**EXECUTIVE SUMMARY
BRISTOL TENNESSEE HOUSING REDEVELOPMENT AUTHORITY
AGENCY PLAN FY2009**

The Bristol Tennessee Housing Redevelopment Authority (BTHRA) has completed this Agency Plan in consultation with BTHRA residents and the local community. The Plan was discussed with the Resident Advisory Board on April 23, 2009 at 5:00 p.m. The Public will be afforded an opportunity to review the Plan and office comments at a public hearing to be held on July 15, 2009. The Annual Agency Plan is summarized as follows:

1. Housing Needs

The BTHRA's current waiting lists are excessive and the demand for public housing and Section 8 is evident. The greatest demand is for small bedroom units (1 and 2 bedroom units).

2. Financial Resources

The BTHRA expects to expend approximately **\$2,500,000.00** in FY2009 for operations, capital improvements and administrative costs.

3. Eligibility, Selection and Admission Policies

The BTHRA has revised its standard operating policies to comply with the requirements of the QHWRA through regulations published in the Federal Register on March 29, 2000. These policies will be updated as HUD issues further guidance.

As required under this section of the Plan and by regulations published in PIH Notice 2001-4, the BTHRA has reviewed its developments relative to income. The BTHRA has determined that they do not have a problem with concentration of high or low-income families, further, the BTHRA has revised their admissions policies to assure that a concentration does not occur in the future.

4. Rent Determination – Discretionary Policies

Our discretionary rent policies include:

- Flat rents
- \$50.00 minimum rent for Public Housing and Section 8.

5. Operations and Management

As a high performing PHA, the BTHRA is exempt from this component of the PHA Plan. However, the BTHRA has developed a Practice and Procedures Manual, which includes all of our policies relating to public housing and Section 8 administration, management, maintenance, leasing and occupancy. These policies have been revised to comply with the mandated requirements of the QHWRA.

6. Grievance Procedure

The BTHRA has revised its Grievance Procedure to comply with the QHWRA and will continue to make revisions as additional issues are addressed by HUD regulations.

7. Capital Improvements

Our projected funding under the Public Housing Capital Fund Program is **\$412,292**. Our focus for the FY2009 program year will be Trash rooms and chutes, fire extinguisher replacement at Edgemont Tower and Fort Shelby Tower; storage building at Edgemont Tower, and flooring replacement at Fort Shelby Tower. Range and refrigerator replacement is on-going.

8. Demolition and/or Disposition

The BTHRA has no current plans for demolition or disposition with FY2008 funds.

9. Designation

The BTHRA plans to maintain the current elderly/disabled designation that applies to a portion of their units. The BTHRA has no current plans for designation at this time.

10. Conversion of Public Housing

The BTHRA conducted an initial conversion assessment for each development as recently mandated by the QHWRA through regulations published in the Federal Register on June 22, 2001. This assessment determined that conversion would not be cost effective as identified in Attachment D: "Component 10 (B) Voluntary Conversion Initial Assessments". Therefore, the BTHRA has no current plans to designate any developments or building to tenant-based assistance.

11. Homeownership

As a high performing PHA, the BTHRA is exempt from this component of the PHA Plan. However, the BTHRA is currently working to implement a Homeownership Program.

12. Community Services and Self-Sufficiency Programs

As a high-performing PHA, the BTHRA is exempt from this component of the PHA Plan. However, the BTHRA offers and provides a variety of program and services to their residents to achieve self-sufficiency. These services and programs include the Welfare-to-work Program as well as referrals to local non-profit agencies providing supportive services; a Community Cares Program, People Place and the UETHDA Nutrition Program which provides the elderly and disabled families with the tools needed to eat healthy, stay safe, improve personal hygiene, etc. Additionally, the BTHRA has adopted a policy relative to the community service requirement mandated by the QHWRA through regulations published in the Federal Register on May 29, 2000. A description of the BTHRA's community service requirement is available on request.

