family must be notified of their ineligibility in writing. The notice contains:

- The reason(s) they are ineligible,
- The procedure for requesting an informal review if the applicant does not agree with the decision, and
- The time limit for requesting an informal review.

When denying admission for criminal activity as shown by a criminal record, CMHA will provide the subject of the record and the applicant with a copy of the criminal record upon which the decision to deny was based.

CMHA must provide applicants with the opportunity for an informal review of decisions to:

- Deny issuance of a voucher
- Deny participation in the program
- Deny assistance under portability procedures
- Terminate a family's FSS contract or withhold supportive services.

Informal reviews are not required for established policies and procedures and CMHA determinations such as:

- Discretionary administrative determinations by CMHA
- General policy issues or class grievances
- A determination of the family unit size under CMHA subsidy standards
- Refusal to extend or suspend a voucher
- CMHA determination not to grant approval of the tenancy
- Determination that unit is not in compliance with HQS
- Determination that unit is not in accordance with HQS due to family size or composition
- Procedure for Review

A request for an informal review must be received in writing by the close of the business day, no later than 10 calendar days from the date of CMHA's notification of denial of assistance. The informal review will be scheduled within 30 calendar days of the date the request is received.

The informal review may not be conducted by the person who made or approved the decision under review, nor a subordinate of such person. The review may be conducted by:

- A CMHA staff person who is not directly involved in the decision to approve or deny
- An individual who is not a CMHA employee

The applicant will be given the option of presenting oral and/or written objections to the decision. Both CMHA and the family may present evidence and witnesses. The family may use one designee, e.g. an attorney or other representative, to assist them at their own expense.

A notice of the findings will be provided in writing to the applicant within 15 business days after the review. It will include the decision of the Hearing Officer, and an explanation of the decision.

HCV Informal Hearing Procedures

CMHA will give a participant family an opportunity for an informal hearing to consider whether the following decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and CMHA policies:

- Determination of the family's annual or adjusted income and the computation of the housing assistance payment
- Appropriate utility allowance used from schedule
- Family unit size determination under CMHA subsidy standards
- Determination to terminate assistance for any reason

CMHA must always provide the opportunity for an informal hearing before termination assistance.

Informal hearings are not required for established policies and procedures and CMHA determinations such as:

- Discretionary administrative determinations by CMHA
- General policy issues or class grievances
- Establishment of the CMHA schedule of utility allowances for families in the program
- CMHA determination not to approve an extension or suspension of a voucher term
- CMHA determination not to approve a unit or lease
- CMHA determination that an assisted unit is not in compliance with HQS (CMHA must

provide hearing for family breach of HQS because that is a family obligation determination)

- CMHA determination that the unit is not in accordance with HQS because of the family size
- CMHA determination to exercise or not exercise any right or remedy against the owner under a HAP Contract

When CMHA makes a decision regarding the eligibility and/or the amount of assistance, participants must be notified in writing. CMHA will give the family prompt notice of such determinations which will include:

- The proposed action or decision of CMHA
- The date the proposed action or decision will take place
- The family's right to an explanation of the basis for CMHA's decision
- The procedures for requesting a hearing if the family disputes the action or decision
- The time limit for requesting the hearing
- To whom the hearing request should be addressed

ATTACHMENT C

PET POLICY

CMHA PET POLICY

This policy sets forth requirements for residents who wish to keep common household pets such as dogs and cats in their CMHA dwelling units. All residents who desire to keep a pet must obtain the *prior* approval of the Property Manager, in accordance with the procedures set forth in this Pet Policy.

As a reasonable accommodation for individuals with disabilities, this Pet Policy does not apply to animals that are verified to be medically necessary as an assistive or companion animal needed by persons with disabilities. The need for such an animal must be verified by a qualified medical practitioner.

When verification of need for an assistive or companion animal is obtained, the person with disabilities will be exempt from the pet deposit and, for assistive animals, the size limitations of this policy. Persons with disabilities will still be required to document that their animals are healthy and have received all legally required inoculations. In addition, persons with disabilities must be able to care for their animals and keep them and their units in safe and healthy condition. Owners of medically necessary companion or assistive animals must meet this requirement on their own, or as part of a reasonable accommodation, with assistance from some source other than CMHA. Elderly residents who are not disabled are also permitted to have pets, but if they are not persons with disabilities they must comply fully with this policy, including paying the pet deposit.

Pet ownership by CMHA residents is subject to reasonable requirements and limitations as described in this policy. It is the resident's responsibility to read and follow the rules and regulations contained in this policy. Repeated or serious violations of this policy will be cause for termination of the Lease.

Ownership of household pets is restricted in three (3) ways: by building type; by type or breed of animal; and by size, weight or other factors particular to the type of pet.

- Dog breeds commonly used for attack or defense purposes including, but not limited to Rottweilers, Pit Bull Terriers, Doberman Pinchers and German Shepherds, are not eligible for ownership and are not allowed on CMHA property under any circumstances.
- Any aggressive cat or dog, with a known or suspected propensity, tendency or disposition to unprovoked attacks, is also not allowed.
- Exotic animals are excluded from CMHA property, (e.g. snakes, lizards, iguanas, wild animals such as wolves and big cats, etc.).
- Certain types of birds, e.g. hawks, eagles, condors, falcons, pigeons, etc. are not allowed.

There are no exceptions.

A Tenant wishing to have a pet in their unit must first complete the *Application for Pet Registration* form (attached), which, if approved by the Property Manager, then becomes an Addendum to the Lease.

Documentation necessary at the time of *Application for Pet Registration*:
A photograph and description of the pet;

A certificate signed by a licensed veterinarian verifying that the pet has received all inoculations required by state and local law, that the pet has no communicable diseases, and is pest-free.

The name, address and telephone number of one or more responsible parties who will care for the pet if the pet owner dies or is otherwise unable to care for the pet.

Documentation that cats or dogs have been spayed or neutered. All female dogs over six months of age and all female cats over five months of age must be spayed. All male dogs over eight months of age and all male cats over ten months of age must be neutered. If health problems prevent spaying or neutering, a veterinarian's certificate will be necessary to allow the pet to be registered. CMHA may permit exceptions.

For dog owners, a copy of the current license, issued by Hamilton County.

The name of the adult household member with primary responsibility for pet care.

