Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.					

	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:</p> <p>Local Preferences- As a tool in meeting income targeting goals (which require that 75% of our admissions are below the extremely low income limit), and to ensure that we serve the elderly and disabled with priority, a new local admissions preference was added to the plan. Families who qualify for this preference will include households with an elderly (62 or older) or disabled head or spouse who receives social security, social security disability or supplemental security (SSI) income from the SSA at the time of the eligibility determination</p> <p>THDA has adopted a local residency preference. Families who qualify for this preference will include applicants from the waiting list who currently reside in the county where there is an open waiting list, and can supply documentation of residency. The residential/physical address entered on the pre-application will also be used to determine residency. If an applicant self selects the local residency preference and enters a non-local residential/physical and/or mailing address (address in another county or state), THDA will not contact the applicant to verify the preference. THDA will remove the preference selection and return the applicant to the appropriate place on the list.</p> <p>Reasonable Accommodation for Voucher Term Extensions- The Rental Assistance Manager in the appropriate field office may approve a request for voucher extension (up to 120 days) without director approval for households with an elderly or disabled head or spouse. Request for extensions beyond 120 days must be forwarded to the local HUD office. In all cases, if a family requests an extension before the 60-day voucher expiration and the head or spouse is disabled, the voucher should be extended to 120 days. If the client requests an extension beyond 120 days, the request should be forwarded to central office.</p> <p>Foster Children and Payment Standard allocation-The placement of foster children within the home will no longer be considered in the bedroom size allocation</p> <p>Online Housing Search Database- The Plan was updated to include information on TNHousingSearch.org as the primary source for voucher program level information on available units in counties where the system is fully populated.</p> <p>Grievance and Informal Hearing Process- The time frame for submission of request for an informal hearing by the tenant has changed from 15 days to 14 days. All requests for informal hearing must be submitted in writing to THDA's hearings and complaints officer within fourteen (14) days of the date of the termination letter. Instructions for requesting an informal hearing are included in correspondence to the participant regarding the adverse decision. A request for hearing will be considered timely when it is received by THDA and postmarked no later than fourteen (14) days from the date of the termination letter. To determine timeliness of any hearings request, THDA counts from the day after the date on the termination letter.</p> <p>Requests to reschedule the informal review will only be considered when the participant can document a medical emergency or death in the immediate family that prevents the person from attending the hearing as scheduled</p> <p>Family Self-Sufficiency Program-The HUD mandatory program participant number is now 93. THDA will maintain a maximum of 200 slots with a program minimum of 125. When selecting client names from the wait list, a random selection by lottery will be conducted for all applications received on the same day. Eight hour pre-purchase homebuyer education class is no longer a pre-requisite to the completion of the 5 year FSS contract. The requirement that the 5 year FSS contract should be completed within 30 days of receipt of the Needs Assessment has been changed to 120 days. FSS participants may only receive approval for interim disbursement from the escrow account for vehicle repair or purchase; homeownership down payment; educational purposes; and medical expenses.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.