13. Safety and Crime Prevention

As a high-performing PHA, the BTHRA is exempt from this component of the PHA Plan. However, the BTHRA has a police officer assigned to the housing authority. He patrols all of the developments and utilizes the newly installed video surveillance system. His phone number is given to all residents. Additionally, the BTHRA has a "one strike" and "zero tolerance" policy and performs strict screening of applicants.

14. Ownership of Pets

The BTHRA has developed a pet policy that is in compliance with QHWRA requirements.

15. Civil Rights Certification

The BTHRA has included the required certification regarding Fair Housing and Civil Rights in this plan.

16. Annual Audit

Our most recent annual audit is on file at the HUD office in Knoxville, TN, and is available for review at our main office during normal business hours.

17. Asset Management

As a high-performing PHA, the BTHRA is exempt from this component of the PHA Plan. However, it is the goal of the BTHRA to manage our assets (physical property, financial resources and manpower) as efficiently as possible to meet the intent of our mission statement.

6.1 Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures

PUBLIC HOUSING

Eligibility

Eligibility for admission is verified when there are ten (10) applicants ahead of them and within two months before offer of unit.

The following non-income screening factors are used to establish eligibility for admission to public housing:

- Criminal or drug-related activity
- Rental history
- Housekeeping
- Credit history

Waiting List

Bristol Tennessee Housing and Redevelopment Authority (BTHRA) has a community-wide waiting list. Interested persons may apply for admission at the main administrative office.

Admissions Preferences

BTHRA does not plan to exceed the federal targeting requirements by targeting more than 40% of all new admission to public housing to families at or below 30% of median area income.

The following preferences are used:

- Involuntary displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)
- Victims of domestic violence

Occupancy

The following reference materials can be used to obtain information about the rules of occupancy of public housing:

- The PHA-resident lease
- The PHA's Admissions and Continued Occupancy Policy
- PHA briefing seminars or written materials
- Resident Orientation

Deconcentration and Income Mixing

BTHRA does not have any developments that have average incomes below 85% or above 115% of the average of all developments.

SECTION 8

Eligibility

Eligibility for admission is verified within three months of being offered a unit. The following non-income screening factors are used to establish eligibility for admission to public housing:

- Criminal or drug-related activity
- Previous participation and/or back balances

Waiting List

Interested persons may apply for admission at the PHA Site Management Office. An extension is granted based on special needs and handicap as well as additional time to find a suitable unit.

Admissions Preferences

BTHRA does not plan to exceed the federal targeting requirements by targeting more than 75% of all new admission to Section 8 Program to families at or below 30% of median area income.

The following preferences are used:

- Victims of domestic violence

Occupancy

The following reference materials can be used to obtain information about the rules of occupancy of the Section 8 Program:

- The Section 8 Administrative Plan
- PHA briefing seminars or written materials
- Through published notices

6.2 Financial Resources

The BTHRA expects to expend approximately \$2,500,000.00 in the year 2009 for operations, capital improvements and administrative costs.

6.3 Rent Determination

PUBLIC HOUSING

BTHRA employs discretionary policies for determining income-based rent by having a minimum rent of \$50.00.

BTHRA uses HUD's required minimum rent hardship exemptions.

Ceiling Rents

The BTHRA does not have ceiling rents

Rent Re-Determinations

If the family elected income-based rent, they must report all changes in income and family composition as they occur. In the case of income, the rent will only be changed if the new income amount results in a rent decrease. In the case of change in family composition, the rent will only be changed if the new household member receives income and then the rent would be increased.

Flat Rents

BTHRA established flat rents by using the Section 8 rent reasonableness study of comparable housing.

SECTION 8

Payment Standards

- 100% of FMR
- Payment standards are reevaluated annually
- Assessment of the payment standards are based on the success rates of assisted families and the rent burdens of assisted families.

