

9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. As soon as an apartment becomes vacated, we will do our best to turn that apartment around within 3 days and have it rented by the time that the apartment is ready. We will continue to use our Preferences that we have adopted, this being that Elderly and Disabled are preferenced first, then working families, then full time students, and local residents. We have continued to use our flat rents and these have been determined annually and approved by our board of Commissioners. We have ceiling rents in place and we will continue to use our hardship exemption policy.</p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan. The Leachville Housing Authority has met its goals that were set forth in the previous 5 Year Plan. We continue to offer the best housing that the city has to offer. All of our units have central heat and air, 75% of them have new tile and carpet, they have good refrigerators and cook stoves, With our Capital Fund money, we have increased our parking areas, took out several trip hazards, made the majority of our parking pads handicapped accessible, we have re-roofed, put in new security storm doors, put ceiling fans in every room in every apartment. We have continued with our Resident Council and they have accomplished some wonderful things for our residents. We hope to continue to help our residents in every way that we can.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification” A Significant Amendment or Modification to the Annual Plan would only be done in the case of an emergency situation and it would always be Board approved and Resident approved. A Substantial Deviation would be 20% of the Capital Fund.</p>
11.0	<p>Required Submission for HUD Field Office Review. In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged.
