In the category of <=30% of AMI there are 3 applicants, in the category of >30% but <=50% of AMI there are 0 applicants, in the category of >50% but <80% of AMI there are 5 applicants. There are 5 applicants are families with children; 1 applicant is disabled, and 3 applicants are regular with no disabilities. Target available assistance to families at or below 30% of AMI by exceeding HUD federal targeting requirement for families at or below 30% AMI in public housing and adopting rent policies to support and encourage work. 3. Target available assistance to families at or below 50% of AMI by employing admissions preferences aimed at families who are working and adopt rent policies to support and encourage work.