The *Application for Pet Registration* must be renewed and will be coordinated with each resident's annual recertification. When the completed *Application for Pet Registration* is received, it is reviewed by the Property Manager. Authorization to have a pet can only be approved if the household is lease compliant. Once the pet application is approved by management, the resident shall pay the required pet deposit, if applicable. A receipt shall be given to the resident and a copy kept in the resident's file.

Birds: A maximum of two caged birds, each weighing no more than two pounds, is allowed. The *Application for Pet Registration* must be completed and approved, but no deposit is required.

Fish: No deposit or registration is required for a fish bowl holding less than one gallon of water. An aquarium may not hold more than 30 gallons of water, and must have a secure cover to prevent moisture from escaping. A household may have only one aquarium. For an aquarium, the *Application for Pet Registration* must be completed and approved, but no deposit is required.

Cats: Resident shall pay a refundable pet deposit of \$50 if residing in a unit that is not carpeted, and \$100 if residing in a unit that is carpeted.

Dogs: Resident shall pay a refundable pet deposit of \$150 if residing in a unit that is not carpeted, and \$250 if residing in a unit that is carpeted.

The resident shall have the following options to pay the pet deposit:

The entire deposit is paid at the time the Lease is signed or pet approval for the resident is granted; or 50% of the deposit is paid at the time the Lease is signed or pet approval for the resident is granted and the remaining 50% paid in two (2) equal installments. Each installment is due the first of the month for the two months immediately following the signing of the Lease or when the pet approval for the unit is granted.

A household may have either one cat or one dog, but not both. A household may have one fish aquarium and a maximum of two birds in any one unit. Dogs are limited in size to a maximum of 25 pounds and 20 inches in height at the shoulders. Every dog and cat must wear a valid rabies tag. All pets must also wear a tag bearing the owner's name, address and phone number.

At the time of annual re-examination, every pet must be registered with the Property Manager.

Registering a dog or cat requires proof of up-to-date inoculations, identification tag, and verification

that the pet has been spayed/neutered, or a letter from a veterinarian giving medical reason why procedure was not performed.

Pets shall be quartered in the resident's unit. Animals may not be chained up outside the unit. No doghouses are allowed on the premises. Food and water dishes will be located within the owner's unit. Food and/or table scraps will not be deposited on the owner's porch or yard.

Residents will not feed or water stray animals or wild animals.

Pets will not be allowed on specified common areas (under clothes lines, in community rooms, offices, maintenance space, playgrounds, etc.).

Every pet owner will be responsible for proper disposal of fecal waste of his or her pet. The excrement of any animal curbed on CMHA property must be removed and disposed of immediately. Failure of the pet owner to remove and dispose of pet waste may invoke a \$15 charge for management to remove pet waste. Continued violation of this requirement will be cause for termination of tenancy.

Owners are required to make sure their pets do not make noise that interferes with their neighbors' peaceful enjoyment of their units.

Pet owners are liable for any damage caused by their pet, including the cost of exterminating for fleas or other pet-borne pests.

Pets are not permitted in common areas, i.e., laundry rooms, recreation rooms, TV lounges, etc. Lobby areas are available to pets for ingress and egress only. Assistive animals for persons with disabilities are exempt from this restriction.

A pet owner must be capable of taking care of a pet. A pet owner is required to maintain a current notarized statement from a person who will assume immediate responsibility for the pet in case of the pet owner's illness/emergency, or extended absence from the dwelling unit.

While pets are outside of the unit and in CMHA building common areas (e.g. elevators, hallways, lobby, etc.), they must be kept on a leash, carried in the resident's arms or in an appropriate animal cab. While outside the unit, dogs, excluding assistive animals, must be kept on a leash and tightly reined.

A pet that bites or attacks a resident or CMHA employee shall be prohibited from remaining on the property. The pet's owner shall be required to get rid of the animal to avoid lease termination.

Visitors (non-residents) on CMHA property are not allowed to have any animal on the property. Required assistive animals are exempt from this restriction.

The following shall be general guidelines for pet ownership in different types of housing:

High-Rise Buildings: Cats, birds and fish are allowed.

No dogs are allowed. Residents in these buildings who have a dog registered prior to the July 1, 2005 effective date of this policy will be permitted to keep the dog. No new dogs will be permitted.

Single Family Homes, Duplexes, Walk-Ups, Townhouses, and Scattered Sites: All pets specified in this policy are permitted.

Persons with Disabilities: A person with a disability shall be allowed to have an assistive or companion animal, regardless of the building type of the person's dwelling unit. A third-party verification from a qualified medical practitioner that verifies the need for the animal and the type of animal needed shall be required.

Violation of this Pet Policy or Pet Rules two (2) times within a twelve (12) month period will be grounds for termination of the Lease.

Notice of Pet Rule Violation: When CMHA determines that a Tenant has violated one or more of these rules governing the owning or keeping of pets, CMHA will serve a written notice of the pet rule violation(s) on the Tenant.

The notice of pet rule violation must contain a brief statement of the factual basis for the determination and the pet rule(s) alleged to have been violated.

The notice must state that the Tenant has ten (10) calendar days from the date of the notice to correct the violation (including, in appropriate circumstances, removal of the pet).

The notice must state that the Tenant's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to terminate the Tenant's lease.

The Administrative Grievance Procedure will apply for any proposed termination of the Lease because of Pet Policy violations.

Notice of Pet Removal: If CMHA determines that the pet owner has failed to correct the pet rule violation CMHA will send the resident a notice requiring the pet owner to remove the pet. This notice must:

Contain a brief statement of the factual basis for the determination and the pet rule or rules that have been violated;

State that the pet owner must remove the pet within ten (10) calendar days of the effective date of the notice;

State the failure to remove the pet may result in termination of the lease.

If the health or safety of a pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet, then CMHA may:

Contact the responsible party listed in the registration form and ask that they assume responsibility for the pet;

If the responsible party is unwilling or unable to care for the pet, then CMHA may contact the appropriate Animal Control Authority, Humane Society or other designated agent of CMHA and request the removal of the pet.

Nothing in this policy prohibits CMHA or the appropriate Animal Control Authority from requiring the removal of any pet from the property if the pet's conduct or condition is duly determined to constitute a nuisance or a threat to the health or safety of other occupants of the property or of other persons in the community.