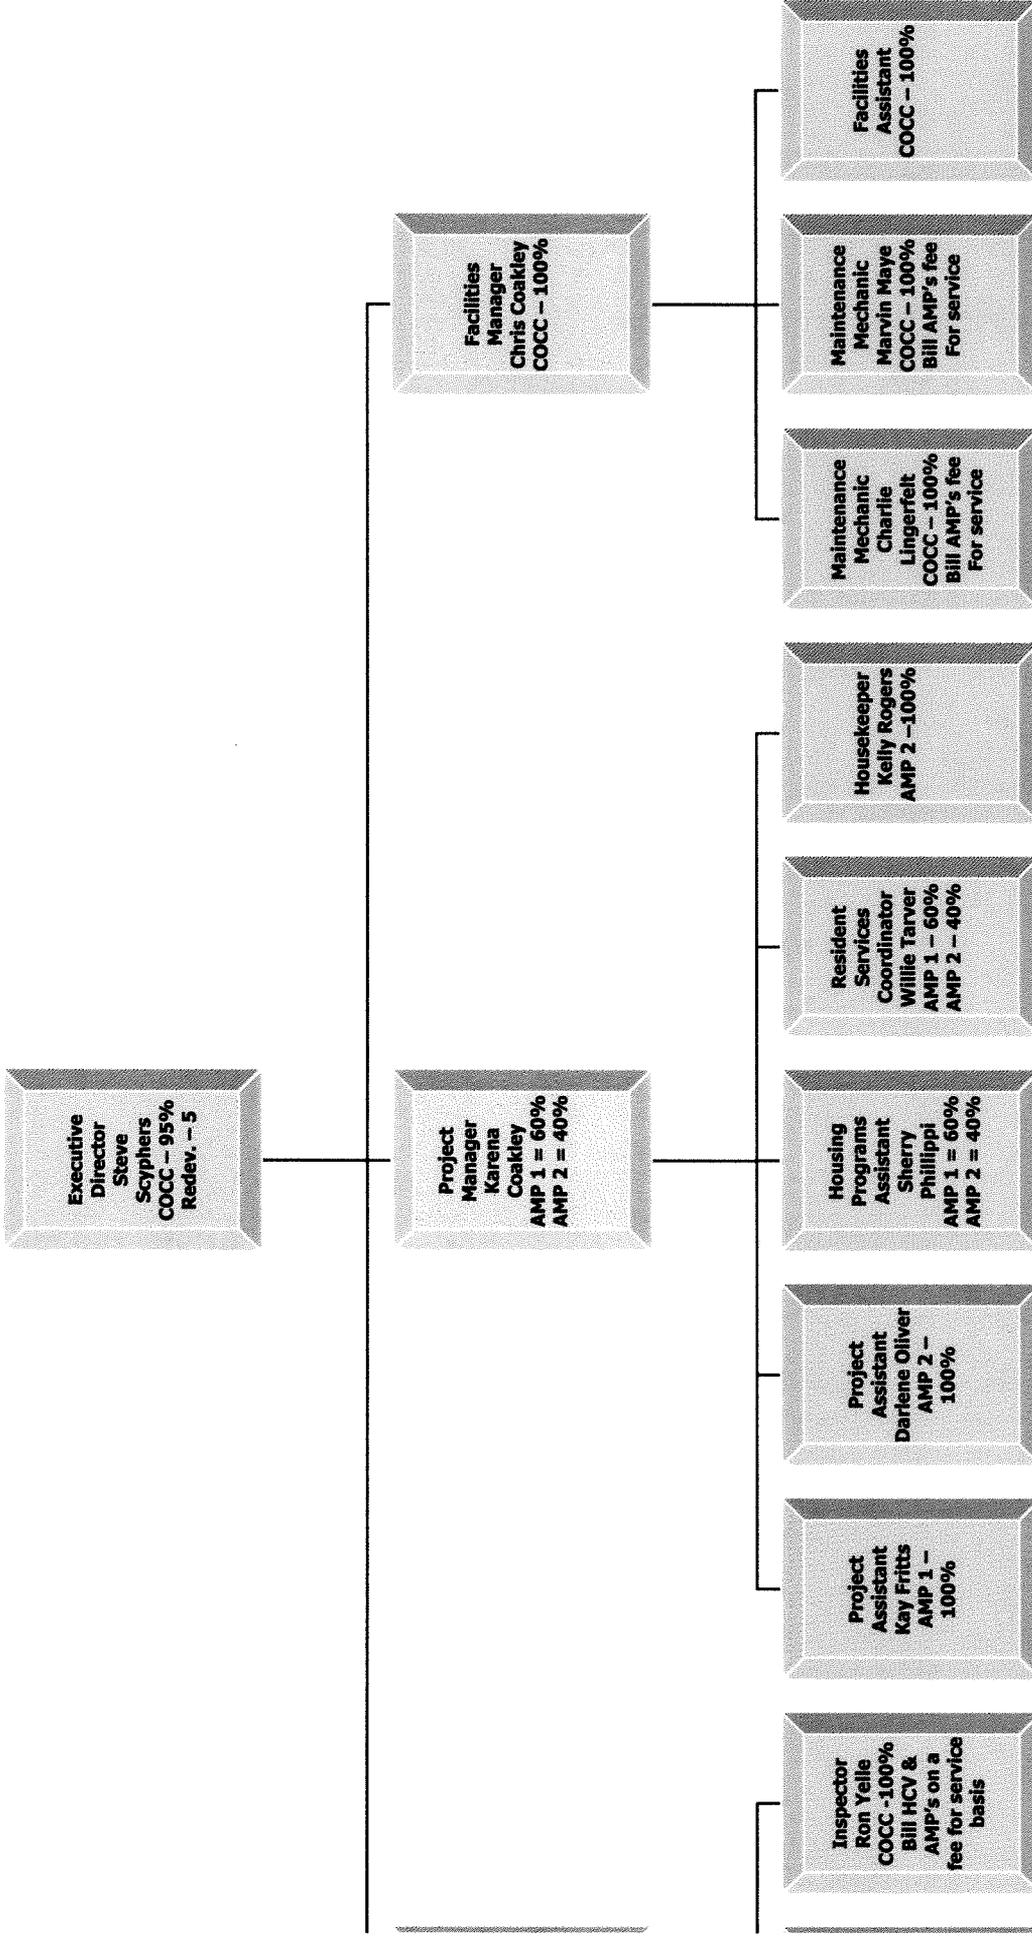

BTHRA employs discretionary policies for determining income-based rent by having a minimum rent of \$50.00.

BTHRA uses HUD's required minimum rent hardship exemptions.

6.4 Operation and Management

Organizational Chart on following page:

BTHRA ORGANIZATIONAL CHART 10-1-08

6.5 Grievance Procedures

The BTHRA has revised its Grievance Procedure to comply with the QHWRA and will continue to make revisions as additional issues are addressed by HUD regulations.

6.6 Designated Housing for Elderly and Disabled Families

The BTHRA plans to maintain the current elderly/disabled designation that applies to a portion of their units. The BTHRA has no plans to designate additional units at this time.

6.7 Community Service and Self-Sufficiency

The BTHRA offers and provides a variety of program and services to their residents to achieve self-sufficiency. These services and programs include the Welfare-to-work Program as well as referrals to local non-profit agencies providing supportive services; a Community Cares Program, People Place and the UETHDA Nutrition Program which provides the elderly and disabled families with the tools needed to eat healthy, stay safe, improve personal hygiene, etc. Additionally, the BTHRA has adopted a policy relative to the community service requirement mandated by the QHWRA through regulations published in the Federal Register on March 29, 2000.

6.8 Safety and Crime Prevention

The BTHRA has a full-time police officer that patrols all of the sites of public housing. A security camera system has been installed at Fort Shelby Tower and Edgemont Tower. The police officer is charged with monitoring and reviewing. This has reduced the incidence of unlawful behavior. Office renovations are being completed that will aid in safety and security for residents and employees.

6.9 Pet Policy

The BTHRA has a policy related to tenant-owned pets. This policy permits all BTHRA residents to own pets as mandated by the QHWRA through regulations published in the Federal Register on July 10, 2000 and is subject to compliance with specific requirements of BTHRA's pet lease, which is available at the PHA Main Administrative Office.

