<b>5.0</b>	<b>5-Year Plan.</b> Complete items 5.1 and 5.2 only at 5-Year Plan update.																										
<b>5.1</b>	<b>Mission.</b> State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years:																										
<b>5.2</b>	<b>Goals and Objectives.</b> Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. On Jan. 5, 2006, President Bush signed into law as public law, the Violence Against Women Act (VAWA) and the Dept of Justice Reauthorization Act of 2005. Sec 603 of the law amends Sec 5A of the US Housing Act to require that PHAs 5-year plan and annual plans contain information regarding any goals, activities, objectives, policies, or programs of the PHA that are intended to support or assist victims of domestic violence. The Bridgeport Housing Authority will comply with the provisions of the implementation of the Violence Against Women Act and the Dept of Justice Reauthorization Act of 2005. No individual who claims to be a victim of abuse under the VAWA who completes the HA Certification to the alleged abuse, or provides other acceptable documentation as stated in the certification, and complies with the conditions of the certification, will be evicted from public housing. Action will be taken to have the person committing the violence removed from the dwelling unit for the protection of the rest of the family. If the person is not a resident of the unit, the person will be banned from the HA premises. If the offender is a resident of the unit, the tenant (victim) will be advised that the offender is still legally on the lease while eviction is being enforced and the HA will refer the victim to a domestic violence shelter until the offender is legally removed. The tenant(victim) will be advised that they can also go to the courts and ask for an injunction under state laws governing domestic violence to remove the offending person from the unit immediately while the HA evicts the offender. The victim will be advised that the offender will not be allowed back on HA property and if so allowed, would be a violation of their lease and could lead to eviction. All Bridgeport HA households are informed at move-in and annual recertification of the requirements of the VAWA and are assured that reporting by a victim will not result in the loss of their unit. The Bridgeport HA works with local police department, social service agencies, domestic violence shelters and the local community to develop effective strategies, services, educational programs to victims of domestic violence, sexual assault, and stalking.