Pet owners will be responsible and liable for any and all bodily harm to other residents or individuals caused by their pet.

Destruction of personal property belonging to others caused by an owner's pet will be the financial obligation of the pet owner.

Report of Independent Auditors

To the Board of Commissioners
Cincinnati Metropolitan Housing Authority
Cincinnati, Ohio

HUD, Cleveland Area Office
Renaissance Building
1350 Euclid Avenue, Suite 500
Cleveland, Ohio 44115-1815

We have audited the accompanying basic financial statements of the Cincinnati Metropolitan Housing Authority (CMHA) as of and for the year ended June 30, 2007 as listed in the table of contents. These financial statements are the responsibility of CMHA's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of CMHA, as of June 30, 2007, and changes in financial position and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 18, 2007 on our consideration of CMHA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The Management's Discussion and Analysis, as detailed in this Report, is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements of the Cincinnati Metropolitan Housing Authority. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*, and is not a required part of the basic financial statements of CMHA. Also, the accompanying supplemental information such as the combining and individual nonmajor program financial statements is presented for purposes of additional analysis and is not a required part of

the financial statements. The Financial Data Schedule is presented for purposes of additional analysis as required by the Department of Housing and Urban Development and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**Cincinnati Metropolitan Housing Authority
Management's Discussion and Analysis
June 30, 2007**

This discussion and analysis provides the reader with narrative overview and financial analysis of Cincinnati Metropolitan Housing Authority's (CMHA) financial activities and performance for the year ended June 30, 2007. This section should be read in conjunction with the audited financial statements and accompanying notes.

Financial Highlights

- CMHA's total assets and liabilities were \$296,982,796 and \$46,051,632 respectively, and therefore the net assets were \$250,931,164 as of June 30, 2007.
- Total revenues including capital contributions and total expenses were \$140,796,350 and \$119,841,827 respectively resulting in \$20,954,523 change in net assets for fiscal year 2007.
- Fiscal 2007 resulted in a net increase in cash and cash equivalents of \$26,730,725 and purchase of \$13,919,786 in fixed assets.

Overview of the Financial Statements

- **Management's Discussion and Analysis** The "Management's Discussion and Analysis" is intended to serve as an Introduction to the Authority-wide financial statements. The Authority-wide financial statements and Notes to Financial Statements included in the Audit Report were prepared in accordance with GAAP applicable to governmental entities in the United States of America for Proprietary Fund types and in compliance with the regulations set forth in GASB 34.
- **Authority-wide Financial Statements** The Authority-wide financial statements are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private-sector business. They consist of the Statement of Net Assets, the Statement of Revenues, Expenses and Changes in Net Assets, and the Statement of Cash Flows.
- **Notes to Financial Statements** The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the Authority-wide financial statements.

Overview of the Financial Statements

The Authority has many programs that are consolidated into a single enterprise fund. The major programs consist of the following:

Conventional Public Housing Under the Conventional or Low Rent Housing program, the Authority rents units that it owns to low income households. The Conventional Public Housing Program is operated under an Annual Contributions Contract (ACC) with the U.S. Department of Housing and Urban Development (HUD), and HUD provides Operating Subsidy and Capital Grant Funding to enable the Authority to provide the housing at a rent that is based upon approximately 30% of household income.

Capital Fund Program The Conventional Public Housing program also includes the Capital Fund Program, which is the primary funding source for physical and management improvements to the Authority's properties. The formula funding methodology used is based upon the number of units, including the bedroom sizes and the age of the buildings/units.

During the year ending June 30, 2007, CMHA obtained approval for a \$20 million loan for capital improvements, which will be repaid through future Capital Fund Program Grants.

Housing Choice Vouchers Program Under the Housing Choice Voucher Program, the Authority administers contracts with independent landlords that own the property. The Authority subsidizes the family's rent through the Housing Assistance Payment made to the landlord. The program is administered under an Annual Contributions Contract (ACC) with HUD. HUD provides Annual Contributions Funding to enable the Authority to structure a lease that sets the participants' rent at approximately 30% of household income.

Hope VI Grant The Hope VI Grants are programs funded by HUD for redevelopment of the Authority's properties. It is a mixed financing and mixed-use development with homeownership opportunities for public housing residents.

Overview of the Authority's Financial Position and Operations

Net Assets

The Authority's total assets increased by \$39.1 million during the fiscal year. Cash and cash equivalents increased by \$26.7 over fiscal year 2006, and investments decreased by \$1.0 million. The increase in cash was primarily due to funds borrowed from Fannie Mae in conjunction with the Capital Fund Financing Program. These funds are to be used over two years to complete major capital improvements throughout the Conventional Public Housing Program. This was also in part due to underutilized HAP revenues during the fiscal year and HAP revenues from prior years. Accounts receivable increased as projects have been undertaken and monies loaned to the Springdale Senior Limited Partnership for the development of Baldwin Grove, a Senior Mixed Finance Development. Overall, capital assets reflect a \$2.3 million increase, which is due to new acquisitions in the Conventional Public Housing Program which is offset by the demolition of units at the English Woods site. Notes and mortgages receivable and associated interest receivable experienced an increase over the prior year due to the closing of Laurel V and the issuance of a \$5 million note to the Laurel V Partnership.

Total liabilities increased for fiscal year 2007 by \$18.0 million. The primary cause of this increase was the issuance of the \$20 million loan for the Capital Fund Financing Program.

The increase of \$21.0 million in total net assets was primarily attributable to the change in operational net income. During fiscal year 2007, CMHA received increased governmental revenues associated with the growth of the Housing Choice Voucher program. This resulted in a net gain of \$10 million in the Housing Choice Voucher Program. Additionally, the demolition of units at English Woods led to a decrease in the depreciation expense. There was a \$2 million reduction in both rental revenue and utility expense related to a change in handling of the utility allowances for the Conventional Public Housing Program. This had been an expense in the past but is now reflected as a reduction of rental revenue.

Revenues, Expenses and Change in Net Assets

The Authority's operational income for fiscal year 2007 increased by \$37.8 million on a consolidated basis. This is largely due to growth in its Housing Choice Voucher Program due to the receipt of the Hamilton County Housing Choice Vouchers.

Budgetary Highlights

For the year ended June 30, 2007, individual program or grant budgets were prepared by the Authority and were approved by the Board of Commissioners. The budgets were primarily used as a management tool and have no legal stature. The budgets were prepared in accordance with accounting procedures prescribed by the applicable funding agency.