6.10 Civil Rights Certification

HUD-50077 (Attached).

6.11 Fiscal Year Audit

The BTHRA's most recent audit is on file at the local HUD office in Knoxville, Tennessee and is available for review at the main office during normal business hours. There were no findings.

6.12 Asset Management

BTHRA ALLOCATION PLAN for INCOME & EXPENSES Board Approved 9-24-08

The BTHRA, in its attempt to comply with HUD's new project based accounting and asset management requirements, will make every effort to record income earned and expenses incurred in the appropriate general ledger chart of accounts. Items will be identified as either an income or expense of the Low Income Public Housing Program (LIPH), the Housing Choice Voucher Program (HCV) or Redevelopment. Those items considered LIPH will then be further analyzed to determine whether the item is the responsibility of a particular Asset Management Project (AMP) or the Central Office Cost Center (COCC). The BTHRA realizes that there are numerous expenses that will be difficult to assign in their entirety to a particular AMP or to the COCC. In those instances, the BTHRA has chosen to charge those expenses proportionately to the AMP's and to the COCC.

All rental income and other tenant revenue will be recorded based on the tenant's AMP assignment. Miscellaneous income that is not able to be assigned to an AMP will be recorded as COCC income. Ex. copies made for non-BTHRA related business. Additionally, income earned from investments held at October 1, 2007, will be distributed based on each AMP and COCC's cash allocation at that same date. The percentages will be as follows: AMP 1 = 28.7%, AMP 2 = 42.2% and the COCC = 29.1%

Employees will be assigned to an AMP or the COCC on either a percentage or fee for service basis. Salaries & benefits will be paid based on that assignment. Employee travel, training and cell phone expenses will be paid based on the individual employee's payroll assignment. Miscellaneous employee expenses such as flu shots, staff meeting expenses, etc. will be charged in the same manner.

It has been determined that due to the BTHRA's relatively small size, site based management offices, at this time, will not be the most economically feasible option. BTHRA's administrative offices and staff will continue to be located at Edgemont Towers with one employee being located at Fort Shelby Towers. Given that arrangement, and for ease of operations, management has chosen to assign all computer equipment, software, software licenses, office furniture and office equipment as COCC assets. As a result, expenses associated with these items will be a charged to the COCC. In the area of computer maintenance, the AMP's will be charged a monthly lease fee based on the number of units in the BTHRA's Annual Contributions Contract (ACC) and equivalent to HUD's designated information technology fee.

The COCC will assume liability for copier and postage meter leases and will in turn charge the respective AMP's based on their metered usage. Membership dues for various industry associations will be considered a responsibility of the COCC as will the cost of publications that are not AMP specific. Advertising expenses for contracted services benefiting both AMP's and publications that apply to both AMP's will be charged based on the number of bedrooms per AMP. AMP 1 will be charged 60% of the expense and AMP 2 will be charged 40% of the expense. Expenses such as office supplies that are for the benefit of the COCC and the AMP's will be allocated as follows: COCC = 10%, AMP 1 = 54% and AMP 2 = 36%

Vehicle expenses, including maintenance and fuel, will be charged to the AMP to which the vehicle has been assigned. Garbage costs, utilities, tenant services and tenant accounts receivable expenses will be charged to their respective AMP. Since the BTHRA's administrative offices will be physically

located in AMP 2, the COCC will reimburse AMP 2 for its share of electricity, water and sewer usage. These amounts have been determined by the Executive Director based on industry usage standards and utility rates in effect at the time of the calculation.

6.13 Violence Against Women Act (VAWA)

Policies (Public Housing and Section 8) on following pages:

**Public Housing
Admissions and Continued Occupancy (ACOP)**

Amendment

Violence Against Women and Justice Department Reauthorization Act 2005
Form HUD-50066 Certification of Domestic Violence, Dating Violence, or
Stalking

The Violence Against Women and Justice Department Reauthorization Act (VAWA) of 2005 protects tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. Applicants are also protected from denial of assistance as stated in the VAWA.

