[24 CFR Part 903.5]

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing
Objectives:
- Apply for additional rental vouchers:
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:
 - Acquire or build units or developments
 - Other (list below)

The Authority has made major improvements to the Minersville High Rise including the provision of new windows and upgrade to the heating system, and upgraded security in order to meet the needs of current residents and make the units more marketable. The Authority has also worked closely with agencies providing services to those with disabilities which has resulted in expanded services to residents. All units are now fully occupied except for normal turnover.

Also, during the first five-years, the Housing Authority established a nonprofit corporation to expand affordable housing options in the County. During 2007 a grant in the amount of \$50,000 was provided to the nonprofit by the Schuylkill County Affordable Housing Trust Fund (Act 137). The Authority's nonprofit has committed a match of \$120,000. The non-profit corporation has renovated three houses that are now being leased to Housing Choice Voucher families who are participating in the Family Self-Sufficiency Program. The goal is for these families to become homeowners. The corporation hopes to continue the program with the assistance of additional Act 137 funding, other grants, and by utilizing the sales proceeds when the houses are sold.

- PHA Goal: Improve the quality of assisted housing
Objectives:
- Improve public housing management: (PHAS score)
 - Improve voucher management: (SEMAP score)
 - Increase customer satisfaction:
 - Concentrate on efforts to improve specific management functions:
(list; e.g., public housing finance; voucher unit inspections)
 - Renovate or modernize public housing units:
 - Demolish or dispose of obsolete public housing:
 - Provide replacement public housing:
 - Provide replacement vouchers:
 - Other: (list below)

- PHA Goal: Increase assisted housing choices
Objectives:
- Provide voucher mobility counseling:
 - Conduct outreach efforts to potential voucher landlords
 - Increase voucher payment standards
 - Implement voucher homeownership program:
 - Implement public housing or other homeownership programs:
 - Implement public housing site-based waiting lists:
 - Convert public housing to vouchers:
 - Other: (list below)

The Authority has maintained its Payment Standards at the 2004 FMRs level for two bedroom and larger apartments as the lower 2005 FMRs would have driven current and prospective owners away from the program. The 2005 FMRs were higher than the 2004 level for efficiency and one bedroom apartments so these higher levels have been adopted as the current experience indicates that the higher level would be helpful.

In 2006, 2007, 2008, and 2009 the FMRs have steadily increased. The Authority will closely monitor the appropriateness of its Payment Standards in order to maintain a workable, high-quality program balanced by the fiscal restraints of the program. Due to

the reduced HUD funding, the Authority cannot raise its Payment Standards to the new FMR levels. It will continue to closely monitor the appropriateness of the Standards within the fiscal restraints of the program. The Payment Standards and Flat Rents for 2008 have thus been raised to match the new FMRs at the two, three, and four bedroom levels. However, the efficiency and one-bedroom rates are set below the FMR levels. The efficiency Payment Standard is being increased by \$10 for 2009 to \$356 compared to the proposed FMR for 2009 of \$374. The one-bedroom Payment Standard is being increased by \$10 to \$460 compared to the new FMR of \$488. The two, three, four, and five bedroom Standards for 2009 are being maintained at the increased FMR levels of \$561, \$701, \$770 and \$886 respectively.

The Authority will learn about the voucher homeownership program with the desire of implementing this as an Authority initiative.

HUD Strategic Goal: Improve community quality of life and economic vitality

- PHA Goal: Provide an improved living environment
- Objectives:
 - Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:
 - Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
 - Implement public housing security improvements:
 - Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
 - Other: (list below)

The Authority has installed security cameras at all nine of its family and senior housing developments. The cameras can be viewed via the Internet enabling both the Authority and the Police Departments to monitor activities on the exterior of its buildings.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

- PHA Goal: Promote self-sufficiency and asset development of assisted households
- Objectives:
 - Increase the number and percentage of employed persons in assisted families:
 - Provide or attract supportive services to improve assistance recipients' employability:

- Provide or attract supportive services to increase independence for the elderly or families with disabilities.
- Other: (list below) Promote self-sufficiency and assist families to obtain supportive services through the various service agencies with which the Housing Authority has inter-agency agreements.

During the last five-year period, the Authority established an effective Family Self-Sufficiency program for Section 8 Voucher participants; outreach was provided to Voucher holders to urge their participation; and families have been enrolled. Three of the participating families have moved into the houses that were renovated by the Authority's housing corporation with the goal of them becoming homeowners.

Food banks have been established and will be continued in the senior buildings. During 2007 the program was expanded to elderly units in the family developments.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

- PHA Goal: Ensure equal opportunity and affirmatively further fair housing Objectives:
 - Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:
 - Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:
 - Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:
 - Other: (list below) *Continue to provide suitable living environments regardless of race, color, religion, national origin, sex, familial status, or disability. Continue to make special outreach efforts to house disabled persons in handicapped housing through the Anthracite Center for Independent Living. Continue to work closely with Career Link, Schuylkill Community Action, the RedCo Group, Senior Services, Department of Public Welfare, Service Access Management, and Allied Services.*

The Authority has agreed to participate in a program sponsored by the Pennsylvania Housing Finance Agency (PHFA) which is designed to increase housing resources for person with disabilities and for those transitioning from nursing homes. Under this Tenant Based Rental Assistance (TBRA) program, PHFA will provide up to 24 months of HOME funded rental assistance to disabled persons and those transitioning from nursing homes who are referred by the Authority, while the Authority maintains them on its waiting list(s) until a permanent voucher or public housing subsidy becomes available.