During fiscal year 2007, CMHA converted financial and accounting processes to comply with the Asset Management requirements as outlined by HUD and began to make appropriate changes to align with funding reductions for this program. Budgets for fiscal year 2008 reflect anticipated funding for the fiscal year and the updates to the Asset Management requirements.

Capital Assets and Debt Administration

As of June 30, 2007 the Authority's investment in capital assets for its Proprietary Fund was \$210,850,746 (net of accumulated depreciation). This represents an increase of \$2.3 million. This is primarily due to the increase in investment in capital assets, consisting primarily in dwelling units for the Conventional Public Housing Program.

Major capital assets purchased, \$13.9 million, during the fiscal year pertained to expenditures made in accordance with the Authority's Capital Fund and HOPE VI programs.

The Authority's long-term portion of debt as of June 30, 2007 was \$29,876,100. The long term debt was comprised of Hamilton County HOME and local bank loans for development of low rent housing in Hamilton County, debt secured as part of a capital fund financing program, and a lease-purchase agreement utilized to purchase equipment for energy cost savings program.

Economic Factors

The following factors were considered in preparing the Authority's budget for the fiscal year 2008:

- Change in funding methods, levels and pro-ratio factors for Housing Choice Voucher, Low Income Public Housing, Capital Fund, and Replacement Housing Factor.
- Inflationary and weather condition factors which effect utility rates and cost of operational materials and supplies.
- Increases in salary and benefit costs (e.g. health insurance (significant increases are anticipated beginning September 1, 2007), public employee retirement fund).
- Changes in financial reporting requirements affecting the Housing Choice Voucher Program and Capital Programs in conjunction with HUD-required transition to Asset Management.
- Increases in the number of dwelling units in the public housing portfolio as well as the development of a 100-unit mixed finance property.

CINCINNATI METROPOLITAN HOUSING AUTHORITY

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2007

1. Summary of significant accounting policies

A. Organization

The Cincinnati Metropolitan Housing Authority (CMHA) is a public body corporate and politic created under the laws of the State of Ohio and was organized for the purposes of acquiring, developing, leasing, operating and administering low-rent housing programs for qualified individuals.

The United States Department of Housing and Urban Development (HUD) has direct responsibility for administering the Low-Rent Housing Program under the United States Housing Act of 1937, as amended. HUD is authorized to contract with local housing authorities in financing the acquisition, construction, and/or leasing of housing units, to make housing assistance payments, and to make annual contributions ("subsidies") to the local housing authorities for the purpose of maintaining the low-rent character of the local housing program. Under an administrative form of contract, HUD has conveyed certain federally built housing units to CMHA for low-rent operations.

B. Reporting entity

The governing body of CMHA is its Board of Commissioners, which is composed of five members. The members are appointed as follows: Two (2) by the Mayor of the City of Cincinnati, one (1) by the Hamilton County Commissioners, one (1) by the Court of Common Pleas, and one (1) by the Probate Court. The Board appoints a Chief Executive Officer to administer the business of CMHA. CMHA is not considered a component unit of the City of Cincinnati, as the Board independently oversees CMHA's operations.

The accompanying financial statements comply with the provisions of Governmental Accounting Standards Board ("GASB") Statement No. 14, *The Financial Reporting Entity*, and Statement No. 39, *Determining Whether Certain Organizations Are Component Units*, in that financial statements include all organizations, activities, and functions for which CMHA is financially accountable. Financial accountability is defined by the component unit being fiscally dependent on CMHA. Based upon the application of these criteria, the reporting entity had no component units.

The financial statements of the CMHA include Low-Rent Public Housing under Annual Contributions Contract C-984, Section 8 Housing Assistance Programs under Annual Contributions Contract [C-5034], Local Initiatives Programs and the Hamilton County Affordable Housing Program.

C. Summary of HUD Programs

The accompanying financial statements include the activities of the Housing Programs subsidized by HUD. A summary of each of these programs and the related contracts with HUD is provided below.

1. Annual Contributions Contract

a. Low rent public housing

This type of housing consists of apartments and single-family dwellings owned and operated by CMHA. Funding is provided by tenant rent payments and subsidies provided by HUD.

12

b. Modernization and development

Substantially all additions to land, buildings, and equipment are accomplished through the HOPE VI Program or Capital Fund Program. These programs add to, replace or materially upgrade deteriorated portions of CMHA's housing units. Funding is provided through programs established by HUD.

2. Annual Contributions Contract – Housing Assistance Payments Programs

a. Housing choice vouchers and moderate rehabilitation

These are housing programs wherein low-income tenants lease housing units directly from private landlords rather than through CMHA. HUD contracts with private landlords to make assistance payments for the difference between the approved contract rent and the actual rent paid by the low-income tenants.

3. Resident opportunities and supportive services (ROSS)

ROSS links public housing residents with supportive services, resident empowerment activities and assistance in becoming economically self sufficient.

4. Service coordinator for public housing program

CMHA administers this public housing program to provide a service coordinator who is responsible for limited case management and referral services for elderly and disabled public housing residents. Funding for this program is provided by grants from HUD.

D. Basis of presentation of accounting

In accordance with uniform financial reporting standards for HUD housing programs, the financial statements are prepared in accordance with U.S. generally accepted accounting principles (GAAP).

CMHA uses the proprietary fund type to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. The transactions of each fund are reflected in self-balancing groups of accounts and accounting entities that are separate from the activities reported in other funds. Funds are classified into three categories: governmental, proprietary and fiduciary. CMHA uses the proprietary category for its programs.

Based on compelling reasons offered by HUD, CMHA reports under the proprietary fund type (enterprise fund), which uses the accrual basis of accounting. Proprietary funds are used to account for CMHA's ongoing activities, which are similar to those found in the private sector. The proprietary fund type which is used by CMHA is the enterprise fund.

The enterprise fund is used to account for the operations that are financed and operated in a manner similar to private business enterprises where the intent is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or where it is has been decided that periodic determination of revenue earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Pursuant to the election option made available by GASB Statement No. 20, *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting*, CMHA has the option of following subsequent FASB guidance for their business – type and enterprise funds issued prior to December 1, 1989 to the extent that those standards do not conflict with or contradict guidance of the Government Accounting Standards Board. CMHA has elected not to apply those FASB statements and interpretations issued after November 30, 1989 to its enterprise funds.