In general, the law provides in part that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse. The law also provides that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence and will not be "good cause" for termination of the assistance, tenancy, or occupancy rights of a victim of such violence.

Changes to the Public Housing ACOP

1. Notification to Applicants:

The BTHRA will provide all applicants to the Public Housing program with notification of their protections and rights under the Violence Against Women Reauthorization Act of 2005 (VAWA) at the time they request an application for housing assistance.

The notice will explain the protections afforded under the law, inform each applicant of BTHRA confidentiality requirements, and provide contact information for local victim advocacy groups or service providers.

The BTHRA will also include in all notices of denial, a statement explaining the protection against denial provided by VAWA.

2. Notification to Participants:

The BTHRA will provide all participants with notification of their protections and rights under the VAWA at the time of admission and at annual reexamination.

Public Housing Admissions and Continued Occupancy (ACOP)

The notice will explain the protections afforded under the law, inform the participant of BTHRA confidentiality requirements, and provide contact information for local victim advocacy groups or service providers.

The BTHRA will also include in all termination notices a statement explaining the protection against denial provided by VAWA.

3. Terminating the Assistance of Domestic Violence, Dating Violence, or Stalking Victims and Perpetrators

The VAWA provides that “criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control shall not be a cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim of that domestic violence, dating violence, or stalking.”

VAWA also gives BTHRA the authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.”

VAWA does not limit the authority of BTHRA to terminate the assistance of any participant if BTHRA “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not evicted or terminated from assistance”.

Victim Documentation

When a participant family is facing assistance termination because of the actions of a participant, household member, guest, or other person under the participant’s control and a participant or immediate family member of the participant’s family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the BTHRA will require the individual to submit documentation affirming that claim.

The documentation must include two elements:

1. A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking (**HUD form 50066 “Certification of Domestic Violence, Dating Violence, or Stalking”**), as required by the provisions of Sections 606 and 607 of the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA), Public Law 109-162; **AND**
2. One of the following:
 - a) a police or court record documenting the actual or threatened abuse, **or**
 - b) a statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought

Public Housing Admissions and Continued Occupancy (ACOP)

assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification and supporting documentation must be submitted to the BTHRA within fourteen (14) business days after the BTHRA issues their written request. The fourteen (14)-day deadline may be extended at BTHRA's discretion. If the individual does not provide the required certification and supporting documentation within fourteen (14) business days, or the approved extension period, the BTHRA may proceed with assistance termination.

If the BTHRA can demonstrate an actual and imminent threat to other participants or those employed at or providing service to the property if the participant's tenancy is not terminated, the BTHRA will bypass the standard process and proceed with the immediate termination of the family's assistance.

Terminating the Assistance of a Domestic Violence Perpetrator

When the actions of a participant or other family member result in a BTHRA decision to terminate the family's assistance and another family member claims that the actions involve criminal acts of physical violence against family members or others, the BTHRA will request that the victim submit the above required certification and supporting documentation in accordance with the stated time frame. If the certification and supporting documentation are submitted within the required time frame, or any approved extension period, the BTHRA will terminate the perpetrator's assistance. If the victim does not provide the certification and supporting documentation, as required, the BTHRA will proceed with termination of the family's assistance.

If the BTHRA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the participant's tenancy is not terminated, the BTHRA will bypass the standard process and proceed with the immediate termination of the family's assistance.

BTHRA Confidentiality Requirements

All information provided to the BTHRA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

The HUD-approved certification form provides notice to the tenant of the confidentiality of the form and the limits thereof.

Public Housing Admissions and Continued Occupancy (ACOP)

4. Prohibition Against Denial of Assistance to Victims of Domestic Violence, Dating Violence, and Stalking

The BTHRA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history that would warrant denial under the BTHRA's policies. Therefore, if the BTHRA makes a determination to deny admission to an applicant family, the BTHRA will include in its notice of denial a statement of the protection against denial provided by VAWA and will offer the applicant the opportunity to provide documentation affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking.

