**FY 2009**  
**Executive Summary of the Annual PHA Plan**

The Allen Metropolitan Housing Authority (AMHA) was rated a “Standard Performer” in 2007 with a score of 83 for the Public Housing Management Assessment Program (PHAS). AMHA has not received a score for 2008 at this time. AMHA has a “High Performer” rating for the Section 8 Management Assessment Program (SEMAP). These tools measure the managerial performance of a public housing agency (PHA). AMHA is committed to maintaining the highest level of efficiency, effectiveness and customer service to the Lima and Allen County community.

Physical improvements to the public housing stock include the scattered site locations. (See Capital Fund attachments). AMHA received over \$500,000 in one time Capital Fund stimulus money which will be spent on kitchen and bath renovation in projects 002 and 004, and generators for the Furl Williams Apartments, the maintenance building and AMHA’s main office.

AMHA continues to evaluate existing policies and procedures to ensure that services are delivered in a consistent, fair and non-discriminatory manner while maintaining appropriate levels of accountability for all program participants. This includes reviewing the impact of minimum rents for program participants, community service hours, updating rent reasonableness and market rent data.

AMHA requires all participating Housing Choice Voucher Program (HCVP) landlords complete a landlord training course in order to be eligible to participate. New property managers or landlords have twelve months after signing a HAP contract to fulfill this obligation.

AMHA has partnered with The Levin Group to rehabilitate Maplewood Apartments through the State of Ohio’s Tax Credit Program. AMHA has expressed a willingness to partner with Wilshire Place Apartments in their proposal to the State of Ohio for tax credits that will allow for the renovation of these apartments. In addition, AMHA is receptive to expanding into other development opportunities.

In late 2008 AMHA requested permission to Project Base Vouchers (PBV) for 24 units at Northwood/Maplewood Apartments from HUD. Future PBV units may be needed in new endeavors.

AMHA desires to give every program participant tools in which to become homeowners including the 5(h) Program and Section 8 Housing Choice Voucher Homeownership Program. Beginning in 2006, AMHA began

offering a financial literacy class to interested program participants. This knowledge will improve the individual's ability to become self-sufficient and improve their chances of homeownership. The classes are now part of a WEALTH Training in partnership with the City of Lima and the Lima Allen Council on Community Affairs (LACCA).

AMHA continues to look for additional methods of promoting homeownership opportunities in the Lima/Allen County area. These methods may include building or acquiring homes to sell under a lease/purchase or other homeownership program.

In 2006 the local Mental Health Board and AMHA began providing vouchers to homeless individuals with mental health needs through the Shelter Plus Care Program. AMHA continues to participate in the Lima Allen Housing Consortium and its subcommittee for the Continuum of Care to identify service gaps and find solutions. Currently one area identified is the need for transitional or emergency housing for intact families or those families that cannot be served by another agency. AMHA will explore funding opportunities should they become available.

AMHA will continue to apply for appropriate HUD and other non-federal grants to increase the agency's revenue since federal funds are decreasing. One such opportunity is through the Neighborhood Program Stabilization (NSP) Program with the City of Lima, Allen County, other neighboring counties, and through a stand alone application. AMHA plans to become familiar with the foreclosure process, including purchasing homes from Sheriff's Sale in an effort to add to the existing rental housing stock.

Promoting crime free and drug free housing is included in the agency's 2009 goals. Community Operations staff will provide information to local law enforcement as well as educate them on AMHA programs. The department will be restructured with the retirement of our Public Housing Manager to become more streamlined and efficient.

Knowing that youth is the key to the community's future, the AMHA Board developed a college scholarship program. 2009 will be the first year for the program.

AMHA is proud of its past accomplishments, and looks to the future with hope and opportunity as this organization continues in its efforts of meeting the housing needs of our community.