E. Budgets

Budgets are prepared on an annual basis for each major operating program and are used as a management tool throughout the accounting cycle. The modernization and development budgets are adopted on a "project length" basis. This budget is submitted to the Department of Housing and Urban Development and once approved by HUD is approved by the Board of the Housing authority. Budgets are not, however, legally adopted nor required for financial statement presentation.

F. Revenue recognition

Subsidies and grants received from HUD and other grantors are generally recognized during the periods to which they relate and all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted, matching requirements, in which CMHA must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to CMHA on a reimbursement basis. Tenant rental revenues are recognized during the period of occupancy. Other receipts are recognized when the related expenses are incurred. Expenses are recognized as incurred.

G. Cash equivalents

For the purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less.

H. Restricted cash and cash equivalents

Cash and cash equivalents have been classified as restricted on the statement of net assets for family self-sufficiency escrows, resident security deposits and other HUD restricted funds that are to be used for HUD projects and development.

I. Receivables / bad debts

Bad debts are provided on the allowance method based on management's evaluation of the collectibility of outstanding tenant receivable balances at year end.

J. Interprogram receivables and payables

During the course of normal operations, CMHA has numerous transactions between funds. Interprogram receivables/payables are all current, and are the result of the use of the Low Rent Public Housing Program as the common paymaster for shared costs of CMHA. Cash settlements are made periodically and all interprogram balances net zero. Interprogram balances are eliminated for financial statement presentation.

-

-

K. Investments

Investments are recorded at fair value. Fair value generally represents quoted market prices for investments traded in the public marketplace. Investment income, including changes in the fair value of investments, is recorded as nonoperating revenue in the operating statements. Investment income is recognized and recorded when earned and is allocated to programs based upon monthly investment balances. Investment instruments pertaining to HUD programs consist only of items specifically approved by both HUD requirements and the requirements of the State of Ohio.

-

L. Inventories

Inventories (consisting of materials and supplies) are valued at costs using the first in, first out (FIFO) method. If inventory falls below cost due to damage, deterioration or obsolescence, CMHA establishes an allowance for obsolete inventory. CMHA relies upon its periodic (annual) inventory for financial reporting purposes. In accordance with the consumption method, inventory is expensed when items are actually placed in service.

-

M. Prepaid items

Payments made to vendors for goods or services that will benefit periods beyond the fiscal year end are recorded as prepaid items.

-

N. Restricted assets

Certain assets may be classified as restricted assets on the statement of net assets because their use is restricted by contracts or agreements with outside third parties and lending institutions.

Net assets invested in capital assets – net of related debt consists of capital assets, net of accumulated depreciation, reduced by the outstanding balance of any borrowing used for the acquisition, construction or improvement of those assets.

It is CMHA's policy to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

-

O. Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

-

P. Fair value of financial instruments

The carrying amount of CMHA's financial instruments at June 30, 2007, including cash, investments, accounts receivable and accounts payable closely approximate fair value.

-

Q. Fixed assets

1. Book value

All purchased fixed assets are valued at cost when historical records are available. When no historical records are available, fixed assets are valued at estimated historical cost.

Land values were derived from development closeout documentations.

Donated fixed assets are recorded at their fair value at the time they are received.

Donor imposed restrictions are deemed to expire as the asset depreciates.

All normal expenditures of preparing an asset for use are capitalized when they meet or exceed the capitalization threshold.

2. Depreciation

Pursuant to the enterprise GAAP method, the cost of the buildings and equipment is depreciated over the estimated useful lives of the related assets on a composite basis using the straight-line method.

Depreciation commences on modernization and development additions in the year following completion.

The useful lives of buildings and equipment for purposes of computing depreciation are as follows:

Buildings	40 years
Building modernization	10 years
Office and other equipment	5 years

3. Maintenance and repairs expenditures

Maintenance and repairs expenditures are charged to operations when incurred. Betterments in excess of \$5,000 are capitalized. When buildings and equipment are sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved and any gain or loss is included in operations.

R. Compensated absences

In accordance with GASB Statement No. 16, "Accounting for Compensated Absences," vacation and sick leave are accrued as liabilities when an employee's right to receive compensation is attributable to services already rendered and it is probable that the employee will be compensated through paid time off or some other means, such as cash payments at termination or retirement. Leave time that has been earned but is unavailable for use as paid time off or as some other form of compensation because an employee has not met the minimum service time requirement, is accrued to the extent that it is considered to be probable that the conditions for compensation will be met in the future.

Sick leave is accrued using the vesting method, whereby the liability is recorded on the basis of leave accumulated by employees who are eligible to receive termination payments as of year end, and on various percentages, based on their respective bargaining units, of the leave balances accumulated by employees who have completed ample service time with CMHA. These employees are expected to become eligible in the future to receive such payments.

S. Equity transfers

Transfers presented on the accompanying combining statements represent the transfer of equity for closed programs/grants as required by HUD reporting guidelines.

T. Annual contribution contracts

Annual contribution contracts provide that HUD shall have CMHA to audit and examine the records of public housing authorities. Accordingly, final determination of CMHA's financing and contribution status for the Annual contribution contracts is the responsibility of HUD based upon financial reports submitted by CMHA.

2. Deposits and Investments

The provisions of the Ohio Revised Code and CMHA's written investment policy and HUD regulations govern the investment and deposit of CMHA monies. Only banks located in Ohio and domestic building and loan associations are eligible to hold public deposits. HUD requires authorities to invest excess HUD program funds in obligations of the United States, certificates of deposit or any other federally insured instruments. CMHA is also generally permitted to invest its monies in certificates of deposit, savings accounts, money market accounts, certain highly rated commercial paper, the State Treasurer's investment pool (STAR Ohio), and obligations of certain political subdivisions of Ohio and the United States government and its agencies. These investments must mature within three years of their purchase. CMHA may also enter into repurchase agreements with any eligible depository or any eligible dealer for a period not exceeding thirty days.