The documentation must include two elements:

1. A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking, (**HUD form 50066 "Certification of Domestic Violence, Dating Violence, or Stalking"**), as required by the provisions of Sections 606 and 607 of the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA), Public Law 109-162, **AND**
2. One of the following:
 - a) a police or court record documenting the actual or threatened abuse, **or**
 - b) a statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The applicant must submit the required documentation with her or his request for an informal review or must request an extension in writing at that time. If the applicant so requests, the BTHRA will grant an extension of ten (10) business days, and will postpone scheduling the applicant's information review until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the BTHRA determines the family is eligible for assistance, no information review will be scheduled and the BTHRA will proceed with admission of the applicant family.

Perpetrator Removal or Documentation of Rehabilitation

In cases where an applicant family includes the perpetrator as well as the victim of domestic violence, dating violence, or stalking, the BTHRA will proceed as above but will require, in addition, either (a) that the perpetrator be removed from the applicant household and not reside in the assisted housing unit or (b) that the family provide documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment.

Public Housing Admissions and Continued Occupancy (ACOP)

If the family elects the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from who the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation. This additional documentation must be submitted within the same time frame as the documentation required above from the victim.

5. Informal Hearings for Participants

Circumstances for which the BTHRA must give a participant family an opportunity for an informal hearing are as follows:

- a determination to deny admission based on an unfavorable history that may be the result of domestic violence, dating violence, or stalking.

6. Nondiscrimination

Add to section:

Violence Against Women Reauthorization Act of 2005 (VAWA)

7. Definition of Terms

BOARD APPROVED: Resolution 08-02 March 26, 2008

Housing Choice Voucher Administration Plan (ADMIN PLAN)

Amendment

Violence Against Women and Justice Department Reauthorization Act 2005
Form HUD-50066 Certification of Domestic Violence, Dating Violence, or
Stalking

The Violence Against Women and Justice Department Reauthorization Act (VAWA) of 2005 protects tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. Applicants are also protected from denial of assistance as stated in the VAWA.

In general, the law provides in part that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse. The law also provides that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence and will not be "good cause" for termination of the assistance, tenancy, or occupancy rights of a victim of such violence.

Changes to the Housing Choice Voucher Admin Plan

1. Notification to Applicants:

The BTHRA will provide all applicants to the Housing Choice Voucher Program with notification of their protections and rights under the Violence Against Women Reauthorization Act of 2005 (VAWA) at the time they request an application for housing assistance.

The notice will explain the protections afforded under the law, inform each applicant of BTHRA confidentiality requirements, and provide contact information for local victim advocacy groups or service providers.

The BTHRA will also include in all notices of denial, a statement explaining the protection against denial provided by VAWA.

2. Notification to Participants:

Housing Choice Voucher Administration Plan (ADMIN PLAN)

The BTHRA will provide all participants with notification of their protections and rights under the VAWA at the time of admission and at annual reexamination.

The notice will explain the protections afforded under the law, inform the participant of BTHRA confidentiality requirements, and provide contact information for local victim advocacy groups or service providers.

The BTHRA will also include in all termination notices a statement explaining the protection against denial provided by VAWA.

3. Terminating the Assistance of Domestic Violence, Dating Violence, or Stalking Victims and Perpetrators

The VAWA provides that “criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control shall not be a cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim of that domestic violence, dating violence, or stalking.”

VAWA also gives BTHRA the authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.”

VAWA does not limit the authority of BTHRA to terminate the assistance of any participant if BTHRA “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not evicted or terminated from assistance”.

Victim Documentation

When a participant family is facing assistance termination because of the actions of a participant, household member, guest, or other person under the participant’s control and a participant or immediate family member of the participant’s family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the BTHRA will require the individual to submit documentation affirming that claim.

The documentation must include two elements:

1. A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking (**HUD form 50066 “Certification of Domestic Violence, Dating Violence, or Stalking”**), as required by the provisions of Sections 606 and 607 of the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA), Public Law 109-162, **AND**
2. One of the following:
 - a) a police or court record documenting the actual or threatened abuse, **or**

Housing Choice Voucher Administration Plan (ADMIN PLAN)

- b) a statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification and supporting documentation must be submitted to the BTHRA within fourteen (14) business days after the BTHRA issues their written request. The fourteen (14)-day deadline may be extended at BTHRA's discretion. If the individual does not provide the required certification and supporting documentation within fourteen (14) business days, or the approved extension period, the BTHRA may proceed with assistance termination.

If the BTHRA can demonstrate an actual and imminent threat to other participants or those employed at or providing service to the property if the participant's tenancy is not terminated, the BTHRA will bypass the standard process and proceed with the immediate termination of the family's assistance.

Terminating the Assistance of a Domestic Violence Perpetrator

When the actions of a participant or other family member result in a BTHRA decision to terminate the family's assistance and another family member claims that the actions involve criminal acts of physical violence against family members or others, the BTHRA will request that the victim submit the above required certification and supporting documentation in accordance with the stated time frame. If the certification and supporting documentation are submitted within the required time frame, or any approved extension period, the BTHRA will terminate the perpetrator's assistance. If the victim does not provide the certification and supporting documentation, as required, the BTHRA will proceed with termination of the family's assistance.

If the BTHRA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the participant's tenancy is not terminated, the BTHRA will bypass the standard process and proceed with the immediate termination of the family's assistance.

BTHRA Confidentiality Requirements

All information provided to the BTHRA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

The HUD-approved certification form provides notice to the tenant of the confidentiality of the form and the limits thereof.

Housing Choice Voucher Administration Plan (ADMIN PLAN)

4. Prohibition Against Denial of Assistance to Victims of Domestic Violence, Dating Violence, and Stalking

The BTHRA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history that would warrant denial under the BTHRA's policies. Therefore, if the BTHRA makes a determination to deny admission to an applicant family, the BTHRA will include in its notice of denial a statement of the protection against denial provided by VAWA and will offer the applicant the opportunity to provide documentation affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking.

The documentation must include two elements:

1. A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking, (**HUD form 50066 "Certification of Domestic Violence, Dating Violence, or Stalking"**), as required by the provisions of Sections 606 and 607 of the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA), Public Law 109-162, **AND**
2. One of the following:
 - a) a police or court record documenting the actual or threatened abuse, **or**
 - b) a statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The applicant must submit the required documentation with her or his request for an informal review or must request an extension in writing at that time. If the applicant so requests, the BTHRA will grant an extension of ten (10) business days, and will postpone scheduling the applicant's information review until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant the BTHRA determines the family is eligible for assistance, no information review will be scheduled and the BTHRA will proceed with admission of the applicant family.

Perpetrator Removal or Documentation of Rehabilitation

In cases where an applicant family includes the perpetrator as well as the victim of domestic violence, dating violence, or stalking, the BTHRA will proceed as above but will require, in addition, either (a) that the perpetrator be removed from the applicant household and not reside in the assisted housing unit or (b) that the family provide

Housing Choice Voucher Administration Plan (ADMIN PLAN)

documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment.

If the family elects the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from who the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation. This additional documentation must be submitted within the same time frame as the documentation required above from the victim.

5. Informal Hearings for Participants

Circumstances for which the BTHRA must give a participant family an opportunity for an informal hearing are as follows:

- a determination to deny admission based on an unfavorable history that may be the result of domestic violence, dating violence, or stalking.

6. Nondiscrimination

Add to section:

Violence Against Women Reauthorization Act of 2005 (VAWA)

7. Definition of Terms

Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim share a child in common, by a person who is cohabitated with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Dating Violence: Violence committed by a person:

- (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) the length of the relationship; (ii) the type of relationship; and (iii) the frequency of interaction between the persons involved in the relationship.

Stalking: to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that

Board Resolution 09-04

PHA Certifications of Compliance with the PHA Plans and Related Regulations: Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning 10/2009, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