Public depositories must give security for all public funds on deposit. HUD requires specific collateral on individual accounts in excess of amounts insured by the Federal Deposit Insurance Corporation. Any public depository in which CMHA places deposits must pledge as collateral eligible securities of aggregate market value equal to the excess of deposits not insured by the Federal Deposit Insurance Corporation (FDIC). The securities pledged as collateral are pledged to a pool for each individual financial institution in amounts equal to at least 105% of the carrying value of all public deposits held by each institution. Obligations that may be pledged as collateral are limited to obligations of the United States and its agencies and obligations of any state, county, municipal corporation or other legally constituted authority of any other state, or any instrumentality of such county, municipal corporation or other authority. Obligations furnished as security must be held by CMHA or with an unaffiliated bank or trust company for the account of CMHA.

Repurchase agreements must be secured by the specific qualifying securities upon which the repurchase agreements are based. These securities must mature or be redeemable within five years of the date of the related repurchase agreement. The market value of the securities subject to a repurchase agreement must exceed the value of the principal by 2 percent and be marked to market daily. State law does not require security for public deposits and investments to be maintained in CMHA's name.

A. Deposits

At year-end, the carrying amount of CMHA's deposits was \$40,729,880 (including \$38,912,226 of unrestricted funds, \$1,810,489 of restricted funds and \$7,165 of petty cash) and the bank balance was \$41,585,354. Of the bank balance, \$153,836 was covered by federal depository insurance and \$41,431,518 was covered by collateral held by third party trustees pursuant to section 135.181 of the Ohio Revised Code, in collateral pools serving all public funds on deposit with specific depository institutions.

Custodial Credit Risk:

Custodial credit risk is the risk that in the event of a bank failure, CMHA's deposits may not be returned to it. CMHA does not have a custodial credit risk policy.

B. Investments

CMHA's investments at June 30, 2007 are summarized below:

<u>Investment</u>	<u>Maturity Year</u>	<u>0-1 Years Before Maturity</u>	<u>Credit Rating</u>
Federal Home Loan Mortgage	09/13/07	\$ 980,417	N/A
Federal Home Loan Mortgage	12/07/07	484,850	N/A
Federal Home Loan Mortgage	03/03/08	1,475,148	N/A
Total		<u>\$ 2,940,215</u>	

Custodial Credit Risk:

The risk that, in the event of a failure of a counter party, CMHA will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. CMHA employs the use of "safekeeping" accounts to hold and maintain custody of its investments as identified within this policy and as a means of mitigating this risk.

Interest Rate Risk:

The risk that CMHA will incur fair value losses arising from rising interest rates. Such risk is mitigated by the investment policy by limiting investments to certain maximum maturities. As a rule, unless specified otherwise within the policy, investments are to have a maximum maturity of three years unless the investment is matched to a specific expenditure. The context of a specific investment purchase must be weighed in proportion to the remainder of the existing investment portfolio and the "prudent investor" rule to attempt to limit such risk.

The three credit risk categories for investments are defined as follows:

1. Insured or registered, or securities held by the government or its agent in the government's name.
2. Uninsured and unregistered, with securities held by the counter-party's trust department or agent in the government's name.
3. Uninsured and unregistered, with securities held by the counter-party, or by its trust department or agent but not in the government's name.

6. Notes receivable

All notes receivable are the result of financing for Lincoln and Laurel HOPE VI revitalization projects. The majority of these receivables are to be paid 40 years from the date of the note. The first \$50,000 is forgiven at 10% per year over 10 years, and any amount over \$50,000 will be due on the sale of the homes or 30 years from the date of the note. No portion of the notes receivable are to be paid within the next year. The following schedule summarizes the details pertaining to the notes receivable:

<u>Amount</u>	<u>Maker</u>	<u>Date of Note</u>	<u>Interest</u>	<u>Maturity Date</u>	<u>Term</u>

7. Ground lease

In regards to the above notes receivable, the Partnerships entered into a 75 year ground lease in the total amount of \$837,000. A ground lease payment of \$297,000 was made upon execution of the agreement. The remaining \$540,000 is evidenced by notes receivable from the developer.

The term commences November 8, 2000 and ends November 8, 2075. In addition, the Partnership is required to pay an annual rent payment equal to 10% of the project's net income. Other than real estate taxes, for which CMHA has responsibility, the Partnership is responsible for paying all charges associated with the property. The ground lease contains other restrictive covenants relating to the use of the property as more fully described in the agreement.

Pursuant to the ground lease the Partnership is to make a PILOT payment each year equal to 10% of rental income, as defined in the agreement.

9. Compensated absences payable

CMHA follows GASB Statement No.16 "Accounting for Compensated Absences" to account for compensated absences. Accrued vacation is paid upon termination. Sick leave is paid to exempt employees who have at least 10 years service and voluntarily resign, retire or are laid off from CMHA, at the level of 50% of their unused leave balance up to a maximum payment of 1,000 hours less two times the amount of sick usage over the prior three (3) years. For the AFSCME and Building Trade unions, sick leave shall be forfeited upon employee's separation for any reason except retirement in which the payout will be 50% up to a maximum of 600 hours. For the IOUE union, sick leave shall be forfeited upon the employee's separation for any reason except retirement in which the level of payout will be the following: 1) employees hired before January 1, 1986 shall be paid at 50% of their balance in excess of 600 hours; 2) employees hired on or after January 1, 1986 shall be paid at 50% of their balance up to 800 hours; or 3) employees hired after July 1, 2003 shall be paid at 50% of their balances up to a maximum of 600 hours.

At June 30, 2007 total leave to be paid upon termination is \$1,364,283. \$281,955 is current and \$1,082,328 is long-term.

12. Notes payable – Fannie Mae

These notes were acquired on behalf of the development partner. The notes are comparative to a line of credit. The proceeds are drawn from Fannie Mae by CMHA. CMHA then re-loans these funds to the developer. Interest rates and terms with the developer are approximately equal to CMHA's interest rates with Fannie Mae.

At June 30, 2007, CMHA has the following outstanding Fannie Mae notes:

	<u>Amount</u>	<u>Terms</u>
Fannie Mae Note #791	\$ 1,659,480	LIBOR + 1.3%
Fannie Mae Note #755	<u>2,310,795</u>	LIBOR + 1.1%
	\$ <u>3,970,275</u>	

Both notes expire on June 30, 2009 and carry \$4,000,000 maximum amounts. Interest expense for these notes was \$187,966 for the year ended June 30, 2007.

Hamilton County (HOME & CDBG) loans (Items 1-5):

Hamilton County provided Home and CDBG funds for the development of low-rent housing units in Hamilton County. These loans (and interest of 2% per annum) will be forgiven at the rate of 10% annually commencing in the sixteenth year, provided the units are preserved as low-income housing throughout the entire twenty-five year duration. CMHA therefore does not record interest expense or accruals on these loans, since CMHA's mission is to provide low-income housing, and has no plans to convert the units to market rate.

Bank loans (Items 6-7):

These loans were acquired to expand the affordable housing program using locally available funds. There is no capitalized interest.

CitiCapital loan (Item 8):

This loan is in the form of a lease-purchase agreement between CMHA and CitiCapital. Proceeds of the loan were used to purchase equipment which will reduce energy costs to the savings from the conservation will exceed the cost of the loan.

Capital Fund Financing (Item 9):

This loan was acquired as part of a Capital Fund Financing Program, used to fund capital improvements to existing public housing. This loan is repaid through the use of Capital Fund grants.

The following is a summary of CMHA's future annual debt service requirements for the notes payable:

16. Defined benefit pension plan

The following information was provided by the PERS of Ohio to assist CMHA in complying with GASB Statement No. 27, "Accounting for Pensions by State and Local Government Employers."

CMHA contributes to the Public Employees' Retirement System of Ohio (PERS), a cost sharing multiple employer defined benefit pension plan. The PERS of Ohio provides retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. Chapter 145 of the Ohio Revised Code provides statutory authority to establish and amend benefits. The Public Employees Retirement System of Ohio issues a stand-alone financial report that includes financial statements and required supplementary information for the PERS of Ohio. Interested parties may obtain a copy by making a written request to 277 East Town Street, Columbus, Ohio 43215-4642 or by calling (614) 222-6701 or 1-800-222-7377 (PERS).

Ohio Public Employees Retirement System (OPERS) administers three separate pension plans as described below:

1. The Traditional Pension Plan (TP) – a cost-sharing multiple-employer defined benefit pension plan.
2. The Member-Directed Plan (MD) – a defined contribution plan in which the member invests both member and employer contributions (employer contributions vest over five years at 20% per year). Under the Member-Directed Plan, members accumulate retirement assets equal to the value of member and vested employer contributions, plus any investment earnings thereon.
3. The Combined Plan (CO) – a cost-sharing multiple-employer defined benefit pension plan. Under the Combined Plan employer contributions are invested by the retirement system to provide a formula for a retirement benefit similar in nature to the Traditional Pension Plan benefit. Member contributions, the investment of which is self-directed by the members, accumulate retirement assets in a manner similar to the Member-Directed Plan.

The Ohio Revised Code provides statutory authority for member and employer contributions. The member contribution rates are 9.5% for members other than law enforcement and public safety. The 2007 employer contribution rate for local government employer units was 13.85% of covered payroll, 9.35% to fund the pension and 4.50% to fund health care. The contribution requirements of plan members and CMHA are established and may be amended by the Public Employees Retirement Board. CMHA's contributions to the PERS of Ohio are listed in the schedule below:

	Percentage of Covered Payroll		Total Payroll	Payroll Covered	Authority Contributions	Employee Contributions
	Employer	Employee				
2004	13.55%	8.50%	14,939,767	14,596,789	1,977,801	1,240,701
2005	13.55%	8.50%	14,569,766	14,206,280	1,924,951	1,207,514
2006	13.55%	8.50%	14,607,544	14,013,085	1,898,773	1,191,112
2007	13.85%	9.50%	14,920,979	14,858,756	1,990,913	1,337,288

The amounts contributed were equal to the required contributions for each year.

16. Other post-employment benefits

The following information was provided by the PERS of Ohio to assist CMHA in complying with GASB Statement No. 12, "Disclosure of Information on Postemployment Benefits other than Pension Benefits by State and Local Governmental Employers."

The PERS of Ohio provides post-employment health care benefits to age and service retirees with ten or more years of qualifying Ohio service credit and to primary survivor recipients of such retirees. Health care coverage for disability recipients is also available. The health care coverage provided by the PERS of Ohio is considered an Other Post-employment Benefit (OPEB) as described in GASB Statement No.12. A portion of each employer's contribution to the PERS of Ohio is set aside for the funding of post retirement health care. The Ohio Revised Code provides statutory authority requiring public employers to fund post-employment health care through their contributions to the PERS of Ohio. The portion of the 2007 employer contribution rate (identified above) that was used to fund health care for the year 2007 was 4.50% of covered payroll, which amounted to \$668,644.

The significant actuarial assumptions and calculations relating to post-employment health care benefits were based on the PERS of Ohio's latest actuarial review performed as of December 31, 2005. An entry age normal actuarial cost method of valuation is used in determining the present value of OPEB. The difference between assumed and actual experience (actuarial gains and losses) becomes part of unfunded actuarial accrued liability. All investments are carried at market value. For actuarial valuation purposes, a smoothed market approach is used. Under this approach assets are adjusted annually to reflect 25% of unrealized market appreciation or depreciation on investment assets. The investment assumption rate for 2005 was 6.50%. An annual increase of 4.00% compounded annually, is the base portion of the individual pay increase assumption. This assumes no change in the number of active employees. Additionally, annual pay increases, over and above the 4.00% base increase, were assumed to range from 0.50% to 6.30%. Health care costs were assumed to increase at the projected wage inflation rate plus an additional factor ranging from 0.5% to 6.0% for the next 9 years. In subsequent years (10 and beyond) health care costs were assumed to increase at 4% (the projected wage inflation rate).

Benefits are advanced-funded on an actuarially determined basis. The number of active contributing participants in the traditional and combined plans was 358,804. The actuarial value of the PERS of Ohio net assets available for OPEB at December 31, 2005 is \$11.1 billion. The actuarially accrued liability and the unfunded actuarial accrued liability, based on the actuarial cost method used, were \$31.3 billion and \$20.2 billion, respectively.

On September 9, 2004 the OPERS Retirement Board adopted a Health Care Preservation Plan (HCPP) with an effective date of January 1, 2007. The HCPP restructures OPERS' health care coverage to improve the financial solvency of the fund in response to skyrocketing health care costs. Member and employer contribution rates were increased as of January 1, 2007 in order to allocate additional funds to the health care plan.

17. Risk management

CMHA is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees and natural disasters. CMHA maintains comprehensive insurance coverage with private carriers for real property, building contents and vehicles. Vehicle policies include liability coverage for bodily injury and property damage. CMHA also maintains employee major medical coverage with private carriers. Employee dental coverage is provided through self-insurance.

Effective December 1, 1998, CMHA entered into a joint insurance pool, Ohio Housing Authority Property and Casualty, Inc. (OHAPCI), with other Ohio housing authorities. The pool covers property, general liability, law enforcement liability, automobile liability, crime liability, boiler and machinery and public officials' liability up to limits stated below. It is intended for the public purpose of enabling housing authorities to obtain insurance coverage, to provide methods for paying claims, and to provide for a formalized, jointly administered self-insurance fund for its members.

Effective December 1, 2005, OHAPCI joined the Public Entity Risk Consortium (PERC), a risk consortium composed of OHAPCI and four other public entity risk pools and public entities. The other four members are: 1) the Small Housing Authority Risk Pool (SHARP), composed of 36 Ohio public housing authorities; 2) Buckeye Ohio Risk Management Association, Inc. (BORMA), composed of the cities of Bowling Green, Defiance, Napoleon, Sandusky and Willard Ohio; 3) Midwest Pool Risk Management Agency, Inc. (MPRMA), composed of the counties of Auglaize, Hancock, Mercer, Shelby and Van Wert, Ohio; and 4) Wayne County, Ohio. Other members will be added as they are approved by the existing members.

OHAPCI is a corporation governed by a board of trustees, consisting of a representative appointed by each of the member housing authorities. The board of trustees elects the officers of the corporation, with each trustee having a single vote. The board is responsible for its own financial matters, and the corporation maintains its own book of account. Budgeting and financing of OHAPCI is subject to the approval of the board. Currently, the participating housing authorities are Cincinnati, Dayton, Akron, and Youngstown. The following is a summary of insurance coverage at year-end:

Primary Property	\$5 Million/occurrence
Excess Property	\$5 Million to \$50 Million
Casualty/General Liability	\$1 Million/occurrence
Excess Crime	\$500,000
Excess Liability	\$1 Million to \$4 Million
Boiler/Machinery	\$50 Million
Pollution	\$500,000/occurrence/\$2 Million (aggregate)

During the year, settled claims for CMHA did not exceed the coverage provided by OHAPCI.

18. Self insurance

CMHA has entered into a joint insurance pool with other Ohio housing authorities. The Ohio Housing Authority Property and Casualty, Inc. (OHAPCI) pool covers property, general liability, law enforcement liability, automobile liability, crime liability, boiler and machinery and public officials' liability up to established limits. OHAPCI assesses the members of the pool and annual premium to fund estimated amounts needed to pay prior and current year claims. As of June 30, 2007, the pool maintained a reserve in excess of actual and estimated claims relative to CMHA.

CMHA makes payments to the Plan Trustee based on estimated amounts needed to pay prior and current year claims. The June 30, 2007 claims liability is based on the requirements of the Governmental Accounting Standards Board (GASB) Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated.

CMHA also has a self-insured dental and vision plan that covers all employees electing to participate. A reconciliation of claims liabilities is shown below for the year ended June 30, 2007:

<u>Description</u>	
Unpaid claims and claim adjustment expenses at beginning of the year	\$ 12,346
Provision for insured events of the current year	<u>130,644</u>
Total incurred claims and claim adjustment expenses	142,990
Claims and claim adjustment expenses attributable to insured events	<u>(139,858)</u>
Total unpaid claims and claim adjustment expenses at end of year	\$ <u>3,132</u>

The \$3,132 liability is recorded in current accrued liabilities on the statement of net assets.

CMHA makes payments to the Plan Administrator for claims paid during the previous operating month.

19. Commitments

CMHA is engaged in modernization programs funded by HUD. In this regard, CMHA has entered into construction-type contracts, with approximately \$1,650,000 remaining until completion.

20. Economic dependency

HUD provides approximately 85% of CMHA's operating and modernization revenues. If the amount of revenues received from HUD falls below critical levels, CMHA reserves could be adversely affected.

21. Contingencies

CMHA is a defendant in several lawsuits arising from its normal course of business. Where possible, estimates have been made and reflected in the financial statements for the effect, if any, of such contingencies. Although the outcome of these lawsuits is not presently determinable, it is the opinion of CMHA's attorney that resolution of these matters will not have a materially adverse effect on the financial condition of CMHA.

Under the terms of Federal grants, periodic audits are required and certain costs may be questioned as not being appropriate expenses under the terms of the grants. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenses which may be disallowed by the grantor cannot be determined at this time, although CMHA expects such amounts, if any, to be immaterial.

22. Conduit type debt

Debt related to the original acquisition and early modernization of the public housing developments is funded, guaranteed and serviced by HUD. There is no debt or pledge of faith and credit on the part of CMHA. Accordingly, this debt has not been recorded in the financial statements of CMHA. Additionally, HUD no longer provides debt service to CMHA.

23. Schedule of changes to net assets

	Investments In Capital Assets - Net of <u>Related Debt</u>	Unrestricted <u>Net Assets</u>	<u>Total</u>
Balance beginning of year	\$ 196,436,248	\$ 33,558,499	\$ 229,994,747
Adjustments to restate beginning balance	<u> </u>	<u>(18,107)</u>	<u>(18,107)</u>
Adjusted balance, beginning of year	196,436,248	33,540,392	229,976,640
Change in net assets	<u>2,227,999</u>	<u>18,726,533</u>	<u>20,954,532</u>
Balance at end of year	\$ <u>198,664,247</u>	\$ <u>52,266,925</u>	\$ <u>250,931,172</u>

24. Leasing activities (as lessor)

CMHA is the lessor of dwelling units mainly to low-income residents. The rents under the lease are determined generally by the resident's income as adjusted for eligible deductions regulated by HUD, although the resident may opt for a flat rent. Leases may be cancelled by the lessee at any time. CMHA may cancel the lease only for cause.

Revenues associated with these leases are recorded in the financial statements and schedules as "Rental revenue." Rental revenue per dwelling unit generally remains consistent from year to year, but is affected by general economic conditions, which impact personal income and local job availability.

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning 7/1/2009, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.
